Project Exhibit Information:
1. In Junk Drawer Units (1-3) youth are only allowed to enter a display board exhibit or a stand-alone exhibit, not both.
2. Robotics Platform is just a fancy way to say robotics kits or robotics materials. Some types of commercial kits or platform include: Ardunio Kits, EV3, Brushbot, Make, Hexy, Pushbutton, Programmable Robotic Kit, Sparky,
Cubelets, Robotic Arm Edge, Sparkfun Red Bot, WeDo, Multiplo, NXT, TETRIX, CEENBot, and VEX.

3. Youth working individually on a robotics platform should enroll in the Platform Units. Youth should advance between Unit 4-6 as they feel they are progressing in their project knowledge.

4. Youth working on a team on a robotics platform should enroll in the Team Robotics Unit. Despite being on a team the fair exhibit is meant to be completed and entered by an individual member.

5. For more information about various team competitive robotics opportunities, see the list from the Colorado 4-H STEM website.

6. Robotic Notebook V. Robotic Supplement – Junk Drawer Robotics and Platform Robotics come with youth notebooks which are much like a workbook. These notebooks lead youth through the activities in the unit and are optional. FIRST and BEST Robotics often require youth to complete a robotics notebook along with their robot for competition. Robotics notebooks for FIRST and BEST are not required to be exhibited with the 4-H project. What is required is the Robotics Supplement. The robotics supplement is designed for youth to describe in detail on robotics or engineering concept that they learned throughout the year.

7. The robotics Supplement is an application and can be accessed through the Android or the Apple Marketplace. If you do not have access to a smart phone or tablet device, the robotics supplement is also available in hard copy or in the Robotic E-record.

8. For more information about FIRST Robotics organization check out: www.usfirst.org

9. For more information about the BEST Robotics organization check out WWW.bestinc.org.

EXHIBITOR FAIR RESPONSIBILITIES:
1. All exhibitors named as owner will accept and acknowledge responsibility for the custody, care, and feeding of their animal(s). Exhibitors are expected to have prepared their own animal for exhibition. While on the Arapahoe County Fairgrounds, it is expected that animals exhibited in any show must be handled, fitted,
dressed, washed, groomed and shown for show competition by the exhibitor themselves.

2. “Professional Fitters” are prohibited from handling or caring for 4-H exhibitor’s animals at any time during the fair. Those exhibitors that utilize these individuals will not be able to participate in the show and sale, and will lose all premiums associated with that species.

3. The intent of the 4-H livestock program is for members to be the primary care provider for their project animals. To the greatest extent possible, the owner of the animal shall fit, block, groom, handle or care for their animals once they have entered the fairgrounds.

4. Immediate family members, Arapahoe County 4-H Leaders, registered 4-H volunteers and Arapahoe County 4-H youth in good standing may help with fitting, blocking, grooming, handling, and care for animals provided the project animal owner/4-H member is present and actively involved and participating.

5. Actively involved and participating means that a member may be washing one animal while another animal of the same species is being prepped by an appropriate person as outlined previously or the roles could be reversed. It does not mean that an animal of the same species can be washed by an appropriate person while the member is away tending to another project/species. The member must be present and actively involved in the species/project for which assistance is being provided. Example: If the legs are being fitted, then either they should be involved with the fitting of the legs that is taking place or they should be fitting their other animal simultaneously. Assistance may be provided while the member is in the show ring when situations dictate such as back to back classes, etc.

6. Siblings or other 4-H members may be assisting each other while one member tends to another animal/species/project. This includes cleaning of pens. If a conflict occurs where members have multiple pens/projects to attend to and it cannot be accomplished by the scheduled times or if other special accommodations are needed please discuss the situation and need with the superintendent so they are aware.

7. One warning will be issued to any exhibitor who is deemed to be not actively participating in the fit job, is not present the entire time help is being received, or is receiving help from a non-family or non-4-H member. The second warning will result in loss of show premiums. A third warning will result in disqualification from the show and livestock sale.

8. Members must leave the wash rack clean after using as a courtesy to other exhibitors.

9. Wood shaving sponsorship certificates will be provided to all livestock exhibitors. It is the exhibitor’s responsibility to pick up certificates at the fair office beginning Saturday, July 20.

