He asked if this is something that would be reconsidered since the proposal will be rejected with the fee. Walter Tipton responded that they would need to quote MTA what they would quote any other association and that it is an expense the CVB should underwrite. Lance Harris asked for clarification if the items were provided complimentary when the association met in Natchez in 2016 and stated the NCPC will be sponsoring a reception if Natchez if selected and that the event would bring the Governor and Lt. Governor to town. Discussion continued regarding the Natchez Convention Center needing to make money on the conferences with questions being asked about the 20 percent fee added to food and beverage sales and how much income would typically be generated by it and that breaks and meals will be sponsored by various CVB’s from all over the state and held on site.
