September 18-26, 2015
On behalf of Texas Farm Bureau Insurance Companies, some 600-plus volunteers and our board and staff, welcome to the 92nd Tri-State Fair and Rodeo. For almost a century, we have gathered to honor our heritage and celebrate our future with family and friends, and we sure hope you’ll plan to join us.

We can’t wait for you to see what we have in store for you this year! There’s the parade downtown on Saturday morning, or how about the mutton bustin’ where over 100 kids compete for the right to ride during a performance of the rodeo. The calf scramble scholarship donors also award $7,500 to assist our area 4-H and FFA students in higher education each night of the rodeo.

And speaking of scholarships and kids, did you know that since 2004 the Tri-State Fair has awarded over $110,500 in scholarships to area youth? In addition, over 3,000 youth from across the Panhandle will compete in a host of events during the week, from showing livestock, poultry and horses to showcasing their talents in areas such as ag mechanics, art, photography and livestock judging, just to mention a few. In all, the Tri-State Fair will pay out more than $500,000 in premiums to our area youth this year. Go to www.tristatefair.com for a complete schedule of events.

If you’re a senior citizen, Monday, Sept. 21 is your special day. Admission to the grounds is free, and we have lots of activities and educational programs planned just for you. Be sure to bring the kids and enjoy the petting zoo, pig races and the magician, not to mention the family friendly midway and food court.

Why not join the lunch crowd and enjoy some great Fair food under the always popular covered food court. Admission is free for lunch Monday through Friday before 1 p.m. Or, how about just relaxing under the stars and listening to some great music performed by the likes of Jason Boland and the Stragglers or Gary P. Nunn, who will be performing on the big stage.

While you’re here, don’t forget to pick up your tickets for the final three nights of Pro Rodeo action Sept. 24-26. It is jam packed with some of the best cowboys and cowgirls as well as world class bulls and broncs all vying for a chance to compete at the National Finals Rodeo in Las Vegas.

The 2015 Tri-State Fair & Rodeo has something for everyone and we can’t wait to…

See you at the Fair!

GENERAL RULES AND REGULATIONS

Administration of Rules and Regulations:
The Amarillo Tri-State Exposition reserves to its Executive Board the final and absolute right to interpret these rules and regulations and to arbitrarily settle and determine all matters, questions and differences in regard thereto, or otherwise arising out of or connected with or incidental to the Fair, and the right to amend or add to these rules as its judgment may determine. An exhibitor who violates any of the following rules will forfeit all privileges and premiums and be subject to such penalties as the Executive Board may order. Special rules or conditions are published in each department where necessary. If there is a conflict between the special rules of any department and the general rules and regulations, the special rules will govern.

Statement of Liability
RULE 1: All exhibitors will be under the control and direction of the Management, but the Amarillo Tri-State Exposition will in no case be responsible for any loss or injury or damage that may occur. Specifically, Amarillo Tri-State Exposition shall not be responsible or liable for any loss, injury or property damage which may occur to any exhibitor, owner or attendee even if such incident is caused by, or alleged to have been caused by, in whole or in part, the negligence or gross negligence of the Amarillo Tri-State Exposition. Each exhibitor and/or owner will be solely responsible for any consequential or other loss, injury or damage to, or occasioned by, or arising from, any animal or article exhibited by the owner or exhibitor. THE EXHIBITOR AND/OR OWNER INDEMNIFY THE AMARILLO TRI-STATE EXPOSITION AGAINST ALL LEGAL OR OTHER PROCEEDINGS IN REGARD THERETO, AS WELL AS DAMAGE OR INJURY TO ANY PERSON OR PROPERTY, CAUSED BY THE ANIMAL OR ARTICLE EXHIBITED EVEN IF THE INCIDENT IS CAUSED BY, OR ALLEGED TO HAVE BEEN CAUSED BY, IN WHOLE OR IN PART THE NEGLIGENCE OR GROSS NEGLIGENCE OF AMARILLO TRI-STATE EXPOSITION. The Amarillo Tri-State Exposition will not be responsible for any loss or damage resulting from or caused by strikes, riots, lockout or acts of God.