10. All alleys must be cleaned by 4:00 p.m. on Tuesday and 9:00 a.m. and 4:00 p.m. Wednesday through Sunday and kept clean throughout the day and also at the conclusion of the fair. Exhibitors are responsible for the alleyway in front of their pen and wash racks as well. All used bedding is to be placed in a designated location. Bedding is composted, so please keep it free of any and all trash.

11. It is mandatory that 4-H members check their animals and provide water (poultry, rabbit, sheep, goat, beef, llama/alpaca and swine) two hours before barns are closed for the night.

12. A water container, with water, must be visible and available for watering on a regular basis in each pen at all times. Nipple waterers must be used for hogs. Water containers for sheep/goats must be attached to the pen to minimize spilling.

13. No open feeders, large water troughs, large buckets or barrels are to be left in pens all day. After your animal has finished eating, please remove any feed receptacles from your pen until the next feeding. Exception: Dairy animals and poultry should have water and food available.

14. Feed must be kept in a solid container.

15. Every exhibitor/seller is responsible for the care and feeding of his/her stock until it is loaded for release on Sunday, July 28, 2019 at 5:00 p.m. This also includes all animals sold at the sale.

16. All pens, stalls and alleyways will be checked throughout the day, each day, by the appropriate Superintendent. If pens are not cleaned, members will receive a written warning. The second written warning will be issued to the 4-H member and parents. A third written warning will result in all fair monies forfeited.

17. Noncompliance may lead to disqualification by the superintendents and personnel will be hired to tend the stock. The cost will be deducted from the sale price due the exhibitor/seller and all prize money forfeited.

18. In all showmanship classes and first round of Round Robin, exhibitors must show their own animal.

PROTESTS:
Protests will be handled as follows:

1. The decision of the superintendents and judges shall be final, except in the case of a Fair Treatment Challenge Form written protest.

2. A Fair Treatment Challenge Form, accompanied with a fee of $100.00 cash (no checks) must be filed in writing on the Fair Treatment Challenge Form with the Extension Agent responsible for the activity where the incident occurred within 24 hours of the incident.

3. Challenges can only be submitted by 4-H members.

4. Please see the Fair Treatment Protocol attached to the Fair Treatment Challenge Form for further information and procedures. NO WEIGHT CHALLENGES or JUDGING DECISIONS WILL BE HEARD.

5. The Fair Planning Committee will have the final decision on any protest.

6. Costs incurred by the Fair Planning Committee to resolve the protest will be paid either by the exhibitor if the protest is not sustained, or by the exhibitor if the protest is sustained.

**ETHICS:**
1. The goal of 4-H is to develop productive, responsible youth who will become respected leaders for tomorrow. We expect all county Fair exhibitors and parents to ascribe to and maintain the highest standards of ethical practices. This encompasses honesty and integrity in record keeping, showmanship, herdsmanship, and respect for other exhibitors. **Any practices deemed unsafe, inhumane or unethical shall be cause for immediate disqualification and forfeiture of any premiums. The decision of the Fair management is final.** Unethical practices include, but are not limited to the following:
   - Doctoring, doping, tubing or injecting show animals for body “fill-in” or the alteration, changing, defacing or any medication of the markings of show animals and the anatomical structure of an animal; any type of injection where oils, glycerin or like substances are used for body “fill-in,” external applications of such things as liniments and blistering agents that would cause an edematous condition; use of ice packs or other refrigerants to alter the quality of the finish of an animal.
   - Icing of animals will not be allowed.
   - Drenching will be allowed with drench guns, but the use of stomach pumps are prohibited. Rabbits and poultry may not be drenched prior to weigh-in. See rabbit rules, page 79 and poultry rules page 75.
   - Changing the color of hair at any point, spot or area on the animal’s body or any grooming material that allows color to be rubbed off from any animal will result in disqualification.
   - No altering structure of hair or wool coat except for trimming and blocking will be allowed.
   - Any entry adding an artificial tail head or tail fin, artificial poll, or adding any hair or hair-like substance will be disqualified.
   - The showing of livestock of any ineligible age or showing of unethically fitted livestock is prohibited.
   - Altering true weights of animals by excess mud on the animal, loading down sheep with heavy blankets, drenching beef, dousing with water prior to weigh-in, or any attempt to alter weights (beyond the normal practice of voluntary feed and water consumption) to make the minimum weight.
   - Showing an animal not owned by the exhibitor.
   - Bringing animals to the Fair that are not broken to lead, thus, causing safety problems or resulting in delays or disruption of the show.
   - Copying last year’s record book, or someone else’s records to meet completion requirements.
   - Feeding or injecting controlled substances, fluids, drugs, or steroids in an attempt to alter an animal’s normal body composition or appearance.
   - Inhumane treatment of animals such as: neglect, abuse, withholding feed and/or water, excessive kicking or hitting of animal, etc.
   - Switching ear tags, altering official ear tags or tattoos, switching animals prior to sale.
   - Showing a market animal at another Fair after it was auctioned for processing at this livestock sale.

