**THANKS** to all the competitors that came out to make 2016 one of the **GREAT** ones. We greatly appreciate your support.

You know of friends and family who have said "I want to run in the Derby." This would be a great year for them to build that car and run with us. Spread the word!

As has been asked, YES, if you bring 6 vehicles, you can have your own heat. (Example: Fire Department, Police Department, or company dept.)

Many vehicles and many fans make for a Great Derby. You now have the rules for the July 22, 2017 Derby. Along with your help, there will be a 38<sup>th</sup> Demolition Derby.

On behalf of the Pittsboro Jaycees and the Fairboard, I would like to THANK YOU for the many years of your participation and friendships. Lynn T. Love
