

West Virginia's premier arena for performance and exhibition.

Charleston Civic Center Coliseum is the region's largest and most modern entertainment and event complex. Over 30,000 square feet of space and seating for up to 13,500 make it the premier venue for trade shows, conventions, staging concerts, sporting events and attractions of the grandest proportions.

WELL POSITIONED FOR MAXIMUM MARKET ACCESS

The Charleston Civic Center Coliseum offers strategic market access. Three interstates converge in Charleston. The Charleston/Huntington MSA is in the nation's top 50.