2. All Champion and Reserve Champions may be examined by the fair vet for violations of ethics rules outlined in this book.

**DRUG TESTING:**
1. The Arapahoe County Fair reserves the right to administer testing, to include DNA, urine, blood, tissue, ultra-sound and retinal scanning, for any foreign substance on any animal at any time while that animal is on the Arapahoe County Fair premises.
2. Artificial enhancements, surgeries or injections that alter or enhance an animal’s phenotype are also prohibited. Any surgical procedure or injection of any foreign substance, natural solution or drug or the external application of any substance (irritant, counterirritant or similar substance) which could affect the animal’s performance or alter its natural contour, conformation or appearance except the external applications of substances as outlined on page 53, rule#6 under Show Rules which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the animals health, is prohibited.
3. Upon ultrasound evaluation of animals, if there are any signs of alteration or enhancement of an animal’s phenotype or abnormalities detected and the animal is sold through the Arapahoe County Fair Junior Livestock Sale, the carcass can be examined for unethical fitting, alterations or enhancements of its phenotype as well as the hide confiscated and examined for injection sites that do not comply with Colorado Meat.
Quality Assurance program procedures and good production practices.

4. Please read the Drug Test Waiver, on page 120. The Drug Test Waiver, will be done electronically when pre-entering.

5. Drug testing fees for all market animals except hogs must be submitted when animals are tagged for the Arapahoe County Fair.

6. Swine drug test fees will be collected at the mandatory swine meeting when ear tags are picked up.

7. All Grand and Reserve Grand champion animals of each species in the Market divisions will be tested.

8. All market beef, sheep, goat and swine exhibitors will pay a $10 fee per market animal to cover the cost of testing when animals are tagged for the County Fair.

9. Any cost to prove or disprove a positive test will be borne entirely by the exhibitor.

10. Random stress testing on market hogs may also be done.

11. Random Drug testing will take place as animals are unloaded at the County Fair. Five percent of the market animals will have samples taken as they are unloaded.

12. The test results from the testing laboratories are final and binding upon the exhibitor, the exhibitor’s parents or guardian even if the exhibitor, or the parents or guardians did not administer the drug or foreign substance to the animal. The exhibitor and the exhibitor’s parents or legal guardians agree when signing the fair pre-entry form that they are the persons absolutely responsible for the care and custody of their animals in preparation for and while at the Arapahoe County Fair.

13. Any exhibitor whose animal tests positive for any drug, foreign substance or is altered in violation of these terms and conditions will be disqualified and forfeit all premiums, trophies, buckles, awards, ribbons, and sale monies received for the animal that tested positive. Member will not be allowed to show livestock in the Arapahoe County Fair the following year. In addition, action may be taken against the exhibitor and their parents or guardians by the USDA or State of Colorado. The 4-H member will lose their good standing status in the state of Colorado for one year, which would prohibit them from participating in ANY additional livestock shows during their probation.

USDA MEAT, MILK, AND EGG QUALITY ASSURANCE STANDARDS: The Arapahoe County 4-H program and County Fair management endorses and supports the USDA Wholesome Meat Assurance Act.