Relationship of Exposition and Exhibitors
RULE 2: By entering any competition, an exhibitor or entrant is deemed to have agreed to all rules governing Amarillo Tri-State Exposition competitions generally, as well as the rules governing the particular competition in question. To the extent that an entry fee is charged, the exhibitor or entrant agrees that any such fee is paid solely for the purpose of helping defray the costs and expenses of the Amarillo Tri-State Exposition, a non-profit organization, a portion of which costs and expenses are incurred in conducting the competition in question. THE EXHIBITOR OR ENTRANT UNDERSTAND AND AGREE THAT THE AMARILLO TRI-STATE EXPOSITION SPONSORS SUCH COMPETITIONS SOLELY FOR THE EDUCATIONAL AND ELEEMOSYNARY PURPOSES OF THE AMARILLO TRI-STATE EXPOSITION, AND THAT, BY ENTERING A COMPETITION, THE ENTRANT OR EXHIBITOR IS IN NO WAY PURCHASING OR EXPECTING TO OBTAIN OR PAY FOR ANY GOODS OR SERVICES. THE EXHIBITOR OR ENTRANT FURTHER AGREES THAT, TO THE EXTENT ANY TESTING OR ANALYSIS MAY BE UNDERTAKEN BY THE EXPOSITION WITH RESPECT TO AN ANIMAL, FOOD, PRODUCT OR COMMODITY ENTERED FOR ANY CONTEST, SUCH TESTING IS DONE PURELY FOR THE USE OF THE AMARILLO TRI-STATE EXPOSITION AND IS NOT PROVIDED TO THE ENTRANT OR EXHIBITOR AS A GOOD OR SERVICE; AND EXHIBITOR OR ENTRANT AGREE THAT, IF EXHIBITOR OR ENTRANT WISH TO OBTAIN ANY TESTING OR ANALYSIS, HE/SHE MAY DO SO AT THEIR OWN EXPENSE. EXHIBITORS AND ENTRANTS ARE HEREBY ADVISED THAT ANY TESTING AND ANALYSIS DONE BY TRI-STATE EXPOSITION IS DONE BY
OUTSIDE THIRD-PARTY PROVIDERS. THE AMARILLO TRI-STATE EXPOSITION MAKES NO WARRANTY AS TO THE ACCURACY OF ANY TESTS OR ANALYSIS SO PROVIDED.

If the exhibitor does not sign this statement (contained on the back of summary card or entry form), his/her application for entry will not be accepted.

Taxes: Effective Jan.1, 1984, federal law requires the withholding of 20 percent Federal Income Tax from payments made to vendors for which we do not have a taxpayer identification number. This withholding requirement was included in the Tax Equity and Fiscal Responsibility Act of 1982, and generally applies to payments that are required to be reported on Form 1099 to Internal Revenue Service.

RULE 13: Management reserves the right to remove from the grounds or any sponsored Fair activity, any exhibit, entry, animal, stand or show they deem unsuitable, objectionable, or in rule violation and to return any money already paid for space or stalls. Management will not be required to furnish reasons
for such actions; the return of the exhibitor’s money (if any) exonerates the Fair from any claims by the exhibitor, participant or purchaser.

**RULE 14:** Exhibitors not cooperating with security personnel or Officials of the Fair in all matters of policy, including parking, will have their entries canceled and will be ordered to remove their exhibit from the grounds immediately. **You must have a Parking Permit on your windshield to enter Gates 2 or 3.** Free parking will be at Gates 1 & 5.

**RULE 15:** Fair management reserves the right to combine, split or cancel classes at its discretion in all departments of the Tri-State Fair & Rodeo.

**RULE 16:** Late entries. **Open Cattle Late Entries** will be accepted until noon the day before the show date at $25 per entry, in addition to the entry fee. **Youth Late Entries** will be $25 per entry, in addition to the entry fee. **Absolutely no youth entries after Sept. 1, 2015.**

**RULE 17:** Incomplete entry card/cards fine is $10. This fine has to be paid or you won’t be allowed to show.

**RULE 18:** A professional is defined as a person whose primary source of income is derived from the making and sale of any product listed in the department classes.

