3. Any exhibitor failing to make contact with the Livestock Superintendent within 12 hours may be issued an automatic 2nd citation.
4. Any exhibitor receiving 2 Red Tag citations during the fair will be declared ineligible for further competition, including participation in the Junior Livestock Auction. The exhibitor will forfeit all fair premiums; awards earned & required to remove the animal exhibit from the fairgrounds.
5. Any exhibitor that is required, under the provision of the Red Tag Policy, to remove their animal entry from the Fairgrounds, must do so within 12 hours from the time of notification.

Rules and Procedure

WEIGH IN – For exact weigh-in times please refer to the livestock schedule. Animals failing to meet lower weight limits may be entered in feeder classes, and shown in species showmanship classes. Market animals will be divided into classes by the Livestock Superintendent after weigh in.

MUZZLES - Exhibit animals will NOT be muzzled while on the fairgrounds (State Rule VIII: 15).

EXHIBITING - All market animal exhibitors must exhibit their own animals, and sell their own animals through the Jr. Livestock Auction, and must be dressed in official uniform. If an exhibitor has two animals in the same class, they must have another exhibitor in uniform show the additional animal. Exceptions to this rule can be made only by permission of the Livestock Superintendent and Fair Manager upon written request from the exhibitor stating the reason for the absence. Letter is to be presented to the Livestock Superintendent by 9:00 AM Wednesday of fair week.

BRAND INSPECTION - A brand inspection AND a yellow transportation slip will be required at weigh in for beef. If the animal comes from the exhibitor's cow, a signed statement must be included stating this is the case.

All California Fairs are governed by the California Department of Food and Agriculture, Fairs and Expositions State Rules. Copies of the California State Rules are available from the Livestock Office. Violation of State Rules is an automatic disqualification from showing, and can mean an exhibitor may be barred from showing in the future at any California Fair. All livestock exhibitors are subject to the State Rules.

5. To sell an animal at the Glenn County Fair you must be a verified resident and or student enrolled in a Glenn County School or the Glenn County 4-H Program. If you are not a Glenn County resident you must submit a letter of intent to sell to the Fair Office prior to fair entry deadline. You must provide proof of insurance and daily supervision by an advisor or guardian. The Princeton High School FFA and Capay area 4-H and FFA members will be disqualified only if they have sold animals at another fair's Jr. Livestock Auction.
6. All 4-H members must meet Glenn County 4-H Council participation requirements.
7. All 4-H and FFA members should attend the livestock/exhibitors meeting Tuesday of fair week at 6:30 PM at the Pageant Stage.
8. An animal to be sold must have been owned by the seller and be part of the recognized project for a period of at least 120 days for market beef, beef replacement heifers owned by November 15, of the previous year, 60 days for lambs, hogs, goats and 30 days for rabbits and fryer chickens. If an exhibitor is unable to show and sell due to medical reasons, but all entry and ownership requirements have been met, the animal may be shown and sold with approval of the JLA, CEO, and Livestock Superintendent.
9. **IMPORTANT!** Any exhibitor who treats an animal in an unethical or inhumane manner will be given a verbal and written warning by an adult species superintendent or the livestock superintendent. The infraction will result in notification of the exhibitor's parent, leader, advisor or school authority. If the issue persists the infraction will result in expulsion from the fairgrounds of the exhibitor, livestock entries, loss of premiums and participation in the junior livestock auction. Also see Glenn County Fair's grooming rules and red tag policy.
10. All animals eligible for the sale must have been shown as individuals in their respective market classes. Beef, lambs, goats and hogs grading as market ready, as required, may sell. All fryer rabbit and chicken pens of three, which make weight and grade, may sell.
11. Each exhibitor will be limited to one animal or pen to be sold through the sale and one beef replacement heifer.
12. The top two animals in each weight class will be shown for Division Champions. The champion animals from the 4-H and FFA divisions will show for the Grand and Reserve Grand Champion. All champion animals will exhibit the Champion Sign provided by the fair. If one exhibitor has more than one animal selected as a species champion, the exhibitor must choose one animal to be sold through the auction. All division champion and reserve champions must sell as limited in Rule 10.
13. It is the responsibility of the exhibitor to tell the livestock office immediately after the species show which animal the exhibitor wishes to sell if two animals qualify for the sale. If a declaration is not made by the exhibitor immediately, the highest placing animal will be sold in the auction sale. All animals which are not to be sold in the sale must be removed from the fairgrounds between 7:00 a.m. and 9:00 a.m. on Friday, of fair week. Failure to remove unqualified animals from the fairgrounds or failure to care for or feed any animal during the course of the fair will result in market animals being excluded from the sale and the withholding of all premiums from the exhibitor.
14. Animals shall not be muzzled while on the fairgrounds.
15. All exhibitors participating in the sale must have their picture taken with their market animal at the designated time for the buyer's appreciation placard. The JLA committee will deduct up to \$10.00 from each sale check to pay the cost of the professional photographer.
16. All market animal exhibitors must exhibit their market animals at the Junior Livestock Auction in the proper order and exhibitors must be dressed in their official uniform. Exception to this rule can be made only by permission of the livestock superintendent and fair manager upon written request from the exhibitor stating the reason for the absence. Letter is to be presented to the livestock superintendent by 9:00 AM Wednesday of fair week.
17. Market animals will be sold by species from highest placing to lowest placing, except for market hogs which will be sold from lowest placing to highest placing.
18. Immediately following the sale of each animal, the exhibitor must present the buyer appreciation placard and picture to the buyer.
19. All exhibitors selling animals at the auction will be assessed a commission of 7% on swine, sheep, goats, and pens of chickens and rabbits and 4.5% will be assessed on beef and silent auction items for the purpose of maintaining and defraying the auction expenses. Selling fees may be adjusted up or down to maintain the JLA Reserve.