1. MQA Training Requirements:
   a. All new and current 4-H members advancing to intermediate (11 years old) or senior (14 years old) must complete a Meat Quality Assurance (MQA) workshop if enrolled in any goat, beef, sheep, swine, poultry or rabbit project(s).
   b. MQA training must be done 45 days prior to the Arapahoe County Fair in order to be eligible to exhibit at the county and/or state fair(s). Proof of compliance must be submitted to the Arapahoe County Extension Office.
   c. 4-H members are required to attend a MQA training during their first year in a livestock project regardless of their age.
   d. 4-H members advancing to a new age group (intermediate and senior) must also attend an MQA training.
   e. If the 4-H member unable to attend an MQA workshop in Arapahoe County, they may attend an MQA workshop in another county OR they may obtain a Youth for the Quality Care of Animals (YQCA) certification online or in person at their own expense. YQCA certification is valid for only 1 year and therefore the member must attend a Colorado MQA training the following year.
   f. Exhibitors enrolled in market and/or breeding livestock projects will complete and sign the Wholesome Meat Act Agreement at the Arapahoe County Fair.
   g. By signing the agreement, 4-H members indicate their understanding of and compliance with the Wholesome Meat Act and the Ten Good Production Practices; i.e., taught during MQA. Additionally, the consequences of failing to comply with the Wholesome Meat Act Agreement may result in removal from all 4-H livestock projects for the 4-H member/family. This agreement must be completed for each livestock project the 4-H member is enrolled in.

Good Luck Fair Contestants!
e. Agree to withdraw entry from Fair Livestock Auction for non-compliance with health and/or wholesome meat assurance standards.

f. Hold harmless the Arapahoe County Fair Youth Livestock sale committee, the Arapahoe County Fair staff and management for any loss or damages incurred from the loss of meat or income should an animal be disqualified from the sale or condemned during processing under the conditions of the USDA Wholesome Meat Assurance Act.

a. Colorado and Federal laws prohibit the marketing of unsafe or unwholesome animal products into the food chain for human consumption. Livestock producers, including 4-H members, who violate quality assurance standards may be criminally liable to prosecution. In addition, by Colorado 4-H policy, violation of quality assurance standards may result in the State 4-H Office changing the “member in good standing” status of any member who violates MQA standards to 4-H member being “not in good standing” and all sanctions that go with that for one year in 4-H.

b. If a member, parent or leader enrolled in a 4-H livestock project violates provisions of either the Wholesome Meat Act or the Meat Quality Assurance Act, the state 4-H office can take away the good standing of the violating member or leader and they will be unable to participate in 4-H contests, fairs or events for one year.

c. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian, for the sole purpose of protecting the health of the animal.

Exhibitor/seller is responsible for care and feeding of all breeding and market livestock until loaded/released on Sunday, July 28, 2019 at 5:00 p.m. Noncompliance may lead to disqualification by the superintendent and personnel will be hired to tend the stock and the cost will be deducted from the sale price due the exhibitor/seller and all prize money forfeited.

• The full use of modern therapeutic measures including phenylbutazone for the improvement and protection of the health of the horse is permitted, unless the treatment may also stimulate or depress the circulatory, respiratory, or central nervous systems.

HORSE HUMANE POLICY STATEMENT:
1. It is the responsibility of every 4-H member to ensure that proper care is taken of their horse according to acceptable methods of good equine husbandry, as set forth by CSU and the Colorado Department of Agriculture. A healthy horse requires sufficient food, water, shelter and correct health care. Cruel and inhumane training methods are not appropriate in the Colorado 4-H Horse Program. Specific equine husbandry guidelines and humane training methods are provided in the Colorado 4-H Horse Project Manual.

Deviations from the dress code will result in a request to change. This dress code is not subject to personal interpretation. A state officer, adult leader, advisor, or chaperone may deem clothing inappropriate. In addition, some activities or events will have specific dress requirements that will need to be followed.

2. Appropriate dress consists of:
   - Clothes are clean and in good repair, free of holes, tears, or slashes.
   - Clothes are free from violent or drug-related material, or anything that alludes to violations of the 4-H Code of Conduct.
   - Shorts, skirts and dresses must be mid-thigh length. No cut-off shorts allowed.
   - All items designated as underwear are kept under cover.
   - Halter-tops, tube tops, or tops that expose undergarments are not allowed.
   - No pants or shorts that expose undergarments.
   - No spaghetti straps on shirts or dresses, with the exception of formal attire, or when under suit jackets. If the suit jacket is removed, the shirt must be covered by another means.
   - No see-through garments or muscle shirts.

   - No pajamas during show.

