2. The Texas Stars Junior Gilt Show is open to gilts only. They must have been bred, farrowed and raised in Texas and have a CTBR Certificate. CTBR Certificates are furnished to eligible breeders, so exhibitors should request the certificate from the breeder of the animal. PUREBRED (PEDIGREED) GILTS ONLY- The breeder's name listed on the CTBR Certificate must match the breeder's name listed on the official registration certificate issued by the breed association.
3. PUREBRED GILTS- In addition to a CTBR Certificate, exhibitors with Pedigreed gilts will be required to present **original registration certificates** which indicate the gilt to be Texas Bred. Animals must be registered in the herd book of their association **in the name of the junior owner** on or before December 1st, the year preceding the show. PHOTOCOPIES WILL NOT BE ACCEPTED. Superintendents will collect original registration certificates at check-in. **In addition to the original copy of the registration certificate the exhibitor will be required to furnish a photo-copy for show ring verification purposes.**
4. All gilts entered in the Texas Stars Junior Gilt Show must be validated in the Texas 4-H and FFA Swine Validation Program. Gilts must be listed on an official Swine Validation Form between November 1 and November 30. Exhibitors must have owned and cared for their animals continuously since November 30, 2012. Show management will make the final decision regarding any potential disqualification.
5. There is no limit on the number of entries each exhibitor may enter, as long as each entry meets all requirements.
6. Health papers along with other testing will be required, as some of these animals have potential to be leaving the state. Please check Animal Health Regulations for the 2013 Stock Show for complete requirements for all gilts exhibited in the 2013 Show. Health papers must be submitted to show officials at check-in when papers are checked or weights are turned in, whichever is applicable.
