Tuscon is a 6 year old bay gelding. He is super gentle and anyone can walk up to him in the pasture and halter him. My 18 year old daughter has roped steers on him. He has started roping steers on the heading side. He has been well started on the barrels, and he knows what a barrel pattern is. I believe that he has a great future in the barrels. He has done lots of ranch work, he is good for the farrier and is 100% sound. FMI call Lana 605-999-6628.

Shooter is a 4 year old sorrel gelding that has been used extensively outside and in the arena. I have doctored cattle and dragged calves to the fire on him. Shooter has been heeled and breakawayed on also. He has always been easy going with no buck or fuss. He has been hauled in the heeling and ready to go in the breakaway. He has a nice deep stop and is strong to the horn. Shooter is very gentle and anyone in the family will get along with him, whether you are looking for a solid ranch horse, jackpot horse, or a horse for the kids this horse will please. FMI please call Sam Huffman at 605-569-0590.
