OPEN CLASS FIBER ARTS (DEPARTMENT 3)
QUILTS (DIVISION F)

EXHIBIT RULES
1. Exhibitors may enter two items per class.
2. Quilt Definition: Three layers (top, batting, and backing) held together by quilting stitches through all three layers. Usage, style or technique does not matter. Items that do not fit this definition, but are traditionally accepted as quilts include the yo-yo and cathedral window techniques.
3. Entries can be a kit, pattern or an original design done by an individual or group.
4. The use of pre-quilted purchased fabric is not considered quilting and will not be accepted as an exhibit for judging.
5. Entries must have been completed after August 1, 2017, and never have been previously entered at the Arapahoe County Fair.
6. Judging is based on the quality of the work and not the size of the quilt.
7. If a quilt has a permanent name (id) on the back, please cover the area with a piece of fabric attached with safety pins.
8. PLEASE NOTE: Please enter your quilt in the proper quilt class under the proper workmanship classification as a “one person quilt,” or a “duet quilt.” See the following Quilt Type Definitions for clarification.
9. The quilt sizes listed need to meet both size dimensions, not just one. Example: Smaller than 72” x 90” means item must be smaller both in width and length.

QUILT TYPES DEFINED
One Person Quilts: A quilt constructed and quilted by one person.
Duet Quilts: A quilt constructed by one person and quilted by another person by hand or by machine.
Hand Quilted: Quilts that are entirely hand quilted with no machine quilting at all.
Machine Quilted: Quilts that have any machine quilting. Machine quilted quilts may include some hand quilting.
Pieced: At least 75 percent of the surface of the quilt top is pieced, by hand or machine.
Appliquéd: At least 75 percent of the surface of the quilt top consists of appliquéd motifs applied either by hand or machine.
Tie/Tacked Quilt: Three layers (top, batting, and backing) held together by ties, tacking, etc. through all three layers.
Novelty Quilts: Bed covers that do not have any quilting stitches or traditional top techniques such as piecing and appliqué. Includes biscuit quilts, Cathedral Window, Ribbon Quilts, Crazy Quilts (if not quilted) and Yo-Yo quilts.
Art Quilt: Wall quilts that are thematic or pictorial in design.

THE JUDGE WILL CONSIDER ALL ENTRIES ON A BASIS OF:
Workmanship:
a. Piecing: Precise corner points; pattern matching; blending thread; lays smooth.
b. Quilting: Even stitches; correct tension; smooth lines; consistent on front and back.
c. Borders: Compliment quilt; proper construction; straight lines.
d. Applique: Edges turned properly; smooth curves; not shadowing.
e. Finishing: Betting to edge; proper construction; straight outer edge; precise corners and mitering.
f. Special Techniques: Enhance top and well secured; neat stitching.
Appearance and Design:
a. Visual impact: Colors and fabric well chosen; pleasing, interesting; unity of style and spacing.
b. Quilting Patterns: Complement and enhance quilt design; sufficient quilting; patterns well placed.
c. General Appearance: Clean, No pet hair; marking lines removed; threads clipped.

Judging is based on the quality of the work, not the size of the quilt.
