A Letter From the President of Expo Center of Taylor County

Howdy, folks! We are excited to welcome you to Abilene, Texas for the West Texas Fair and Rodeo. With the crazy times in which we live, we are still on schedule to host the Fair and Rodeo from September 4-19, and are pleased to offer an extended Livestock Show from September 4-19.

Please know that the Board of the EXPO Center of Taylor County and Staff are following the directives of local and state health agencies, and will have procedures in place to better protect the exhibitors, families, and guests.

We are looking forward to seeing all of y’all in September. For up to date information regarding the status and schedule of the fair and livestock show, please visit our website at www.taylorcountyexpocenter.com.

Sincerely,

Doug McIntyre, PhD
President
EXPO Center of Taylor County Board
Statements from the Livestock Staff & Superintendent

Katelyn Horner

Katelyn Horner grew up on a ranch near Tuscola, Texas, where her family raises Brangus cattle. She attended Texas A&M University and obtained a Bachelor of Science in Agricultural Economics. Katelyn then went to work for Rodeo Austin in their marketing department for two show seasons. Katelyn enjoys working at the Taylor County Expo Center because she finds it very fulfilling being a part of the team that works to put on the West Texas Fair & Rodeo which was the first place she stepped in a show ring at the beginning of her lifelong show career.

Aspen Dick

Aspen Dick is from Ovalo, Texas, and grew up showing market lambs, goats, and swine. She attended Texas Tech University where she earned a Bachelor of Science in Agricultural Communications. Aspen interned with the San Antonio Livestock Exposition, where she gained valuable experience working for a livestock show. Aspen’s favorite part of the West Texas Fair & Rodeo is the livestock shows. She enjoys seeing the youth exhibit their livestock projects while also forming friendships with other exhibitors and learning valuable life skills. Aspen enjoys being a part of the Taylor County Expo Center because she can make an impact on her hometown and livestock exhibitors across the state of Texas.

Kit Horne

Kit Horne is originally from Coleman County, Texas, but moved to Abilene, Texas, in 1982. His long volunteer history at the West Texas Fair & Rodeo, beginning in 1982, is what led to him being asked to serve as the Livestock Superintendent for the past 29 years. He started as a volunteer announcing the Hereford show at the West Texas Fair & Rodeo and in the years following, he was asked to announce other shows during the fair. Kit has used experience at the State Fair of Texas serving as the Steer and Open & Jr. Breeding Heifer superintendents to help improve the West Texas Fair & Rodeo year after year. His favorite thing about the West Texas Fair & Rodeo is the breeding livestock shows. Kit commends the Taylor County Expo Center’s staff for being amazing to work with to create a great livestock show during the West Texas Fair & Rodeo each year. From the grounds crew to General Manager, Rochelle Johnson, he is amazed at their dedication year after year in working diligently to put on a top-notch show for the exhibitors and community to enjoy. Kit also wants to personally thank all of the volunteers at the West Texas Fair & Rodeo because he knows the show would not be possible without their hard work and dedication.

Any animal found to be in violation will be barred from

a) Show management reserves the right, at its discretion, to check the weight and height of any animal.

8. Showing of animals
a) Participants in this youth (3-8) may have help in ring.
b) All participants may have parental, sibling, or other participant accompaniment in the show ring.
c) All Youth participants are to handle the majority of the showing, and the use of the show stick. Assistants may help in the control of the animal only and will not assist with setting up of the animal.

9. Show harness
a) All Youth exhibitors will be required to wear a show number harness for each animal shown in a class. These harnesses hold the number in place in plain sight.

10. Showmanship
a) Any exhibitor who shows unassisted may compete in this class.
b) Animal must be owned and entered by participant to show in this class.
c) There will be two classes (3-8) and (9-19).

11. Safety
a) The purpose for the Youth steer classes is to offer the opportunity to young cattlemen & women to participate in cow shows despite their lack of age required to show in a Youth Show. In many cases, these young people have spent HOURS at the barn with their parents and siblings working "show calves". To go to a show and not be allowed to participate can be boring and tiresome for those with less than developed attention spans. Although the rules and regulations have been set, Safety is the most important factor in this event. We want these young agriculturalists to enjoy their showing days, from the beginning on up, so please, make sure the children and animals are prepared to participate. Animals can be unpredictable, but the more time the exhibitor spends with the animal prior to the show, the better you can expect it to cooperate when the surroundings change.

12. Animal Health
a) Animals entered must be within the guidelines of the Livestock Health Requirements. Certificate of Veterinary Inspection current, within 30 (thirty) days is required and must be presented upon arrival, at Gate J, to be allowed onto the grounds. Brand
inspections are required from areas within Brand Inspection Areas. Please check carefully the guidelines for each show, as they are similar but somewhat different.

