2018 CENTRAL WASHINGTON STATE FAIR

PLEIN AIR PAINTING CONTEST

CONDITIONS OF ENTRY

Plein Air Painting:
A painting done outside rather than in a studio. The term comes from the French en plein air, meaning 'in the open air'.

Your subject matter is entirely up to you, since you only have one (1) day to complete your painting, be selective about the size and subject matter. Plein Air painting is about what you see and not what you imagine. Consider scouting out locations in advance to decide what you're going to paint and where you would set up. This way, when you head out to paint you can spend the whole day painting and take along the best selection of colors for that particular scene. The fairgrounds hold endless possibilities for creating your work of art. There's something about seeing an artist at work that makes people extremely inquisitive so before you decide to participate, be open to the idea that our fair attendees will be visiting with you, asking questions and may even offer suggestions.

Items to bring and suggestions:

- Painting supplies/easel (canvas can be prepared prior).
- If hot, sunscreen and a sunhat.
- Dress in layers that you can easily take off as you get hot or put on when you get cold.
- Fingerless gloves help keep fingers warm.