**Judges and Judging Procedure**

**RULE 19:** Judges are requested to be familiar with all rules, regulations and procedures of the Tri-State Fair & Rodeo.

**RULE 20:** Procedures of selecting judges and of determining judging systems rest solely with the management.

**RULE 21:** The decision of the judges will be final in all cases, except where mistake, fraud, misrepresentation or collusion is discovered after awards are given. In such cases, the show management or such referee as it may appoint may make the final decision. Such cases may be sent to the Executive Board from whose decision there can be no appeal.

**RULE 22:** If any exhibitor or his representative interferes with the judges or shows disrespect to them, or the Fair, the management may withhold from the exhibitor any premiums that may have been awarded or take any other steps deemed desirable.

**RULE 23:** Judges may award a prize of such grade as any exhibit deserves where there are fewer entries in a class than the number of premiums offered.

**Premiums**

**RULE 24:** The Executive Board reserves the right to pay printed premiums in relation to net earnings. Since premiums and all other expenses must be paid from receipts from the operation of the Exposition, this condition is made to put all exhibitors on due and legal notice.

**RULE 25:** Premiums (in specified departments) may be picked up at times listed in the premium catalog. Premiums not picked up and all others will be forwarded to exhibitors after close of show as they can properly be processed. **All premiums not claimed within 90 days upon receipt shall be deemed forfeited to the management of donors. Premiums under $1 will not be mailed.**

**RULE 26:** **PRIZE MONEY DISTRIBUTION:** This year we will be distributing cash with the ribbon to exhibitors; it is the exhibitor’s sole responsibility. The Tri-State Fair & Rodeo will not be responsible or liable for lost prize money and/or ribbons.

**RULE 28:** No person will be permitted to distribute advertising material upon the grounds or parade route, except from his place of business or exhibit space. The tacking or posting of any advertisements,
bills, etc., other than within the space occupied by exhibits, is strictly prohibited. The distribution of handbills, fliers and heralds will not, under any circumstance, be permitted.

**RULE 29:** Any article or animal in an exhibition may not be removed from the grounds prior to its release time without written permission by the department superintendent or Fair management. Any violation of this rule will cause forfeiture of all premiums earned by exhibitor.

**RULE 30:** Any equipment brought on the grounds to be used in exhibitor’s stall or space must comply with and be used in compliance with all Federal, State and Municipal occupational safety and health regulations.

**RULE 31:** Nothing shall be sold or given away or otherwise disposed of by exhibitors which will in any way conflict with, or which is subject matter of, any privilege of concession granted or sold by the Tri-State Fair & Rodeo.

**Protests**

**RULE 32:** All protests must be made in writing and accompanied by a deposit of $25 in cash, which will be forfeited if the protest is not upheld. Such protest must state the cause for the protest and must be delivered to the Management immediately after the occasion for the protest. Any protest as to the eligibility of an animal must be filed at least 12 hours prior to the time that the animal is to be judged. Only exhibitors in the department, parents, guardians of the exhibitor in the department, AgriLife Extension agents and FFA instructors who have members with exhibits in this department, the superintendent of the department and the manager of the Amarillo Tri-State Exposition, may file a protest. Any protest filed will be referred to the Manager of the Amarillo Tri-State Exposition for handling.

FOREIGN SUBSTANCE PREVENTION AND RESIDUE AVOIDANCE PROGRAM

It is the policy of the Tri-State Fair & Rodeo to prevent the usage of illegal, unapproved or unethical drugs; growth stimulates or hormones; or any improper foreign substance in animals entered for exhibit at the Fair. The Fair reserves the right to limit or exclude the benefits of participation by any exhibitor determined by the Fair to be in violation of this policy. Without limiting the generality of the above, the Tri-State Fair & Rodeo sets out the following rules and guidelines for exhibitors:

1. Unapproved foreign substances shall be deemed to include, without limitation, any diuretic, growth stimulants or medication which is not approved by the Food and Drug Administration and/or the U.S. Department of Agriculture for slaughter animals, whether such substance is a commercial product or “homemade.” If any substance has been administered by a licensed veterinarian that might cause problems with the foreign substance prevention policy, a written statement from the veterinarian giving the substance must be submitted to the Tri-State Fair & Rodeo office providing information on the
substance given and the reason for administration. This statement must be presented to the division superintendent prior to the showing of any entry.

