WELCOME TO THE 152ND WALLA WALLA FAIR & FRONTIER DAYS!

Welcome to the 152nd Walla Walla Fair & Frontier Days! It's time to come enjoy the Fair again, the oldest Community Event that brings people and families together, generation after generation, for good times and great memories. As the oldest fair in the state of Washington, we are humbled by the opportunity to host you, your friends and your family to experience this great American representation of our heritage, the Walla Walla Fair & Frontier Days!

On behalf of the Fair Board, we would like to encourage you to come out and take in the activities in an action-packed week of ***your*** hometown Fair.

This year's Fair, we have several new and exciting activities to generate new experiences and lifelong memories of your time spent taking in the various attractions at the Fair. This all kicks off on Wednesday, August 29th, as we officially open the gates to the 2018 Walla Walla Fair & Frontier Days. Wednesday night we will feature the ***"Roots & Boots Tour 2018"*** sponsored by Pacific Power. The concert will feature three great country artists: Aaron Tippin, Sammy Kershaw and Collin Raye. These three acts will surely put on a great and memorable show. Thursday, August 30th come out and watch the dust fly and the cars collide in the annual ***Demolition Derby***. The following three nights you will be presented some of the best rodeo and animal athletes in the PRCA (Professional Rodeo Cowboys Association), with the ***Frontier Days Rodeo***. Friday, August 31st will be ***"Tough Enough to Wear Pink"***, attend dressed in your best pink rodeo gear and support the partnership with St. Mary's Foundation and generate some funds that will support the fight against breast cancer. Saturday, September 1st we will ***"Honor our Cowboy and Cowgirl Legends"***. And to wrap up the finale of the week of Fair, we will ***"Salute and Honor our Military"*** with a partnership and fundraising opportunity to complete the construction of the World War II Memorial.

In addition, we continue to have the ***Free Concert Series*** with ***Michael Ray*** on Friday and ***Grand Funk Railroad*** on Saturday night on the Columbia REA stage. Experience and enjoy the newly created concert venue with more space to accommodate and experience these great performers. We will continue to showcase the talents of many local bands on various stages throughout the grounds.

We would like to take this opportunity to express our strong appreciation to all the hundreds of volunteers who work to make the Fair a memorable experience. With the help of the community and numerous volunteers, we continue moving forward on the preservation and improvement of the Walla Walla Fairgrounds, a cherished community asset and treasure.

I feel honored and blessed to be part of this wonderful community and being able to play a role in displaying the agricultural, western lifestyle and heritage that was the foundation of this community, Valley and our country.

On behalf of the Walla Walla Fair & Frontier Days Board of Directors, Fair Manager and staff, I would like to welcome everyone to the celebration of the 152nd Walla Walla Fair & Frontier Days!

"Let'em Kick Since 1866!"

Sincerely,

Pat Reay, Board President and Rodeo Director
Board of Directors
Walla Walla Fair & Frontier Days

Welcome to Wall Walla Fair and Frontier Days!

It is exciting to invite you to this prestigious annual event that is truly the largest annual reunion of Valley people and a celebration of regional culture.

"Kickin' Up Pride, Valley Wide" is a fitting exhibition theme in that the Fair certainly celebrates and showcases the Walla Walla Valley's best in agriculture production, new technologies and diversified talents. "Let 'Em Kick Since 1866" – What a Brand! The long tenure of 152 years is admirable but by itself may not be the motivation to attend the Fair. Come see the events and exhibits new every year. Come for the food, the fun, the rides and for the people watching. Come to build timeless memories!

The most important paragraph within this note of welcome is to acknowledge the hundreds of volunteers who assist to host this gathering. They, together with the dedicated Board and Staff with the Board of County Commissioners strive to provide you with an experience worthy of your investment of time and money. We want to offer you a great value and truly appreciate your participation.

It is humbling to serve as the General Manager for Walla Walla Fair and Frontier Days. I promise to respect the wholesome traditions. Moreover, I promise to work hard with genuine enthusiasm to be a catalyst to grow the pride and support for this important institution. With the synergy of cooperation we will accomplish worthy goals.

Sincerely,

Bill Ogg, CFE , General Manager

BANNER BANK

The 2018 Walla Walla Fair & Frontier Days Distinguished Sponsor has seen numerous fairs come and go. From their very beginnings, here in Walla Walla 128 years ago, Banner Bank has been committed to helping businesses, families and individuals achieve their financial goals. Whether you're building a home or growing a business, their knowledgeable bankers work hard to get to know you and understand your needs, believing that's essential to offering the right solutions to support your success.

Banners approach is one reason Bankrate.com and Money Magazine recently named them the Best Regional Bank in the U.S., and why they made the Forbes list of America's 100 Best Banks in 2017 and 2018.