ELIGIBILITY OF EXHIBITS
A. All entries in this department are subject to the General Rules and Regulations, the Junior Livestock Show Rules, and the Special Rules of this department.
B. Certificate of Veterinary Inspection current, within 30 (thirty) days is required and must be presented upon arrival at the gate to be allowed onto the grounds.
C. Animals must be registered in the International Brangus Breeders Association (IBBA) to be eligible to compete in an IBBA-sponsored show. The original registration certificate for each entry must be available for presentation to the superintendent or show manager at the time entries are verified prior to judging.
D. The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by the IBBA.
E. The registration number, permanent animal identification number (brand or tattoo), birth date and sire of each animal entered in an individual class must be listed on the entry form.
F. Prior to check-in, heads of breeding animals must be clipped of all hair (including topknots) and be free of scurs and/or slick spots.
G. Any animal found to have scurs and/or slick spots, or evidence of incisions, surgical or otherwise, in the following areas; head, testicles, sheath, navel or dewlap, will be disqualified from showing.
H. Any animal upon check-in which does not have a legible tattoo or brand corresponding to its registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at the show. The brand/tattoo can be corrected and rechecked at the next available show.
I. Any Brangus animal recorded in the IBBA registry that has a “Parentage Dispute” listed in its first three-generation pedigree is ineligible for participation in Brangus shows and exhibitions. If the dispute is resolved, the listing will be removed from the pedigree and show eligibility will be restored.
J. In IBBA sanctioned shows, no animal may be shown that has been artificially filled with any amount of liquid at anytime once the animal enters the grounds of a show. The fitter or ranch entity involved with an animal being artificially filled will be banned from the show ring for one year and the animal will be disqualified from exhibition at that particular show. The official show veterinarian may administer liquids orally, if so needed, without disqualifying animal(s) from exhibition.
K. No animal may be shown that has had any foreign objects glued to or otherwise attached in a manner so as to alter its conformation or change its appearance. Tail ties and hair nets used on the tail and switch are the only exceptions.
L. Entries that have not complied with all of the above rules will not be eligible to show, to receive premium monies, or earn points in the IBBA’s Show Sire of the Year, Show Bull of the year, and Show Heifer of the Year awards.
M. All IBBA and IJBBA members will abide by the show rules as adopted. In addition, any show, fair, event or display in which Brangus cattle participate should follow these rules as adopted by IBBA. All Brangus entries are subject to the provision of a rule of the IBBA entitled “Inspection of Exhibits”.

SPECIAL RULES
A. All entries in this department are subject to the General Rules and Regulations, the Junior Livestock Show Rules, and the Special Rules of this department. TJBBA Rules will be recognized over WTFR Rules.

C. There is no limit to the number of heifers an exhibitor may enter. Entries may be made online by the exhibitor.

INSPECTION OF EXHIBITS

2. Each exhibitor shall submit his or her registered Brangus cattle to such tests and examinations as requested and/or required by the IBBA, its authorized representatives, or those of the relevant show.

3. For, and in consideration of, the opportunity to participate in any Brangus function, each exhibitor hereby releases the IBBA, its officers, directors and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decisions there from.

4. Dental Inspection: All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by IBBA in order to determine whether dental development is within allowable limits for the class entered. If the veterinarian determines that, in his or her opinion, dental development exceeds maximum allowable limits, the animal shall be moved to an older class as determined by the veterinarian and shall remain in that class until determined otherwise by subsequent mouthing or favorable appeal to the IBBA Executive Committee. If it is not possible to move an animal, the animal may not be exhibited in such show.

5. Any exhibitor desiring to dispute or challenge the results of any such test, exam or show rule enforcement as applied to his or her animal shall do so in accordance with procedures established by the Rules of the IBBA.

6. Appeal: An appeal from the decision of the veterinarian or IBBA-designated association representatives under sections 1 and 4 of the “Inspection of Exhibits” may be made to the Executive Committee of the IBBA if the following requirements are satisfied: 1) The appeal is in writing and is signed by the appealing party, and 2) the appealing party file the written appeal with the IBBA Executive Committee as soon as possible after the veterinarian’s or designated association representative’s decision was made. If an appeal satisfying the foregoing requirements filed with the IBBA Executive Committee, then said committee shall hold a hearing at which the appealing party, and the veterinarian or designated association representative whose decision is being appealed shall present statements and other evidence that are relevant to the matter, following which the Executive Committee shall render a decision which shall be final and conclusive.