2. Tri-State Fair & Rodeo reserves the right to test any exhibition animal at its discretion. Testing may be performed by Tri-State Fair & Rodeo officials or its delegates, with or without the knowledge of the entrant. Testing may be performed on both a live animal and any carcass. Further, Tri-State Fair & Rodeo reserves the right to perform a post-mortem examination of any animal which dies at the Tri-State Fair & Rodeo. If a post-mortem examination is ordered by the Fair, the expense of the post-mortem is to be paid by the exhibitor. By entering an animal to show at the Fair, the exhibitor is deemed to have consented to this rule and all testing procedures conducted by Tri-State Fair & Rodeo. The Tri-State Fair & Rodeo will pay for the first test. If protested, then the exhibitor will pay for the second test.

3. The Tri-State Fair & Rodeo testing procedures shall be administered at a “zero tolerance” policy; in other words, test samples must be entirely free of unapproved foreign substances.

4. The Tri-State Fair & Rodeo expects to delegate its sample collection, testing procedures and laboratory analysis procedures to reasonably qualified individuals, veterinarians and technicians. The conclusions reached by such persons, as to whether an animal has been administered an unapproved foreign substance including, without limitation, diuretics, unapproved growth stimulants or other unapproved medications shall be final. By entering animals in the Tri-State Fair & Rodeo, exhibitors agree that such conclusions are final and waive any recourse against the persons conducting any test or analysis, and waive recourse against the Tri-State Fair & Rodeo or any of its officers or directors. Further, exhibitors agree that any testing procedures provided by the Tri-State Fair & Rodeo or conducted by Tri-State Fair & Rodeo are purely for its own purposes in order to administer the contests in question; and that exhibitors have not purchased or acquired, by virtue of their entry, any testing or analysis services; and exhibitors further agree that if they wish to obtain any test or analysis, they may obtain such additional tests or analysis at their own expense.

5. As a condition of participation in the Tri-State Fair & Rodeo, each animal exhibitor must submit to Fair management a CERTIFICATION STATEMENT that unapproved foreign substances have not been used. These forms must be signed by the exhibitor, the parent/legal guardian of the exhibitor and the AgriLife Extension Agent or the School Agricultural Science Teacher. No animal will be allowed to participate in the Fair until this form has been fully signed and submitted to Fair management.

6. The Tri-State Fair & Rodeo reserves the right to adopt, in its discretion and on a case-by-case basis, if it so desires, appropriate sanctions for any violation of these rules. At minimum, any animal testing positive for an unapproved foreign substance will be disqualified and declared ineligible to receive awards, premium money or sales proceeds. Further, the Fair may declare the exhibitor ineligible for further participation in the current Tri-State Fair & Rodeo in which he or she is entered with other animals and in any or all future Tri-State Fair & Rodeo events. In addition, the Fair may declare the same or greater ineligibility for members of the exhibitor’s immediate family. Further, if the Fair has reasonable cause to believe that such violation was sanctioned, approved or aided by a sponsor, the Tri-State Fair & Rodeo may declare the sponsor ineligible for future participation.

7. If an entry is disqualified under this rule, no changes will be made in the placing of other animals.

8. By entering the Tri-State Fair & Rodeo, the exhibitor agrees that the Tri-State Fair & Rodeo may exchange information about the exhibitor with other shows and, further, may disclose, communicate or publish the results of any tests to officials of other exhibitions, to sponsoring county organizations of schools, to law enforcement officials and the press.

1. OWNERSHIP: All animals must be entered in the name of the owners(s) as shown on the Registration Certificate. All parties in a multiple ownership must be on the entry card. Firms and partnerships must be in existence at the time of making entry. Custom fitters must be listed on the entry card in the appropriate space. For ownership of animals entered for competition in the Youth Shows, see special rules.