But what really makes at all worthwhile is their ability to connect with the communities they serve in Washington, Oregon, Idaho and California. "It's especially rewarding to see people come together for events like the Walla Walla Fair and Frontier Days, right here in our hometown. Banner has been more than honored to support this annual event and partner with the Walla Walla Fairgrounds for 20 plus years."

We are honored to present Banner Bank as the 2018 Distinguished Sponsor and look forward to many more years of partnership!

Walla Walla Fair & Frontier Days Royalty...

our Valley's Ambassadors to the Northwest

Queen Natalie Parsons is the 17-year-old daughter of Chris and Tina Parsons. She was born and raised in Walla Walla with her 13-year-old brother, Logan. She is a senior at College Place High School where she is an honor student and a part-time Walla Walla Community College student. Natalie is part of the basketball and golf teams, and was ASB Treasurer and Vice President. Natalie is also involved in the High School FFA chapter where she currently serves as President and competes in state trapshooting and livestock judging. Outside of school, Natalie enjoys being a member of the Milton Freewater Pioneer Posse where she served as the 2015 royalty court queen with her 16-year-old palomino Paint, Rich Rocket Wrangler, affectionately known as Patriot. She has had Patriot for 3 years now and they have learned so much together. During their time on the court, Natalie and Patriot strengthened their partnership through participating in parades and rodeo grand entries. Since then she has been busy packing flags for the Posse and competing in local open horse shows. They have been trained in western equitation, showmanship, trail and recently excelled in english equitation. Natalie has been participating in the Walla Walla Fair with her 4-H club, Trails and Rails, for the past nine years and has taken up showing FFA market steers for the past two years. When not on horseback, Natalie spends her time helping with her church's vacation bible school, hunting, fishing, and attending archery competitions through the Blue Mountain Archers. Natalie has a passion for kids and is a nanny during the summer. She takes the opportunity to teach kids about rodeo and what it means to be a horseman. She and Patriot are honored to represent the Walla Walla Fair & Frontier Days and continue to spread the word of rodeo which she loves.

Princess Emma Drivdahl is the 18-year-old daughter of Aaron and Lynn Drivdahl. She has two older brothers, Peter and Joshua Drivdahl. Emma graduated in June 2017 from Walla Walla High School where she was an active member in Blue Devil Strong, the Link Crew and competed in tractor driving, sales and service, livestock judging, Hall of Chapters and extemporaneous speaking teams for FFA qualifying for districts and state. Outside of school, Emma is a member of the Milton Freewater Pioneer Posse, attends Walla Walla Cowboy Church and coached youth soccer for Walla Walla Parks and Recreation. She has been a member of the Valley Chapel Boots and Jeans 4-H club. Since 2009 Emma has been a participant at the Walla Walla Fair and Frontier Days in both 4-H and FFA in several different divisions: sewing, modeling, baked goods, showmanship and confirmation for lambs, swine, and steers. In 2016, she started carrying sponsor flags for the Walla Walla Fair & Frontier Days rodeo. In her spare time, she enjoys time spent on her family's farm/ranch helping to work stock, laughing and enjoying her numerous cousins and grandparents. Her parents have taught her that some-times you can learn more while in the seat of your saddle with your 83-year-old grandpa than you can learn in the confines of four walls. Emma played soccer for several years and traveled with a Walla Walla Youth Soccer team while playing in the Hispanic league as well. She has participated in barrel racing and pole bending at the Pioneer Posse since she was 8 years old. One of her greatest accomplishments, she feels, is her horse. Emma bought her on her own with very little training and now she uses her horse to barrel race, stake race, pole bend, chase cows, carry sponsor flags, participate in run-ins and has been in numerous parades. She is very proud of her 8-year-old quarter horse Dolly, who Emma will use as her primary court horse. Emma plans to attend Walla Walla Community College for two years and then continue her education at the University of Wyoming to complete her degree in agricultural education. She would love to return to the Walla Walla Valley to be a high school Ag teacher when she completes her education.

The ladies of the Walla Walla Fair and Frontier Days Royalty Court are the goodwill ambassadors of the Walla Walla Valley. Their reign begins in October and soon they are on the road every week promoting the Valley at Fairs, Rodeos, parades and functions across Washington and throughout the northwest. This year Natalie and Emma represented the Walla Walla Valley from St. Paul, OR to Cheyenne, WY to Calgary, Alberta, Canada! This widespread exposure for the Fair and Frontier Days and the entire Walla Walla Valley is possible with the generous support of the Royalty sponsors.

2018 Walla Walla Fair & Frontier Days Parade Marshal

Jim Vinti

Passion and drive is an understatement for Walla Walla Valley farmer and rancher, Jim Vinti, your 2018 Parade Marshal.