3. Appropriate clothing must be worn in all dog show classes, including Obedience and Rally.

4. If the clothing has been deemed inappropriate by a judge or Superintendent, the member can be denied the opportunity to show their dog until the clothing has been changed.

5. The Member will be given 5 minutes to change into an appropriate outfit if the judge or Superintendent deems their clothing inappropriate.

6. It is always a good idea to have another person observe you before you go into the ring making sure that the clothing you are wearing is appropriate when bending, stooping or kneeling while showing your dog. If it is not, it is advisable to change clothes.

DOG SHOW/CONTEST RULES:

1. Fair entry time for dogs is 8:00 - 8:30 a.m., Sunday, July 21. Late entries are subject to a $25 late fee at the discretion of the Superintendent. Show begins at 9:00 a.m.

2. Exhibitors will pick up their armband numbers at registration. The armband numbers will be the same for each entry. The member must have his/her own number on his/her arm. The armband numbers will be checked by the Extension Agent or Superintendent.

3. Bring your up to date State 4-H E-record book(s) to be checked by the Extension Agent or Superintendent.

4. Arapahoe County 4-H Dog Show officials and/or staff can and will dismiss any entrant or their families from the show for any mistreatment of dogs entered in this show. If a question should arise as to what constitutes "mistreatment", the County 4-H staff and/or officials will meet to decide appropriate action in each case.

5. Any negative behavior on the part of the exhibitor and/or families, or leaders directed toward any show official will result in disqualification and awards forfeited.

6. Entrants are encouraged to use the Animal Care and Housing Form for Colorado 4-H Livestock Projects.

7. During the show, all spectators including parents will remain outside the judging arena and office and not question the placing or speak to the judge.

8. If there is a question as to the rules or the judging of a class, adult family members or leaders must approach the Superintendent of that division and not the judge. The Superintendent will then take the question to the judge if warranted.

9. If a dog has failed an exercise, it will not ordinarily be rejudged unless the judge feels the dog’s performance was prejudiced by peculiar and unusual conditions. In such a case, the judge may wish to re-judge the dog only on the portion of the exercise in which the unusual condition occurred.

10. Spectators/parents must stay at least ten feet from the ring.
11. No set-up will be allowed anywhere near the rings. Allowable set up areas will be designated and no one will be allowed to set-up in any other areas.
12. All entrants will be responsible for cleanup after their dogs. Failure to do so can be a basis for dismissal from the County Fair 4-H Dog Show and/or forfeiture of any placing.
13. Only the judge, superintendent(s), 4-H Staff, tabulators and appointed secretary are allowed behind the table and in the office.
14. All dogs and exhibitors should arrive at 8:00 a.m. and shall remain until the completion of their last class.
15. All exhibitors are to remain on site while score sheets are tabulated, so that awards can be handed out at the end of the day.
16. All dogs must be on leash at all times while at the Arapahoe County Fair except when judging requires off-lead work in the show ring.
17. Dogs which are deemed to be a danger to people or other dogs can and will be removed from the show grounds and all classes forfeited. This will be determined by the Superintendent.
18. The Arapahoe County 4-H Dog Show is a 4-H show. As such, 4-H youth development principles are of primary importance. Show rules and guidelines are modeled after AKC rules whenever possible except that dog registry with AKC is not required. Differences between AKC and 4-H are noted by an asterisk on the score card printouts.
19. All exhibitors are encouraged to enter obedience classes plus showmanship because scores will be combined when determining county Overall Championships.
20. Rally classes are not used in determining Overall Dog Championships.
21. Dog tags (name tags, rabies tags or anything else that hangs from a dog’s collar) are not allowed in the ring. Tags must be worn at all times except in the ring.
22. Only the correct equipment for the appropriate class should be used.
23. The length of your obedience leash should be six feet for all Beginner Novice classes, but may be shorter for all other classes. (Preferably leather lead).
24. Allowed collars in classes include flat or rolled leather or nylon with buckle or snap closure or metal choke chain.
25. Halties, gentle leaders, harnesses or pinch collars will not be allowed in the show ring.
26. Collars and leads must be 2 separate pieces. Slip leads are not allowed.
27. Depending on what you are wearing in the showmanship ring, use proper kneeling etiquette. If you are in a skirt, it is best to kneel on both knees. If you are wearing pants, it would be appropriate to kneel on only one knee. (See #6 under dress code. P. 96)

