

# New Developments in Buena Park

## The Source & Hilton Hotel

The 450,000 square foot urban center features retail, 4-D luxury theater and diverse dining options including fresh Mexican food at La Huasteca, premier Korean cuisine at Gangnam House and delicious ramen from Yoshiharu. Opening in late 2018, the 172-room Hilton will feature a roof-top pool and bar, on-site restaurant and modern decor.

## Porto's Bakery & Cafe

Named the #1 Restaurant in the Country for 2016 by Yelp, the popular Cuban bakery serves up delectable pastries and cakes, savory sandwiches, specialty beverages and their famous potato balls. The family-owned business still uses many of the original recipes that they brought with them from Cuba in 1963. The Buena Park location is one of just four locations and the only one in Orange County.

## HangTime

Opening in the Summer of 2018, Knott's will welcome the only dive coaster on the West Coast to the theme park. The ride will tower 150 feet over the Boardwalk area with gravity-defying inversions, mid-air suspensions and twisting dive tracks. The attraction will send rides up a vertical lift hill into a 96-degree drop, the steepest in California.

## Butterfly Palladium

Opening in 2019, visitors will be immersed in a lush rainforest environment complete with waterfalls, tropical plants and natural sunlight. The sanctuary will be home to thousands of butterflies from all over the world that fly freely landing on plants, flowers and even a friendly visitor's shoulder or finger. Beyond butterflies, the Palladium will also be home to hummingbirds, the world's largest jellyfish aquarium, 3D theater, café and retail shop making it not only fun but educational.

## Hampton Inn and Suites

The 102-room Hampton Inn & Suites hotel will be a four story hotel conveniently located off the 5 freeway.

Opening in Summer 2018, the property will include an outdoor pool, modern rooms, meeting space, state-of-the-art fitness center and breakfast area.

## Hotel Stanford

With locations in New York and Seoul Korea, Hotel Stanford will bring their popular boutique hotel concept to Buena Park in 2020. The ten story property will offer modern accommodations with luxurious amenities right in the heart of the Entertainment Zone. After a long day of fun, visitors will be able to relax at the hotel spa or dine at the on-site restaurant and wine bar