Born and raised in our community, Jim's face and name is a standard not only at the Walla Walla Fair and Frontier Days, but also in 4-H and FFA programs. He came by it naturally – for over four generations now the entire Vinti family has been representing what it truly means to live and support the lifestyle we all believe in.

Jim started his agriculture dream by raising and showing dairy cattle, market beef and horses at the fair. Like most young adults, he switched out his 4-H attire for the FFA blue and gold as he continued to follow his dream to several championship titles.

Giving back to the community and programs that raised him, Jim became a leader of the Cowboy Cooks 4-H Club that specialized in cattle and horses. Every year he prided himself on helping his club and the fair by hanging signs, decorating the barns, and even using his own equipment and time to clean the barns in preparation for the celebration. In the past, he also served as Co-Superintendent for the horse department. Recently, as a member of the Walla Walla Team Penners Board, he and Dick Moeller headed up the crew who painted the Expo building after the club donated the paint. The club also provided a much needed and greatly improved sound system for use at all events held in the building. He's also a member of the Walla Walla Cattlemen's Association.

His community service and love for the fair didn't stop with just the livestock side of the event. He took his turn helping with the Fair Court in years past, he's a member of the Walla Walla Wagon Wheelers, and in the past helped with the Junior Wagon Wheelers.

During the Fair and over the past several years, he has been the official "hay and straw guy" for livestock and rodeo stock, as well as providing a home pasture for the bucking stock during their stay in Walla Walla for the rodeo.

Vinti and the big blue tractor can still be seen today working the rodeo arena for each performance. It takes a technician to transform hard dirt into rodeo perfection in a matter of only days. Vinti's passion more than paid off a few years ago when the PRCA's Columbia River Circuit awarded our rodeo the most sought-after award that can be bestowed upon a rodeo committee, the "Best Footing Award."

Providing pride and fame to our Fair & Rodeo is not the only support Jim continues to give.

He contributes financially to the Youth Livestock Auction, exhibits his prized alfalfa hay, and cheers on his niece when she shows her goats & cattle. He's a great example of agriculture today; personifying the agriculture family as not only our heritage, but also our future.

Hitch a Ride on a Fair Shuttle!

Fair Shuttles are sponsored by **Wheatland Village** & **Banner Bank** and run Wednesday, Thursday, Friday, Saturday 11a.m. to 11p.m. and Sunday 7:30a.m. to 11p.m. Shuttle awnings are located around the grounds and shuttle carts follow a path around the outskirts of the grounds and to the entrance gate to move people from area to the next. Volunteers drive the carts and are happy to give seniors and the weary a ride. Volunteers are from Providence St. Mary Regional Cancer Center, Banner Bank, Wheatland Village, Walla Walla Cruisers, Amvets and RIDER.

BEST IN THE NORTHWEST AWARD*

*The 2018 Big 4 Rodeo Award will be a Stoney Saddlery saddle displaying Big 4 Rodeos design work (value $7,000). The winner will be the contestant accumulating the most points while competing in ALL FOUR RODEOS. For rodeos with one go in an event, points will be awarded for 1st through 6th per dollar winnings in SB, BB, BR, TD, SW, TR, SR and WPRA Barrel racing. For rodeos with two or more go's, points will be awarded for 1st through 6th place on the average money for that event. Each team roping partner will receive the full points. To qualify for the Big "4" Award, contestants must enter and compete in all four rodeos. If a contestant competes in only one event, and that event is not held at all four rodeos, contestants must enter and compete at the rodeos that do hold their event. The winner will be acknowledged on December 5, 2018, during the Big "4" Rodeo Reception at the South Point Casino, Las Vegas, NV.

Walla Walla Frontier Days Rodeo Legends to be honored at Saturday Rodeo

Darrell Mayberry

Darrell Mayberry was born in Walla Walla in 1942 to parents Leon and Bonita Mayberry of Lowden, WA. The oldest of four children raised at fair events through the years including Pat Mayberry, Phyllis Mayberry Dial, and Mike Mayberry. Darrell attended Lowden grade school and Touchet high school graduating in 1961. During high school he showed livestock and played football. Darrell competed for many years as a PRCA, ACTRA and Pioneer Posse member and in amateur rodeo. He competed in bareback, bull riding, bulldogging, calf roping and team roping, traveling with Dick Kelly, and cousin Gene Hassler. At the Walla Walla Fair and Frontier Days rodeo Darrell competed in bulldogging and wild cow milking as well as Wagon Wheelers Sheriff's posse competing in relay races, calf roping and team roping. For many years, his father Leon drove the 59ers stage coach in the arena, where many grandchildren were given rides. Darrell turned a love of rodeo competition into a life of service at the Walla Walla Fair and Frontier Days rodeo volunteering for many years, which he shared with his family including Russ Krumbah, Mike Mayberry, and Brett Mayberry.