**DOG ELIGIBILITY RULES**

1. After earning a qualifying score in Obedience or Rally competition as a 4-H project dog at the State Fair, that dog is no longer eligible to compete in that same or lower Obedience class at any following Fair, except obedience: Grad Novice, Open, Grad Open and Utility classes and Rally Advanced-Excellent.
2. If a dog has received a qualifying score in Obedience - Grad Novice, Open, Grad Open, Utility, or Rally - Advanced/Excellent at a previous State Fair, they may stay in that same class as a “B” level competitor for as long as they need to complete the training required for them to move up to the next class.
3. A dog with any other rally or obedience title from any nationally recognized title-granting organization (A.K.C., U.K.C., A.S.C.A., etc.) is disqualified from entering the class for which the degree was awarded or any lower class; except if the title was won less than four months before the County Fair, then the dog is eligible for only the same class. Rule #1 takes precedence over this rule.
4. If the dog receives a title more than 4 months before the State Fair Dog Trial, they must move up to the next class. The exceptions to this titling rule are Obedience – Grad Novice, Open, Grad Open, and Utility; and Rally Advanced/Excellent. 5. A bitch in season may be shown at the Arapahoe County Fair only if the exhibitor communicates with the superintendent or Extension Office prior to the show and complies with established guidelines. A bitch in heat, obviously pregnant or lactating will not be allowed to compete in any classes at the State Fair.
6. Dogs in obvious pain from a previous illness or injury shall not be shown. If a dog is injured at a show, that dog will be excused from the ring. Consideration of a dog’s physical disability needs to be addressed between the handler and project leader before starting the project.
7. All dogs participating in the County and State Fairs must show proof of vaccine for canine distemper and parovirus within 3 years or serum titers indicating proof of effective immunity (at the time of County Fair pre-entry).
8. A current rabies vaccination certificate must also be provided. Titers are not accepted.
9. Date of the vaccinations must be provided with the pre-entry and in the project record in the place provided.
10. Proof of vaccinations must come from a licensed veterinarian or the dog is not legally considered vaccinated.
11. If the member’s dog receives Rabies immunizations which are given by anyone who is not a Colorado State licensed veterinarian, these immunizations will not be recognized by law should the dog bite someone.
12. If a member’s dog does not receive Rabies immunizations as required by the state of Colorado for all 4-H dog project participants, a certificate from the member’s veterinarian stating the reason must accompany the Arapahoe County Pre-entry.
13. It is highly recommended that dogs eligible for State Fair be vaccinated for kennel cough.
14. **Recommendations to minimize the change of infectious disease spread at the Dog Show:**
   a. Do not bring dogs who have shown signs of respiratory (sneeze nasal discharge, or cough), gastrointestinal (vomiting or diarrhea), or skin

9. Record books will be collected and evaluated by club leaders.
10. Members with incomplete record books which score less than a 70% will be given one week to revise their record book to reach a score of 70% or higher prior to September 5.
11. If revisions are required, the member will not be eligible for year-end record book awards but will satisfy the completion requirement.
12. Members with records considered incomplete will not be allowed to participate in the incomplete project the following year.
13. Premiums for Dog Fair placings will be paid by check and may be picked up by the exhibitor at the CSU Extension office/Arapahoe County once they are made available. 5. Only one command can be given in obedience classes, per exercise, unless additional commands are appropriate to that class. Use of the dog’s name with a verbal command (Spot, sit!) can be used. If verbal commands are not used, one appropriate hand signal may be used.

**VETERANS DIVISION**

1. Any dog 7 years old or over may be shown in the Veteran’s Division.

2. Veteran Division dogs will be allowed/required to jump ⅔ of their regulation jump height. They will be required to perform all exercises in their class; jump height will be the only difference from the regular class.

3. Once a veteran dog can no longer jump at least ⅔ their regulation jump height they must be moved to a class that does not require jumping. Members, parents, trainers, and leaders cannot determine a jump height for a dog. They will be judged at ⅔ their required jump height.

4. Dogs shown as a Veteran are not eligible for any other Obedience classes.

5. It is the choice of the member, the member’s parent, and the member’s trainer and veterinarian as to giving a dog Veteran’s designation.