2. JOINT OWNERSHIP: Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in the individual classes. In the Group classes, jointly owned animals may be entered and exhibited under the name of one of the co-owners provided the individual owns a full or part interest in each of the animals in the group entry.

3. A YOUTH EXHIBITOR is defined as a boy or girl regularly enrolled as a 4-H or FFA member and who is in the third grade or 9 years old, but not more than 19 years old, as of Sept. 1, 2015. They MUST also be enrolled in public or private elementary or secondary schools and MUST have continuously personally fed, fitted and cared for their entry under the direct supervision of an Agriculture Science Teacher or AgriLife Extension Agent. See individual departments and divisions for any exceptions.

4. BARRED EXHIBITORS: The Tri-State Fair & Rodeo, in cooperation with member shows of the North American Livestock Show and Rodeo Manager’s Association and the Database, reserves the right to refuse entry of any exhibitor who has been barred from any other show on the basis of unethical practices.

5. REGISTRATION AND CERTIFICATE OF VETERINARY REGISTRATION: Exhibitors must have their original registration and certificates of veterinary inspection available with their exhibits at all times during the show. Any animal that cannot meet the requirements as to pedigree and registration will be barred from competition.

6. EQUIPMENT: Any equipment brought in to be used in assigned stalls or spaces must comply with and be used in compliance with federal, state and municipal occupational safety and health regulations. FANS: NO REAR FANS WILL BE PERMITTED. SIDE OR FRONT FANS MUST BE MOUNTED AND SECURED.

7. STALLS/PENS/TIE-OUTS: No entries will be accepted nor pens or stalls reserved unless the correct entry fees accompany the applications. All animals will be pre-stalled. THE TRI-STATE FAIR & RODEO RESERVES THE RIGHT TO LIMIT ENTRIES BASED ON AVAILABLE SPACE IN A MANNER IT DEEMS APPROPRIATE. New for 2015: Tie-outs for 2015 will be on sand only. No hay or other bedding material will be allowed in the tie-out area.

8. FEED/BEDDING: The Tri-State Fair will not sell feed or hay. Exhibitors may bring their own or purchase locally. Please be careful on the amount of hay left at the tie-outs. Shavings must be purchased
from the Fair for $10 per bag. **SHAVINGS** only will be used as bedding in all livestock and equine buildings.

9. **CLASSES:** The Exposition reserves the right to cancel or combine any livestock classes listed in the premium list.

10. **GROOMING CHUTES:** Will be allowed in the livestock barn, but need to be 4 ft. from screen walls. No tack allowed to be placed against screen walls.

11. **CODE OF ETHICS:** The showing of unethically fitted livestock or livestock of any ineligible age for exhibition in the class entered is prohibited. The Tri-State Fair & Rodeo expects exhibitors to maintain the highest standards of husbandry and fair competition, and the Fair reserves the right to determine that practices unspecified in this rule may constitute unethical fitting. In addition to Tri-State Fair & Rodeo rules, all exhibitors are subject to the guidelines and consequences of the IAFE (International Association of Fair and Expositions) National Code of Show Ring Ethics, as it may be amended and published from time to time. Without limitation, however, unethical fitting shall include any violation of the Tri-State Fair & Rodeo Foreign Substance Prevention Program.

Further, unethical fitting shall be deemed to include any physical or physiological attempt to alter the natural confirmation, musculature or weight of an animal by use of injections, operations, “airing” or any ingested material not conducive to the continued health of the animal or marketability of its carcass. Further, unethical fitting shall include any attempt to change the major color pattern of an animal by painting or dyeing to change color, or use of any grooming material such as twine or hair that changes or extracts color of an animal. By entering an animal in the Tri-State Fair & Rodeo, every exhibitor is deemed to have consented to inspection of the animal by any veterinarians or other officials to which the Tri-State Fair & Rodeo has delegated the power to inspect animals and is deemed to have agreed to have such animals submitted to any tests as may be designated and requested by Tri-State Fair & Rodeo or any of its delegates. Refusal by an exhibitor to submit an animal to examination or testing shall automatically be grounds for disqualification.