Darrell was honored to win the fair volunteer of the year award in the past. Darrell has been married to his wife Judy for 52 years, they live in Umapine Oregon and have two daughters Debby Mayberry and the late Nickki Mayberry Lamb and two grandsons-Tyler and Kaycee Sorenson.

Joe Bronkhurst

Joe Bronkhurst was born in 1955 in Spokane, WA, where he grew up riding horses and raising critters. In 1974, Joe moved to Walla Walla, WA to pursue an education at Walla Walla Community College in Collision Repair Technology. A year late, Joe realized that wasn't his cup of tea & switched his focus to the WWCC Farrier Program, under the late Curtis Tarwater. Since rodeo was such a big part of Joe's life, it was natural that he become a member of the WWCC Rodeo Team under Tim Corfield. He went to College Nationals in calf roping, steer wrestling and team roping. After college, Joe continued his passion for rodeo as a PRCA member for many more years, winning numerous championships.

In amongst the rodeos, Joe started shoeing horses with Ken Frazier and after years of hard work and dedication he was established as one of, if not the best, farriers in the county. He has built a loyal clientele that, to this day, depend on him. Joe has been the go-to shoer in Walla Walla for many years and has built not only a great business, but many great friendships.

In his "free" time, Joe runs cattle with his boys, Tyler and Trace, at the Snake River.

While they are busy with the cattle, his wife of 42 years, Kathy, can be found at home taking care of the place and the animals. Their favorite time of is the annual branding, which bring family and friends from near and far together.

During Fair every year, you can always find Joe behind the chutes at the Frontier Days Rodeo, where he has volunteered for twenty-plus years, helping wherever needed.

Tim Corfield

Tim Corfield grew up in Pendleton, Oregon. At Pendleton High School he varsity lettered in basketball, baseball and football. In 2006 he was inducted into the Pendleton Buckaroo Football Hall of Fame as a linebacker. While at Eastern Oregon State College, LaGrande, he played centerfield on the baseball team and in 1967 graduated with a BS in History. He then went on to earn his Master's Degree in Education at Walla Walla College/University.

But his true calling, it turned out was rodeo. Tim accepted his first teaching position at Wa-Hi in 1967. There he taught history, social studies and was the JV baseball coach. One of the first things Tim accomplished during his 10 years at Wa-Hi was to establish a high school rodeo team. He played an integral part in the creation of the Washington State High School Rodeo Association, which gets bigger and better with each passing year. From Wa-Hi, Tim moved on to Walla Walla Community College. It was there he began coaching the men's and women's collegiate rodeo teams. He recruited young cowboys and cowgirls from all over to come and compete for him at WWCC. Tim had a very successful career as Rodeo Coach. His coaching experience led to a long list of individual and team national champions. In 1992 his women's team earned the National Championship at the CNFR. Many of

While at WWCC, Tim also took on the duties of National Intercollegiate Rodeo Association Executive Secretary, moving the National Office to Walla Walla. Corfield stayed on as the NIRA Commissioner until 2001 when he retired. He continued to stay very busy following retirement, producing and coordinating the Columbia River Circuit Finals and Professional Bull Riding Events. His latest venture was producing Barrel Racing Events throughout the region. Tim was also a member of the broadcasting team that provided radio coverage of the Pendleton Round-up and the Farm City Pro Rodeo. Tim was selected to the Fair and Frontier Days Board in 2008, previously serving as bucking chute boss for years. The Bravest vs. The Finest was the brainchild of Tim's. His idea to honor Walla Walla's Police and Fire Departments competing against each other, started on a mechanical bull. First responders continue their rivalry on the ball field and basketball court.

Tim Corfield died August 8, 2009, surrounded by family, at Deaconess Hospital in Spokane at the age of 66. He leaves behind daughters Sabrina Geerdes, Ashley, husband Ben Lawyer, granddaughters, Hannah and Makayah, and fiancée Lori Brown.

Local Rodeo Legends Saturday, September 1

What does it take to become a legend? Hard work, dedication, distinction and merit are just a few of the qualities that describe our own local legends. You are invited to join us in recognizing our cowboy legends. Pull on your boots, shine up your buckles and polish up on your cowboy drawl.

2018 WALLA WALLA FAIR & FRONTIER DAYS HIGHLIGHT: RASCAL RODEO

The first time I remember being around special needs children was in elementary school when I became friends with a blonde-haired, blue-eyed, boy with down syndrome. I quickly realized that "hanging out" with my new friend, would bring taunting and bullying from the "normal" kids around school. Chris was in a segregated classroom with other "special needs" kids who were subjected to name-calling, bullying, and rocks being thrown at them. These kids were the only kids I've been around that didn't judge, never questioned and always trusted others. You could be yourself, and be confident whether you were wearing your brothers hand-me-down boots or going through one of your awkward stages. These were the children we could count on for always accepting you for who you are! While the other kids made fun of these special needs kids, I grew to love and value their friendships, as well as what I could learn from them.

