- Commercial heifers, market heifers, and steers will be shown by weight. **Market heifers will compete with steers in the Market Animal classes. Heifers can only be shown as a breeding animal or market animal, not both. All breeding heifers must be born on or after January 1, 2019.** Registered heifers must be registered to the junior exhibitor as the sole owner and have registration papers at check-in. Breed classes will be determined by the number of registered heifers entered. If a breed fails to make, those registered heifers without a declared breed class will show as AOB. Heifers with pending papers will weigh-in and show as commercial heifers.
- Space under the barn is available first come, first served. Electrical outlets are limited. Generators are necessary. Bedding will be available for purchase on Saturday. Exhibitors can bring their own bedding.
- This is a blow and go, NO FIT show. All animals will be exhibited at owner's risk and in their natural state, clean and clipped. No paints, glue, etc. Animals should be shown clean and dry. Failure to comply will result in immediate disqualification.
- For cattle crossing state lines, entries must abide by health regulations of open shows. Health papers are required for out of state cattle. Refer all questions to the Alabama State Vet's Office at 334 242 7253.
