You will REGISTER on-line at www.mcfa.org/events/2018/youth-rodeo-events

Registration will be open for 4 weeks, there will not be a time limit/first come-first serve selection as a means to guarantee your child is designated for a performance. Final selection will be based on the outline below:

REGISTRATION: You will **select ONE (1) event per child** to participate in. Each child may only participate in ONE event per year. If your child is registered for more than one event, Fair Officials will make the determination of which event he/she will advance with. You will be sent a general email response for each registered participant to serve as your confirmation that the registration process is completed.

SELECTION: Once registration closes, MCFA Fair Officials will utilize a program for randomized computer selection to select the participants for all 3 performances of youth events. The program will select the participants for each event using only a randomly assigned registration number and will also select a wait list for each event.

NOTIFICATION: Randomly selected participants will be notified by the Fair Office the week of 3/5/18 via email and mail. You **MUST** call the Fair Office to confirm your acceptance and participation by Monday March 21, 2018. If we do not hear from you, your spot will be forfeited and will be filled from the waiting list.

DISCLAIMER: MCFA Fair Officials understand and respect the very sensitive schedules your family must keep, however, in efforts to adequately fill all performances, please note that you WILL NOT be permitted to select date preferences (the random selection program does this).