I never forgot Chris and in high school I continued to run into him. He could be found every day holding the door for us and greeting us with high-fives as we walked thru. When it came time for my Senior Project, I knew exactly what I wanted to do. I wanted to give back to the kids who had given so much to me and taught me what it was like to be a true friend and love unconditionally as we grew up. I decided to organize my first exceptional rodeo. At 17 I had never organized anything like this, however, through the years I had accompanied my father to many community events he had organized where I picked up the tricks of the trade. Having such an amazing role model, I had the resources to reach out and continue our family's contributions to our community. I come by the passion of helping special needs people as my father was one of the first organizers for Special Olympics in the earlier years of it being offered in the Tri-Cities.

In June of 2001, I began the project and on August 22, 2001 my dream and the dreams of Arthur, Micah, Amber and John became reality. The first rodeo was a great success! The kids were the cutest cowboys and cowgirl who ever graced the Benton-Franklin County Fair Grounds! With both joy and pride, they competed in altered rodeo events and just as I was being interviewed by a local news station, and asked why I wanted to do the rodeo; in the background Amber caught the "calf" in the roping event. She jumped up and down and the crowd went crazy with cheers! At that point, all I had to do is point back at Amber in celebration and say a simple reply, "That! That right there was all worth it and why I wanted to produce this rodeo!"

After graduation I attended college in Portland, Oregon. Although I was busy with school, sports, and work, I never stopped thinking about wanting to work with special needs people. The experience of the rodeo was overwhelming and I felt that continuing these events would be a great service to my community and all involved.

I am blessed to be able to produce these rodeos, I am thankful for each and every person that has helped in many ways by donating financially, volunteering, or bringing a participant. I am excited to see RR grow and expand. God continues to guide me in my endeavor and my greatest desire is for this program to explode into hundreds of communities!

Be blessed, Ann-Erica Whitemarsh

Aaron Tippin

Aaron Tippin, who marks his 27th year as a recording artist, admits that he looks at his career longevity with a little bit of amazement. Prior to his RCA deal in 1990, he had almost given up hope for success as a vocalist, concentrating instead on his career as a songwriter, with cuts from the likes of The Kingsmen, Mark Collie and Charlie Pride. Then, Mary Martin from RCA heard him singing…and wanted to meet him. That was the start of his career with his first single, "You've Got to Stand For Something", hit the billboard country chart peaking at #6. From this single, Tippin received a call from Bob Hope's daughter, Linda, asking if he'd be interested in playing for the troops. Tippin didn't hesitate – never dreaming he would be on the Bob Hope show!"

The hits continued to pile up -" There Ain't Nothin' Wrong With The Radio," "My Blue Angel," and "Workin' Mans PhD" among them. His 1995 smash "That's As Close As I'll Get To Loving You" showcased a more dramatic side to his vocal approach, something that continued into his next label affiliation – as the flagship artist for Lyric Street Records.

Not one to let success go to this head, Tippin celebrated 20 years with his wife, Thea. Family is the center of his universe, with 3 kids of their own and a granddaughter.

As the new millennium dawned, Tippin returned to the top of the charts with "Where The Stars And Stripes And Eagle Fly", a song that became a part of the American Soundtrack during the aftermath of 9/11.

He has continued to tour and create new music to share with his fans, who he thinks of as family. "They have been so great to me over the years, and they're still coming out to the shows. That's why I still sign autographs every night. I just want to get out there and shake hands—just to say thank you."

Sammy Kershaw

Wednesday
Aug. 29
7:00 PM
Grandstand Arena

Sammy Kershaw has, since his debut on the music scene in the early 90's, remained one of the most consistent power hitters in country music – both with a chain of major hit records and sell-out touring schedules.

"Country music is not a formula…it's a music with its own soul…and I'm all about saving that soul!" says Kershaw in a recent national interview about his current album "Honkytonk Boots".

Often referred to as the "heir apparent" to the legendary "voice" himself – George Jones, Sammy Kershaw helped make the 90's a shining decade for country music. It's a comparison not lost on Sammy, who grew up in the Cajun country of Louisiana on a diet of crawfish and country music.

