2. All exhibitors must purchase an exhibitors pass.
3. All entrants for livestock exhibited in Open, Breed, and Market competitions shall provide a valid premises identification number at the time of entry.
4. There will be no outside bedding allowed on the State Fairgrounds. The Colorado State Fair Management is making it mandatory for all exhibitors to purchase their animal bedding through the Colorado State Fair Feed/Bedding Concessionaire. If you choose to violate this rule and bring your own bedding, you will be asked to remove it from the grounds immediately! This competition requirement will be strictly enforced by the Colorado State Fair Management team.
5. Animals must be registered purebred, fullblood or percentage blood Boer goats. Percentage Doe classes are for goats 50% to 88% Boer; fullblood classes are for does that are 15/16 blood (94%) and higher and 31/32 blood (97%) and higher for bucks. PROGENY OF FRESH DOES WILL NOT BE ALLOWED IN THE RING.
6. Entries must have tattoos, both left and right ears, indicated on the entry forms. NO EXCEPTIONS. Every goat must have legible tattoo(s) or other means of permanent identification consistent with its registration certificate or the animal will be disqualified. The top 6 in the class plus Champion and Reserve tattoos must be read as placings are recorded. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.
7. All Boer Goats must be appropriately identified and comply with USDA Scrapie Eradication Program Guidelines to have individual identification for Scrapie premise ID tag.
8. Pre-entry and Entry Fee are required. Entry must be made for each animal, per class, indicating Show A and/or Show B on entry sheet. Participants are responsible for their own errors and those of their agents in preparation of entries, there will be no refunds on exhibitor entry mistakes. Copies of registration papers shall be submitted at the time of entry – whether online or by mail. Entries will not be processed if no registration papers are included.

9. Copies of registration papers must be submitted at the time of entry. Entries that do not contain registration papers will be rejected. Original papers must be available for inspection upon arrival. All animals must be entered in the name of the registered owner and must have been owned by the exhibitor on or before July 20th. Proof of ownership shall be the name on the registration document. The base date for computing ages for entries shall be the date the animals are to be judged. Registration certificates are required for all animals over the age of 3 months.
10. All animals showing in group classes must have been shown in their respective individual classes. Only one premium will be awarded in group classes. The Champion and Reserve classes will be chosen from the first and second place animals in the division of the show.
11. Birth dates, as listed on the registration certificate, will be used to determine the class divisions.
12. All Boer goats must be broke to lead. At the discretion of the judge and the superintendent, goats may be let loose in the ring as a function of judging. Heelers will not be allowed in any classes.
13. Does and Bucks are allowed on the grounds. No animals will be allowed on the grounds unless a class is provided for them and the animal is regularly entered in that class. NO EXCEPTIONS.
14. Any goat showing any pronounced defect or abnormality will be barred from the show and asked to leave the grounds immediately. Artificial coloring, illegible tattoos, and tattoos inconsistent with registration papers will result in disqualification. Animals are to be shown in natural conformation and color. Grooming materials leaving any kind of residue are not permitted.
