RELEASE: Following the 2 p.m Awards Program on Saturday, July 25.

This is a TERMINAL SHOW for the Top 3 Lambs. The Top 3 Lambs will be sold in the Gold Buckle Gala Auction on Saturday, July 25. The Ozark Empire Fair will assume custody of the Top 3 Lambs following the Gold Buckle Gala Auction. The lambs will be loaded onto trailers immediately following the Auction and taken to slaughter.

Ozark Empire Fair Rules, Livestock Entry Rules, Junior Show Rules and all portions of the Show Ring Code of Ethics and Conduct apply.

ELIGIBILITY: Entries will only be accepted from exhibitors who are 8 years of age as of July 1, but not over 22 years of age as of July 1, and whose primary residence is in one of the following counties: Barry, Barton, Bates, Benton, Camden, Cedar, Christian, Dade, Dallas, Douglas, Greene, Henry, Hickory, Howell, Jasper, Laclede, Lawrence, McDonald, Miller, Morgan, Newton, Ozark, Polk, Pulaski, St. Clair, Stone, Taney, Texas, Vernon, Webster and Wright. Entries from exhibitors outside of these counties will not be accepted.

NOMINATION & ENTRY: Exhibitors may nominate lambs for the show by submitting a DNA sample(s) to the Ozark Empire Fair Livestock Office by May 15. A processing fee of $10 per lamb must accompany the DNA sample and is nonrefundable. Full ownership of the animal must be established by May 15. An exhibitor may nominate five (5) lambs, but may only show two (2) lambs. Only one (1) lamb per exhibitor will be allowed in the sale. Ewe lambs shown in market classes are not eligible to show in breeding classes.

NOMINATION DOES NOT REPRESENT AN ENTRY.
All lambs must also be entered into the Ozark Empire Fair on an official entry form with all fees paid as designated on the entry. Entry Fee is $12. ENTRY DEADLINE IS JUNE 15.
LATE ENTRY FEE IS $12 + A LATE ENTRY FEE OF $12 FOR A TOTAL OF $24 PER ENTRY, POSTMARKED BY JULY 1.

The exhibitor’s legal guardian must sign the official Fair entry form. Any entries determined invalid will be returned. No refund will be made.

HEALTH QUALITY ASSURANCE: Each exhibitor will be required to maintain a Health Quality Assurance record on each entry up until the time of admission at the Ozark Empire Fair. This form will include all past history on the lamb as best determined from the time the exhibitor took ownership of the animal, as well as any veterinary treatments administered the lamb up until exhibition. This form must be completed and submitted prior to check-in at the Fairgrounds on July 23. All exhibitors must hold a quality assurance certificate for at least one of the four species (beef, swine, lamb, goat) represented at the Gold Buckle Extravaganza. Certification does not have to be for the same species exhibited. All state recognized programs will be accepted, including Show Me Quality Assurance. Quality Assurance Certificate must be submitted to the livestock office with a postmark date no later than June 15.

EARTAGS: Lambs must be identified with an OEP numbered tag provided in the nomination packet. Animals must be individually identified with the tag provided in your DNA packet. The identification on the DNA card must exactly match the identification on the animal(s) entered. Any discrepancies at weigh-in will be the responsibility of the exhibitor and the animal may be disqualified from the show. Should additional DNA testing be allowed (only if approved by show officials and determined on an individual basis), the cost to the exhibitor will be $150 payable immediately by cash or credit card only.

CHECK-IN: Upon arrival on the Fairgrounds, lambs will be weighed to determine classes. Lambs must weigh at least 100 lbs. to be eligible. Lambs will be weighed only once. Lambs will also be mouthed. All lamb teeth must be in place. Lambs must be skick sheared from behind ears to hocks within three days prior to check-in. Stalls will be assigned by superintendents. The Ozark Empire Fair reserves the right to take DNA, urine, blood and tissue samples on any and all animals.

FIRST YEAR CLASS: Following the selection of the Top Three Lambs, exhibitors who have never exhibited a market lamb at the Gold Buckle Extravaganza are eligible to compete in an additional class: the first year class. This is an exhibition class only with the champion getting a prize. The class is judged based upon the merits of the animal. The exhibitor will still show in the normal weight range class and compete for a chance to be in the Top Three Market Lambs.

FITTING & GROOMING: See Section L (Show Ring Code of Ethics and Conduct) under Livestock Rules found in Administration and General Rules.

SHOW PROCEDURE: Ozark Empire Fair dress code (t-shirts) required. Once class winners are selected, any exhibitor that does not want to sell his/her animal and relinquish all ownership rights, may drop out of the competition and will receive only premium monies determined by their class placement. Exhibitors must declare their intent to participate in the selection of the top three lambs once their class is over. Once exhibitors enter the ring for the champion drive they will no longer be able to pull out of the show and must sell their animal if selected in the top three.

DNA SAMPLES: DNA samples will be collected on the Top 3 Lambs and any other lamb or lambs as requested by show officials. These samples, along with those submitted in May, will be analyzed. Should DNA samples taken in May, not match those taken during the Fair, exhibitors, parents and guardians may be banned from competing at future Gold Buckle Extravaganzas, Gold Buckle Galas and the Ozark Empire Fair. Additionally, a violation of any published rule may disqualify entries, and premiums, sale monies and salvage values will NOT be paid. The Ozark Empire Fair may hold any animal under quarantine for an extended period of time for any tests deemed necessary. Please be sure to review the following prior to entry: General Rules & Regulations, Livestock Entry Rules, Junior Show Rules, Livestock Health Requirements and Division Entry Rules.
