

Stock Show Operations Department – Summer Intern Program

The Stock Show Operations Department Internship is geared towards those applicants interested in learning how to work, manage and execute livestock shows and sales at an elite level. The position will report directly to the Operations Manager and Stock Show Director and work from the Nebraska State Fair Office in Grand Island, Nebraska.

A successful candidate will be enrolled in an agriculture-related major. They will be excellent at oral and written communication. The applicant will be a self-starter with minimal supervision and maximum production. They will have great organization skills and be very detail oriented.

Time Period:

Approximately mid-May through mid-August, with respect to the student's educational schedule. The applicant will be expected to come back and be present the entire week prior to the Stock Show, September 26th – 29th.

Compensation:

\$10 / hr

Responsibilities:

- Office and customer service
- DNA management
- Event planning
- Pre-show correspondence
- Clerking shows / sales
- Show program processing
- Entry management
- Multitasking

Requirements:

- Candidate must be 2018 high school graduate or older
- Intern cannot be an exhibitor or competitor at the 2019 Aksarben Stock Show
- Candidate must have stock show experience

Please send all correspondence, cover letter, resume and three references to leonhard@showaksarben.com no later than February 1st, 2019.
