Bio Poem Outline

The **Eclipse** Windmill

Who is

22 1/2 ft tall, Round, **Self Governing**

Loves to

turn fast, give water, generate **electricity**

Who fears

windless days, Big Birds, the faucet

Who needs

**wood, steel & wind**

Who gives

water, electricity and hope

Who would like to see the future bring

more turbines, less power lines, more natural energy

Resident of

**New England** & the Panhandle

The Dandy