Further, by entering the Tri-State Fair & Rodeo, each exhibitor has agreed the determination of the Tri-State Fair & Rodeo or its delegates as to whether such animal is unethically fitted or over age shall be final. To the extent factual disputes may arise regarding any issue of unethical fitting, the Tri-State Fair & Rodeo and any of its officials may resolve and determine such factual disputes utilizing whatever procedures the Fair may establish from time to time at its complete discretion. Participation in the exhibition of show animals at the Tri-State Fair & Rodeo is a privilege extended to qualified exhibitors, not a right. By entering the Tri-State Fair & Rodeo, the exhibitor agrees that the Tri-State Fair & Rodeo may exchange information about any unethical fitting by an exhibitor with other shows; and further may disclose, communicate or publish such information to officials of other exhibitions, to the International Association of Fairs and Expositions and American Livestock Show and Rodeo Manager’s Association rule infraction databases, to sponsoring county organizations or schools, to law enforcement officials and the press. The Tri-State Fair & Rodeo reserves the right to adopt, at its discretion and on a case-by-case basis if it so desires, appropriate sanctions for violation of these rules. At a minimum, any animal determined to be the subject of unethical fitting will be disqualified and declared ineligible to receive awards, premium money or sales proceeds. Further, the Fair may declare the exhibitor ineligible from further participation in the current Tri-State Fair & Rodeo in which he or she is entered with other animals and any or all future Tri-State Fair & Rodeos. In addition, the Fair may declare the same or greater ineligibility for members of the exhibitor’s immediate family. Further, if the Fair has reasonable cause to believe that such violation was sanctioned, approved or aided by a sponsor, the Tri-State Fair & Rodeo may declare the sponsor ineligible for future participation. If an entry is disqualified under this rule, no changes will be made in the placing of other animals.
12. **COLOR:** No change of the natural color pattern of the animal by painting or dyeing will be allowed. Any grooming material that allows color to come off from any animal will not be allowed at the show.

13. **UNETHICALLY FITTED LIVESTOCK: CATTLE ONLY:** Judges shall not award a prize to an unworthy exhibit. It is the intention of the Management that no premium or distinction of any kind shall be given to any animal that is not deserving. Unethically fitted animals will be barred from exhibition. Animals that have been given any form of intoxicating beverage, tranquilizer or other drug affecting mood or attitude prior to judging will be disqualified. Any product administered internally or used externally to alter the appearance or conformation of an animal for exhibition is prohibited and will be cause for disqualification. This includes, but is not limited to, stomach pumping. The use of graphite, powders, dyes, hemp, false-tail heads, glued on hair or hair-like substances, or other similar substances externally, and steroids or growth stimulants are prohibited. Judges are also requested to report to the Fair management any animals upon which a surgical operation has been performed to improve their “show” appearance. If after examination by an official veterinarian, an animal is found to be in violation of any of the above: (a) it will be barred from further exhibition; (b) no awards will be made; and (c) stall and entry fees will not be refunded. The decision of the official veterinarian will be final. These rules will be strictly adhered to whether there is competition or not.

14. **PHOTOGRAPHS:** Photographs of Grand Champion and Reserve livestock will be taken by the official photographer of the Tri-State Fair & Rodeo.

15. **SUBSTITUTIONS:** Substitutions will be permitted until noon the day preceding judging. A substitute showman in the youth show must be a 4-H or FFA member with an animal entered in that division and from the same chapter or county. ALL 4-H and FFA members are considered to be eligible by the Amarillo Tri-State Exposition to participate in the Tri-State Fair & Rodeo youth shows at the time entries are received from the Agricultural Science Teachers or AgriLife Extension Agents. Any Teacher or Agent who has a member in his/her 4-H/FFA program who becomes ineligible to participate in the Fair according to House Bill 72 or TAAS conflict must provide written and signed notification to the Tri-State Fair office at least (24) hours prior to the commencement of any competitive phase of the Fair. SPECIAL RULE:

Senior/Junior Yearling Pregnancy Rule for exhibitors at all Open shows: Any senior/junior yearling females 28 months of age or older on or before the date of the show must have a registered purebred natural calf at side and must be shown with calf. If purebred Senior/Junior Yearling has a ShorthornPlus calf at side, it is not eligible for the Purebred Shorthorn Show, however it is eligible for the ShorthornPlus show if such show is available. All females 20 months of age on or before the date of the Super Regional show need to have a 60-day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the show. Exhibitors may be asked to present said verification upon the request of the Show officials or ASA representatives. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site, and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification of that animal for that specific show.

1. Eligibility for Entry

   b. Exhibitors must be current active members of the Miniature Hereford Breeders Association. Siblings may share family membership.
   c. Steers and heifers must be registered in the AHA and meet height restrictions in order to participate.

2. Rules and Regulations – General rules and regulations of individual shows apply to this division as well as those listed.

3. Ownership
   a. Ownership of prospect steers must be established by July 1, 2015.
   b. Ownership of market steers must be established by Jan. 1, 2015.
   c. Ownership of heifers must be established by June 1, 2015.
   d. Animals must be in the name of the exhibitor or their parent/guardian.

4. Possession, Care and Feeding
   a. Animals entered must be in the possession of the exhibitor no later than the above dates. The exhibitor is responsible for the general custody, care and feeding of their animal when possible, or to help when it is not possible to care for the animal unassisted. Family members and fellow participants may help with these tasks.
   b. All animals in this division must be completely broke to lead for the safety of the exhibitor and others in the show ring. Animals not deemed fit will be removed from the show ring and disqualified from the competition.

5. Fitting of Animal
   a. All animals will be fitted and be presented in a proper condition for a beef show. Exhibitors are encouraged to help in any way that is safe and possible for them to do so, but not endanger either themselves, their animals or others in the process.
   b. Alteration of conformation and structure by prohibited substance or unethical fitting is prohibited. Any violations of this rule will result in immediate disqualification without recourse.
   c. The injection, use, or administration of any drug that is prohibited by Federal, State or Local Law or any drug that is used in a manner prohibited by Federal, State or Local Law will result in immediate disqualification without recourse.
   d. Any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef carcasses or for deception will result in immediate disqualification without recourse.
e. Every participant in consideration of their entry being accepted by the show, specifically represents that no animal entered is misrepresented in any way except trimming of feet and blocking of hair.

6. Official weight & height
   a. The weight recorded at the time of check-in will be the official weight and height of the animal.

7. Check weight & height
   a. The MHBA reserves the right, at its discretion, to check the weight and height of any animal.

8. Showing of animals
   a. Participants in this division are required to show their animals. Participants under the age of 5 will be required to have parental, sibling or other participant accompaniment in the show ring.
   b. All participants may have parental, sibling or other participant accompaniment in the show ring.
   c. Participants are to handle the majority of the showing and the use of the show stick. Assistants may help in the control of the animal.

9. Show harness
   a. All Pre-Junior and Junior exhibitors will be required to wear a show number harness for each animal shown in a class. These harnesses hold the number in place in plain sight.

10. Showmanship
    a. Any exhibitor who shows unassisted may compete in this class.
    b. Animal must be owned and entered by participant to show in this class.

11. Safety
    a. The purpose for the Pre-Junior steer classes is to offer the opportunity to young cattlemen and women to participate in cow shows despite their lack of age required to show in a Junior Show. In many cases, these young people have spent HOURS at the barn with their parents and siblings working “show calves”. To go to a show and not be allowed to participate can be boring and tiresome for those with less than developed attention spans. Although the rules and regulations have been set, safety is the most important factor in this event. We want these young agriculturalists to enjoy their showing days, from the beginning on up, so please, make sure the children and animals are prepared to participate. Animals can be unpredictable, but the more time the exhibitor spends with the animal prior to the show, the better you can expect it to cooperate when the surroundings change.

