Ingredients

Processed Grain By-Products, Grain Products, Roughage Products, Calcium Carbonate, Ferrous Sulfate, Manganese Oxide, Zinc Oxide, Copper Sulfate, Sodium Selenite, Manganese Sulfate, Calcium Iodate, Cobalt Carbonate, Mineral Oil, Forage Products, Salt, Expand and Kaolin.

Feeding Directions

Feed as the sole ration to growing and finishing swine.

CAUTION

Do not feed to sheep due to copper levels in this feed.

Always provide a source of fresh clean water, and free choice minerals. When making changes in an animals diet, allow a 7 to 10 day transition period. Provide ample feeder space for livestock. Do not feed wet, moldy, or insect infested feed.

This is an economical version of the hog grower and finisher. It should be fed to hogs from 80 pounds to their finished weight. It is also suitable for growing out replacement gilts.