JR. LIVESTOCK AUCTION RULES

20. No one may substitute an animal after the sale, nor can they purchase an animal from an auction buyer which has been designated for resale or slaughter. The buyer must have originally designated at sale time that the animal was to be "picked up live" and the resale must take place after the animal has been removed from the fairgrounds.
21. No slaughter is available for poultry or rabbits. Arrangements must be made for live pick up by the purchaser. Pick up is immediately after the sale with proof of payment and livestock release form.
22. Owners of all market animals that die after tagging and 30 days prior to the fair must submit a written request to replace the animal before the fair weigh-in to the Fair Office. A veterinary certificate stating the cause of death must accompany the request. There will be no replacements made within 30 days of the fair, except for rabbit and poultry pens which may be replaced until 15 days before the fair.
23. Immediately following the sale of the animal, it must be properly stalled and cared for until the animals are picked up or released. Failure to do so will prevent the exhibitor from showing or selling in the next Junior Livestock Auction.
24. Sales Checks will be made available to sellers within approximately 5 business days following the sale. 4-H and FFA leaders and advisors will release checks to exhibitors when they present a hand-written "Thank You" letter in an addressed, stamped envelope (if multiple buyers purchased the animal, a letter is required for each buyer) and complete all the requirements of the local club or chapter. 4-H Members may pick up checks at the Cooperative Extension Office. FFA Members may pick up checks from their advisor. Independent exhibitors may pick up checks at the fair office within the same time frame as listed above and must bring "Thank You" letters to the fair office with a stamp, ready to be mailed and must turn in their completed independent exhibitor record book, in order to receive their check.
25. Auction Target Weights: Sheep 110-150 lbs., Swine 215-280 lbs., Beef 1000-1400 lbs., Goats 60-105 lbs., Pen of 3 Chickens 3-5 ½ lbs. each, Pen of 3 rabbits 3-5 ½ lbs. each. The upper weight limit for large market animals has been eliminated as a factor in qualifying for the JLA sale. No animal under minimum weight will be allowed to sell. Animals exceeding maximum upper weight limits will not be eliminated from the sale, but **sellers will be paid to the upper weight limit (Sheep 150 pounds, Swine 280 pounds, Beef 1400 pounds, Goats 105 pounds)**. Poultry and Rabbits will not be permitted to sell in the auction if they exceed their maximum weight listed.
26. Junior livestock market animal exhibitors who have secured a loan for the purchase of their animal(s) may have the proceeds of the sale of their animal withheld and paid directly to the lending agency as may be provided for in their loan agreement with that lending agency fund or other loan agreement. After satisfying any outstanding loan balances as specified in the loan agreement, the lending agency, fund or other entity will distribute the remainder of the proceeds to the market animal exhibitor. Sale proceeds so withheld must be requested in advance of the sale with appropriate documentation by the lending agency.
27. It is the Exhibitor's responsibility to feed and water their animal until it is shipped.
28. No extra adornment or decoration is to be put on any animal during the fair and auction unless provided by the fair; this includes but is not limited to glitter and confetti.
29. All champion animals and all market swine to be sold will be tattooed, excluding poultry. (Prior to auction)
30. Junior Livestock Auction will sell up to 100 lots from vocational education Ag. Mechanics in a silent auction format on Saturday of fair week during Junior Livestock Auction. Only blue-ribbon winners will sell. If more than 100 lots are submitted each exhibitor may be limited to selling only one item, the best of show project may sell at live auction during the sale of champions.
31. By entering, exhibitor acknowledges responsibility in the event their animal is found to contain volatile drug residues or is deemed unfit for human consumption at processing. Adulterated carcasses or those deemed unfit for human consumption by USDA Food Safety Inspection Services (FSIS) personnel at processing are the sole responsibility of the seller. If animals fail to pass ante-mortem inspection, or their carcasses are determined to be diseased or adulterated at processing, exhibitors shall be liable for financial restitution, attorney's fees and Civil penalties. Exhibitors may also be subject to disciplinary measures administered by the Glenn County Fair, including but not limited to the cancellation of sale transactions and/or reimbursement to buyer.
32. Family back-up animals must be pre-entered under the families last name with the children's name listed in parenthesis. If the animal crosses the scale at fair, the family will designate which child is exhibiting the animal at that time and the animal will proceed through show and sale under that exhibitor only. Back up animals must be entered separately and on a paper entry form located in the back of this book. It is due the same day as all online entries in the fair office.