6. Veteran dogs will compete at the obedience level the member chooses, from Novice up through Utility.

7. A veteran dog may change obedience levels in either direction each year as their health determines.

8. Scores will be calculated as follows:
   a. Novice: judge’s score
   b. Pre-Grad-Novice: judge’s score plus 3 points
   c. Grad Novice: judge’s score plus 6 points
   d. Open: judge’s score plus 9 points
   e. Grad Open: judge’s score plus 12 points
   f. Utility: judge’s score plus 15 points

9. Veteran dogs will compete only against other veteran dogs for ribbons and awards. Their scores will not count toward awards in any other Obedience divisions.

10. If a dog is entered as a Veteran during a project year, they may go back to regular obedience the following year; however, they must go back to the level they would have been competing at before they moved to veterans.

**PUPPY PRE-OPEN CLASS INFORMATION**

The purpose of this class is to introduce obedience commands to a puppy without the stress of perfection seen in regular obedience classes. This class will introduce the puppy to dog shows in a positive manner, thus setting the puppy up for a lifetime of enjoyment in the show ring.

1. **Handlers** - Handlers will be encouraged to use a reward system of food treats or toys in the ring to reward the puppy during and after each exercise. Double commands (or more) will be allowed. This class will be evaluated more on the handler’s skill in training a young dog and dealing with the animal’s mistakes than on the skill of the animal when performing the exercises. This will be a NO SCORE CLASS. The score sheet will consist of Excellent, Good or Needs Improvement in each of the following areas:

   a. **Loose Lead Walking** – This exercise is used to encourage the puppy to feel comfortable and happy on lead while maintaining a distance of no more than two feet from the handler’s left side. This does not need to be heel position. Handlers may use bait and toys to keep the puppy in the correct position, and may tell the puppy to sit after a “Halt.” Things to be considered in judging include the enjoyment of the puppy, the bond between the puppy and the handler, and the handler’s ability to get the puppy’s attention back after a distraction.

   b. **Sit for Exam** – In this exercise the puppy is commanded to a sit position. The judge will approach the puppy and examine it. The judge is required to handle the puppy’s ears, mouth, and one front foot during the exam, although petting and scratching are encouraged. The purpose of this exercise is to teach the puppy to accept handling from a friendly stranger.

   c. **Recall** – The handler will command the puppy to stay in a sit position and will step just in front of the
puppy with his or her toes no more than six inches from the puppy’s front feet. When the judge says “Call your dog,” the handler will proceed to walk backward no more than six feet while calling the puppy. The puppy should get up and follow the handler in a happy manner. After the six feet has been reached, the handler will command the puppy to sit.

d. **Down Stay** – The handler will put the puppy in a down. When the judge says “Leave your puppy,” the handler will tell the puppy to stay. The handler will walk to the end of the lead, pause, and then immediately walk behind the puppy and back to heel position.

e. **Serpentine Walking** – The puppy and handler will walk on a loose lead through a serpentine of three people positioned in a straight line. The expectations are the same as for Loose Lead Walking, with the addition of the distraction of the three “posts.”

4. After one year of showing in the Puppy Obedience Class: If the member was in their 1st year of obedience training, the team moves into Beginner Novice A Obedience, if the member was in their 2nd year or higher of obedience training, the team moves to Beginner Novice C 1st year.

DIVISION 79B - SHOWMANSHIP CLASSES

Project Exhibit Rules:
5. Only one dog may be exhibited in showmanship. It may be a different dog than entered in obedience.
6. Exhibitors should be prepared to answer questions about their dogs and AKC Junior Showmanship rules as part of their showmanship competition.
7. A first year dog project member may enter the Open Showmanship class but will not be eligible to compete at State Fair if they receive a qualifying score at County Fair. It is to the first year member's advantage to compete in the Novice Showmanship class at County Fair.
8. Unless it is a health or safety issue for the exhibitor or dog, all appropriate dogs will be tabled for showmanship.
It is always left to the judge’s discretion. See Tabled Breed List. For a complete list go to www.akc.org. Also refer to pages 109 of the Dog Manual.

