DEPARTMENT 13

VEGETABLES

Pre-register by July 18

Entering Saturday, August 19, 9:00 A.M. to 5:00 P.M.

25 entries per exhibitor per Department and one item per class
Maximum

*In selecting vegetables for exhibition, choose such specimens that would bring the highest market price. Do not select the largest, select medium size specimens.
*The following are factors considered by judges:
- *Trueness to variety type. If at all possible, pick the specimen from one variety.
- *Uniformity in shape, size and color.
- *Be sure to pick out a perfect specimen, then select the others as similar to it as possible.
- *Never mix specimens of different maturity.
- *Protect from dirt, disease, infection, and mechanical damage.
- *Select specimens that are perfect and show no blemishes of any kind.
- *Condition and maturity. Be sure exhibits are of high quality.
- *Potatoes should not be washed. Remove all soil using a soft cloth or brush.
- *Tomatoes should have stems removed. Carrots, beets, etc. should have tops removed from vegetable leaving about two inches of stem.

*Read premium material carefully, following all rules and regulations. If any entry requires a specific number of specimens, be sure to exhibit the stated amount. Exhibits will be disqualified if the correct number is not entered.