The oldest of four children, the tragic loss of his father, matured him faster than the clubs and honky tonks he was performing in at 12 years old. He speaks openly today of years spent battling substance abuse and addictions. "It's not a period of my life I'm proud of but I do talk about it to encourage kids not to follow in my footsteps." Helping others is a subject close to the heart that beats within what might often appear to be a tough, macho exterior. Sammy is, in fact, a softie when the subject turns to kids. In his hometown of Kaplan, Louisiana, he established the Sammy Kershaw Foundation whose outreach has extended through donations, so far of more than 2 million dollars in aid to children and child related charities. With projects that extend from granting wishes through "Make A Wish Foundation" to establishing camps for disabled children, the foundation exists to fulfill Sammy's simple goal of improving the lives of children. His contributions have been made to more than the just the charts. His platinum albums were propelled into the record books by hits such as "She Don't Know She's Beautiful," "I Can't Reach Her Anymore," "National Working Woman's Holiday," "Love Of My Life," "Cadillac Style," "Don't Go Near The Water," "Haunted Heart" ……and many other milestones!

Collin Raye

Collin Raye is one of the true hit makers of the 90's! He continues to crank out soulful, heartfelt material with the honesty and richness that is signature to his vocals alone. With 24 top ten records, 16 #1 hits and a 10 time male vocalist of the year nominee(5 CMA/5 ACM), this truly electrifying performer remains one of the great voices of our time!

Collin shot to fame with "Love, Me," in 91. When "Little Rock," an anthem for those struggling with addiction recovery, hit the charts in 94, its video led to over 100,000 phone calls to Alcoholics Anonymous from folks seeking help in their addictions. "Not That Different" was a song that pleaded for tolerance. "In This Life" became a wedding favorite and "I Think About You" won awards for its song and video which exposed the exploitation of women and children. He has also blazed through such vivid rockers as "My Kind Of Girl," That's My Story," "I Can Still Feel You" and "I Want You Bad."

Collin consistently uses his stardom to advance social causes, among those he has supported are Boys Town, First Steps, Al-Anon, Special Olympics, Country Cares About AIDS, Catholic Relief Services, Parade of Pennies, Vanderbilt Children's Hospital, The Tennessee Task Force Against Domestic Violence, The Emily Harrison Foundation, Childhelp USA, Silent Witness National Initiative, Easter Seals, The Life and Hope Network and Make a Difference Day.... so it came as no surprise when in 2001 at the Country Radio Seminar, Clint Black presented Collin with the organization's Humanitarian of the Year award in recognition of Collin's issue-orientated music and his tireless charity work.

Collin's new outreach is very personal. In 2010, after the loss of his precious 10 year granddaughter, Haley, Collin and his daughter Brittany established The Haley Bell Blessed Chair Foundation to honor her memory. The Foundation supports and assists families of the cognitively and physically disabled with a primary emphasis on supplying wheel chairs and other necessary medical equipment.

The man who topped the charts with such great songs as "On the Verge," "One Boy, One Girl," "What The Heart Wants," "Every Second," "That Was A River," "Anyone Else," and "If I Were You", continues to touch hearts across the globe in both traditional and new ways.

Collin wrote a very special song for Haley, "She's With Me," which carries a powerful message for families of special needs children. Additionally, in 2011, Collin released his 1st inspirational album, "His Love Remains," which shot to #1 on Amazon for religious and inspirational music.

WALLA WALLA WAGON WHEELERS

Walla Walla Wagon Wheelers has put together an amazing display featuring their history. The Walla Walla Wagon Wheelers is one of the oldest organizations in the Walla Walla Valley being established in 1936 during the Whitman Centennial Celebration. In the past 60 plus years this service club has a lot of accomplishments to make it's members and community proud.

HONOR THE PAST... LOOK TO THE FUTURE!

In 1866 this community started a great event…..for generations, the Fair has continued due to the dedication & support from thousands of business', families, groups, organizations, volunteers & patrons. This is evident as you read the bricks already in place, we have a fantastic community!

Bricks purchased over the last 4 years are in place….. and what a story they tell!! Pavers are being used to enhance the main walkways by Pavilion and Floriculture Building.

Family names, business', memorials, groups, organizations, and many special messages adorn our walkways.

Become a part of History and leave a lifetime legacy for generations to come.

Bricks are $50 for a 4x8 engraving and $100 for an 8x8 engraving. For more information go to www.wallawallafairgrounds.com or www.bricksrus.com/order/wwfair and order online. The brick order form can be picked up at the Main Office & Exhibitors Office during Fair.

WELCOME
TO THE 152ND WALLA WALLA FAIR & FRONTIER DAYS

We proudly invite you to attend the 152nd annual Walla Walla Fair and Frontier Days, where there will be lots of "Kickin' Up Pride, Valley Wide!".