12. Animal Health
    a. Animals entered must be within the guidelines of the Livestock Health Requirements. Make sure your animal has all the required paperwork completed in order to enter and participate in the show.

Brand inspections are required from areas within Brand Inspection Areas. Please check carefully the guidelines for each show, as they are similar but somewhat different.

No exhibitor can have earned more than $5,000 in any individual association.

**Working Ranch Horse Class Rules**

1. Each contestant will perform individually, first in the reining pattern and then releasing one cow into the arena.

2. Each exhibitor will be allowed a maximum of six minutes to complete the class. At the four-minute mark there will be a two-minute warning whistle. When the six-minute time limit has expired, the exhibitor will be required to exit the arena.

3. The class will be judged in three parts: the reining, the cow work and the roping portion. At the end of the performance, the scores for the three portions will be added together for the final score. Rules for scoring the reining portion are defined in SHW563 of the AQHA Official Handbook.

4. The reining portion will be performed first using the prescribed pattern. Each contestant will perform the required pattern individually and separately.

5. Rules for scoring the cow working portion are defined in SHW563 of the AQHA Official Handbook. After the exhibitor has completed his reining pattern, he will call for the cow to be turned into the arena. Upon receiving the cow, the contestant shall hold the cow on the prescribed end of the arena for sufficient time to demonstrate the ability of the horse to contain the cow on that end. After a reasonable amount of time, the contestant shall take the cow down the fence, making at least one turn each way on the fence. A three (3) point penalty will be assessed for a horse refusing to turn or hanging up on the fence. Judge may blow the whistle at any time to terminate the cow work if in his opinion unsafe or dangerous conditions exist. A score of zero in the cow work segment will be given if the work is not complete at that time. The exhibitor should then continue with the roping segment of the class.

6. Exhibitor must then rope the cow and bring it to a stop. In the roping portion of this class, the horse will be judged on three (3) maneuvers: 1. the ability to trail; 2. the ability to rate; 3. the ability to stop the cow.
cow. Additionally, a two-loop run will receive a penalty of three (3) points and a no-catch run will receive a penalty of five (5) points. It is not necessary that the roper catch for the contestant to receive a score in the roping portion. However, if there is no catch, a five-point penalty must be subtracted from the roping score accumulated prior to the catch (i.e., if a horse trails and rates its cow but no catch is made, or if rider loses his rope after the catch is made, the horse will receive the score it has earned up to the point of the catch minus five points). Any blatant disobedience for a circumstance that is not listed results in a five (5) point penalty, and a horse will be disqualified for excessive schooling at any time in the arena or whipping or hitting the horse with the rope. There is to be no dragging. The exhibitor is allowed only two throws. In order for a catch to be legal, catch will be legal as long as cow looks through the loop and the rope pulls tight on any part of the animal’s body, except the tail. An amateur exhibitor has the option of circling the cow in the middle of the arena in both directions in lieu of roping; however, circling the cow is considered a lesser degree of difficulty and should be factored into the score.

7. For the entire class – reining, cow work and roping – an average score will be 210 points – 70 points per section. If the contestant fails to attempt any part of the class, he or she will receive a zero for the entire class.

8. Riders may either have their rope tied onto the horn of the saddle, or they may dally.

9. The judge may, at his discretion, award new cattle, to enable the contestant to show his horse’s ability on the cow, based on the following criteria:
   - The cow won’t or can’t run
   - The cow won’t leave the end of the arena
   - The cow is blind or won’t yield to the horse
   - The cow leaves the arena.

10. Working Ranch Horse will offer the following classes with descriptions to follow:

Time shall begin with the
gate closes behind the cow after being let into the arena. The announcer or judge will signal the completions of the 50 seconds with a whistle or horn. There shall be no schooling between the completion of the rein work and the cow work, or between cows if a new cow is awarded.

Scoring will be on the basis of 60-80, with 70 denoting an average performance. The same basis of scoring shall apply to both the reined work and the boxing work. In the event of a tie, the entry with the highest cow work will be declared the winner. The judge may blow the whistle at any time to terminate the work.
