1015 - Tiniest Flower (must be identified)

Section 6
Specimen Flowers – Perennials

*No shrubs or wild flowers allowed.
*Exhibits in the division must be cut flowers grown by the exhibitor and must conform to the number of blooms, spikes, or stems specified in each class.
*The number in parenthesis indicates the number of blooms, spikes, or stems required of each entry.
*Display foliage of flowers but nofoliage inwater.
*The uniformity of height, color and size is an important factor in evaluating entries.
*Flowers in each entry must be of one color and variety unless otherwise stated.
*All exhibits to be in jars except tall specimens are to be in 2 liter soda bottles or other size appropriate bottle.
*Entries for most unusual must be identified/labeled.