Although the emphasis is always on family, each year the Fair Board & Staff work hard to provide even more free, family-friendly events at the Fair, and this year they have outdone themselves. New this year: Terrance B, celebrity hypnotist; Many Waters Pony Races (inflatable pony races – ride or watch the "hop to the finish line"); Ladies Breakaway roping added to PRCA Pro-Rodeo events – and more. Returning by popular request: Express Clydesdale Team and the Legendary Longhorns – you won't want to miss these gentle giants; the WA Centennial Farm Display (hundreds of years of combined history from local farmers); antique tractor show; daily Car Shows; Motorcycle Show; Monster Mural, and lots more! Check out the Columbia REA Stage location expanded area for fans to watch concerts, and don't miss the Rascal Rodeo. Daily there are free competitions to watch, entertainment on the Pepsi stage, and lots of displays. For the younger Fairgoers check out the Kids Farm Center and mini tractor pull, Mutton Bustin', plus other events tailored just for them…..all lots of fun.

As always, the Fair starts off, and remains, fast-paced, opening at 11 a.m. on Wednesday, when all exhibits are in place, and that night you can enjoy the Roots and Boots Tour, with three great entertainers! Friday and Saturday on the Columbia REA Stage you can enjoy Michael Ray and Grand Funk Railroad respectively – both concerts free with gate admission. For excitement, there's the Demo Derby Thursday night, then you can watch Professional Cowboys, Cowgirls and livestock perform under the stars Friday, Saturday, and Sunday nights at the "Greatest Night Rodeo on Earth". Along with all the thrills the Davis Carnival offers, each day you can watch exhibits being judged and contestants performing. Downtown Saturday morning is the grand parade, and afterwards head back to the fairgrounds and get ready to cheer on the visiting royalty and Cowboy Legends at the rodeo later. Sunday morning in the rodeo arena you are invited to attend Cowboy Church, and later you can help the hard working 4-H and FFA members by making a purchase at the market stock sale. That night during the rodeo a special tribute is offered to our troops – it's something you won't soon forget.

Once again we offer congratulations and thanks to the general manager, Board of Directors, staff, Frontier Days Foundation, exhibitors, and the many, many volunteers who have been planning and preparing for months to make the Fair, and everything it has to offer, an unforgettable experience. The fair board and manager have once again put together a fantastic offering of things to see and do every day of the fair, and we would invite you to look at the new Fairgrounds website http://wallawallafairgrounds.com/ for special fair and fairgrounds information.

Come on out to our biggest annual event and visit with your friends and neighbors while you eat some one-of-a-kind fair food and take a look at the many exhibits and events available. We encourage you to make this a family event and enjoy the Labor Day Weekend at your Fair and Frontier Days, and look forward to seeing you at the 2018 Walla Walla Fair and Frontier Days while we all do some Kickin' Up Pride, Valley Wide"! Thank you.

Walla Walla Fair & Frontier Days Board of Directors

Pat Reay, President

Board Member for 9 years
Director of Rodeo

Over the nine (9) years on the Fair Board, Pat has had the privilege of directing the Kid's Farm Center, Security and the Frontier Days Rodeo. He has held the positions of Treasurer, Vice-President and President on the Fair Board. Pat is the Executive Director for the Port of Walla Walla for the past two years, where he has enjoyed the ability to work with many local businesses and community partners in the region. Prior to his position with the Port, he served 12 years as the City Administrator for the City of College Place. He has been active with several community organizations, including the Chair of the Walla Walla Community College "Ride Against Child Abuse" College Rodeo, N.W. Intercollegiate Rodeo Finals Association, Sunrise Rotary, RMEF Walla Walla Chapter, member of the Board of Governors for the Walla Walla Community College Foundation and a Past President of the Walla Walla Exchange Club. Pat and his wife Emily, who owns Reflections Salon in Walla Walla, look forward to celebrating the 152nd Walla Walla Fair & Frontier Days. Come out and participate in the oldest fair in the state of Washington. Let' em Kick since 1866!

Kevin Smith, Vice-President

Board Member for 6 years
Director of Facilities, Brick Fundraiser, Agricultural Display & Equipment, Long Range Planning Committee

Kevin, owner of Smith Brothers Lawn Care & Landscaping, is excited to be following in his Grandpa Bud Christensen's footsteps as a Fair board member. He has participated in 4-H and FFA programs and has been a volunteer for the last 19 years helping in the barns, demolition derby and track preparation. Kevin, wife Chelsey and their children Hunter and Quincy, will be spending their time around the livestock barns. The Frontier Days Fair & Rodeo are an important part of this community and they are honored to be a part of it. Let 'em kick!

Miriam Grant, Secretary

Board Member for 4 years
Director of Showcase & VIP Corral

Miriam is the Managing Broker of the Walla Walla Blue Mountain Realtors. She was born and raised in the Walla Walla Valley. Miriam has been a dedicated volunteer and board member for many organizations including the Blue Mountain Humane Society, Prescott Lions Club, French Town Hall Board, MF Pioneer Posse Board and the YWCA. Her family has deep roots in agriculture and livestock. Her involvement with the Walla Walla Fairgrounds is a family tradition. As a youth she was active in 4-H, FFA and rodeo. She and her husband Mark are in real estate as well as farming and ranching. Together they have 5 children and 3 grandchildren. Miriam is honored to serve as a member of the Board of Directors and looks forward to seeing you at the 152nd Walla Walla Fair & Frontier Days on Labor Day Weekend.

