ATTRACTIONS

at the Heart O' Texas Fair & Rodeo

TEXAS FARM BUREAU'S PLANET AGRICULTURE

An interactive agricultural exhibit for all ages. Open daily and located in the Extraco Creative Arts Building.

EXTRACO BANKS KIDS ZONE

Open daily. Check schedule for daily times of the events.

Mutton Bustin' Rally

There will be two Mutton Bustin' performances per day from October 3 – 11.

The Great American Pig Races

They're faster than a chicken, chubbier than a goat, round, cute and built for speed. This show is educational and exciting with audience participation, pig trivia, pig cheerleaders, speedway flags and fun prizes.

Pedal Tractor Maze *presented by*

This featured event allows kids to hop on a tractor and pedal their way to the other side.

Stick Horse Rodeo

Don't miss cowboys and cowgirls competing in a simulated rodeo performance riding their stick horses.

Sweethearts' Face Painting Booth *presented by* **Waco Tribune-Herald**

Our Heart O' Texas Fair & Rodeo Sweethearts will be painting children's faces FREE of charge!

Sudsy's Barn

It's a miniature waterpark with soap! This is a play-based, interactive hand-washing attraction. Instead of faucets water comes from large 3-D sculpted farm animals that talk.

Sealife Encounters presents Live Stingrays

This is the world's only traveling, self-contained stingray exhibit where you can safely view and touch these wonderful creatures. It's a hands-on experience you'll never forget.

H-E-BUDDY BARNYARD *presented by* **H-E-B**

Let's Pretend Farm Time Tour *presented by*

In this show kids become farm animals, farmers and a pair of keystone-style "germ cops." With cute costumes, improvisational humor and a chicken dance thrown in for good measure a wacky flight attendant leads the audience leaping through time to learn about agriculture, 4-H and hygiene. A hand washing message has never been delivered with such memorable silliness!

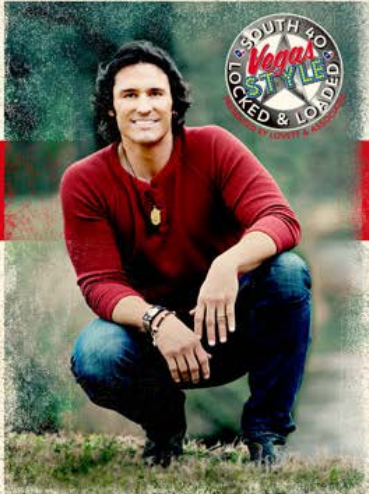

Noah's Way Exotic Petting Zoo, Pony Rides, Edzoocation

This petting zoo consists of deer, antelope, kangaroos, wallabies, llamas, alpacas, sheep, camels and exotic cattle. All animals are hand raised and love interaction with people.

W Promotions Nursery & Birthing Center

If you've never experienced livestock giving birth first hand, this is a must-see educational exhibit. Stop by to check out the expecting mothers, newborns and, if you have good timing, the miracle of birth itself.
