AKSARBEN STOCK SHOW CONTINUES TO PLAN FOR 2020

Grand Island, NE (May 1, 2020) - Nebraska State Fair is currently planning to produce the Aksarben Stock Show September 24-27, 2020. State Fair staff and Board are mindful of and monitoring the current COVID-19 impact to events and social gatherings.

We are communicating regularly with our International Association of Fairs and Expositions, state and local authorities, vendor partners, as well as sponsors.

Aksarben Stock Show is assessing options and ramifications should adjustments be necessary. We will continue to provide regular updates as necessary based on changing COVID-19 directives. The next State Fair board meeting is scheduled for May 15, 2020. The board directive to continue to plan the stock show follows the late June early July forecasted decisions.

The latest information is always current on www.aksarbenstockshow.com