Charlie Barron, Treasurer

Board Member for 5 years
Director of Royalty & Finance

Charlie is President/CEO of Walla Walla Electric and a Project Manager, Estimator & Journeyman Electrician. He has been involved with many community groups such as the Waitsburg Lions Club, Walla Walla Exchange Club, 4-H projects, as well as Fairs & Rodeos for some time. Fairs have always been an influence in his life and he is looking forward to preserving the future of the Walla Walla Fair for our youth. As the Royalty Director, Charlie, wife Tracy and their children Caleb, Makenna & Carter have spent nearly every weekend since April traveling to rodeos with the Royalty and they look forward to seeing the community come together for a fantastic 151st anniversary celebration!

Sam Waldron

Board Member for 9 years
Director of Concerts, Beverage Services

Sam is a born and raised Walla Walla Valley resident, he is a past 2 term President of the board of directors. He has been involved with the Fair & Fairgrounds most of his life starting years ago with his family in 4-H, FFA, Shows, Rodeos, and has been involved with many volunteer service clubs and organizations. He is a 28 year employee at Don Johnson Trailer Sales and enjoys dealing with people from all over the country. Being a cowboy has always been his family way of life and the ties run deep throughout the valley. "It has been a great privilege to serve on the board of directors for 9 years and help to bring the WWFFD to where it is today, we have made a lot of positive changes and I look forward to many more in the coming years". Sam is looking forward to the Fair this year and giving back to the community. Thank you all for your support & Friendship !!

Travis Locke

Board Member for 5 years
Director of Security, Parking, Gates, Wagon Masters, Emergency Plan, Shuttle Cart

Travis was born and raised in Molalla, OR, where he was active in the agricultural community and participated in many equestrian based sports. He relocated to Walla Walla in 2004 and began working for Herring Groseclose Funeral Home as a licensed Funeral Director. Travis is active in the community as a member of many clubs and organizations and has served the Walla Walla Valley and the Fair & Frontier Days for 5 years!

Stan Bly

Board Member for 3 years
Director of Demolition Derby, Frontier Days Parade

Stan Bly and was born and raised on a wheat farm in the Walla Walla Valley. He participated in 4-H & FFA programs in his youth and is no stranger to our Fair! Stan enjoys the atmosphere of "family" that the Fair brings & hopes to carry on those traditions. He is proud to be a Director on the Board and looks forward to serving the Fair and our community.

Sandi Rowe

Board Member for 2 years
Director of Downtown Involvement Promotions, Motorcycle & Car Shows and Souvenirs

Sandi was born and raised in Joseph, Oregon and is the granddaughter of the late Harley Tucker who was the stock contractor at our Fair for many years. She is a former member of the Chief Joseph Days (1986) & Pendleton Round-Up (1988) Courts. In 1991, Sandi organized an equestrian group that opened for each rodeo performance for Chief Joseph Days, The Tuckerettes. She is married to Nathen Rowe, a plumber with Alden Plumbing and she has two sons, Kolton Kolbaba who lives in the Los Angeles CA and Derek Kolbaba who is with the PBR. Sandi has been with Community Bank for 28 years and is currently the AVP/Business Development Officer. Sandi's community involvement includes President of the Walla Walla Exchange Club. She is involved with Junior Achievement of Washington. Sandi is excited to be a part of a great team on the Walla Walla Fair & Frontier Days Board of Directors and is looking forward to a successful event this year and in the years to come!

Jim Peterson

First Year Board Member
Director of Competitive Exhibits, Kids Farm Center & Exhibitor Camping

Jim has lived his entire life in eastern Washington. He grew up on a farm in Lincoln County and graduated from WSU. As a youth Jim was active in 4-H and FFA. He showed steers and hogs at the Spokane Junior Livestock Show and the Lincoln County Fair. Jim was on the State FFA Livestock judging team and served as State FFA President. After college, he moved to Walla Walla in 1972 and worked at Walla Walla Community College as an instructor and administrator for 43 years until he retired as VP of Administrative Services in 2015. Jim has been active in many organizations in Walla Walla including the Chamber of Commerce, Exchange Club, Community Council, Blue Mountain Land Trust, School District Facility Task Force, and Christ Lutheran Church. Jim has two adult daughters and is married to Kari Isaacson. Jim invites everyone to celebrate our beautiful valley and its talented people at the Walla Walla Fair and Frontier Days.