General Tips for Showmanship:
1. A brush, comb and a drool rag will be allowed in the ring. No other equipment is permitted.
2. A revised showmanship score sheet for 2019 will be used.
3. Members with smaller breeds will be expected to show their dogs on a table. Judges will take into consideration the size and physical abilities of the handler. A list of most of the table breeds can be found in the project manual on page 108. A more complete list is available on the AKC website www.akc.org.
4. If a member is showing a mixed-breed dog, they should determine what breed their dog most resembles, and show in the manner of that breed. If you have a mixed breed dog, you can go to the AKC website and look at different pictures of the breeds of dog to decide which breed your dog looks most like. (See Dog Manual page 109)

NOVICE SHOWMANSHIP: Junior, Intermediate and Senior Novice classes are for those members who are in their first year in the 4-H dog project and have no prior experience with any other dog showing entity. If exhibitor has prior experience, they must show in open class in the appropriate age group.
CLASS 955: Junior (8-10 as of Dec. 31, 2018)
CLASS 956: Intermediate (11-13 as of Dec. 31, 2018)
CLASS 957: Senior (14-18 as of Dec. 31, 2018)

OPEN SHOWMANSHIP competition is for those members in their second year or higher in the 4-H dog project with previous experience in showmanship.
CLASS 958: Junior (8-10 as of Dec. 31, 2018)
CLASS 959: Intermediate (11-13 as of Dec. 31, 2018)
CLASS 960: Senior (14-18 as of Dec. 31, 2018)

INTERMEDIATE & SENIOR ADVANCED CLASSES:

a. Any member who has placed in the top ten in the Intermediate or Senior Open Showmanship classes at any previous State Fair must show in Intermediate or Senior Advanced Classes for their remaining years in that age group.

b. If a member who has shown in the Intermediate of Senior Advanced classes gets a new dog, they have the choice to either continue showing Advanced classes or move back to Open Class in their respective age groups.

c. If the member chooses to move back to Open Class in their respective age group with a new dog, they must then qualify the new dog to move to the Advanced classes by placing in the top ten at State Fair.

d. A Senior member who has moved up by age from either the Intermediate Open or Advanced class may choose to show in Senior Advanced by advice of their leader and taking into consideration the caliber of the member. Some reasons for choosing this move are:
   ➢ The member placed Grand Champion or Reserve Grand Champion at a State Fair Dog Show in the Intermediate Division.

   ➢ This member has received Best Junior Handler awards from any National Dog club.

CLASS 961: Intermediate (11-13 as of Dec. 31, 2018)
CLASS 962: Senior (14-18 as of Dec. 31, 2018)

MASTER SHOWMANSHIP: Previous Intermediate and Senior Grand or Reserve Grand Champion Winners at the Colorado State Fair are required to enter this class. Youth may enter the Master Showman or the Intermediate or Senior classes appropriate for their age, but they cannot enter both classes. Intermediate and Senior Grand and Reserve Grand Champions MUST move up to the Master Showman Class. If the member is in the Intermediate age group, when becoming a Senior (14-18), they can either stay in the Master Showman group or move to the Senior ADVANCED CLASS ONLY. A member who wins this class cannot enter any lower class. If a member who has entered in the Master Showman class should get a new dog, that youth may choose to either stay in the Master Showman class or to enter the Advanced class in whichever age division they belong in (Intermediate or Senior)

MASTER SHOWMANSHIP:
CLASS 963: Intermediate (11-13 as of Dec. 31, 2018)
CLASS 964: Senior (14-18 as of Dec. 31, 2018)

No additional obedience or showmanship classes will be added other than those established by the State Fair.

Please Note: During the Showmanship class each area of judging will be judged throughout the entire class. The score will reflect the member’s ability to perform these items throughout the class and not just one time. For example: The dog should be stacked (either hand stacked or free stacked) upon entering the ring, during the exam, after the pattern, and any time they are in the line-up. The “set-up” score will reflect all of these times when the dog is stacked. A qualifying score will be 170 points out of the possible 200 points.

DIVISION 76C – RALLY CLASSES

Please Note: The Colorado State 4-H Dog Program has adopted changes to the Division as were outlined by the American Kennel Club in November 2018. Some signs have been renumbered.

Project Exhibit Rules:
1. Any 4-H member showing a dog which they did not title should start in the Novice Division. If a 4-H member did not title the dog, then he/she should compete in the Novice Division as it is important that they learn to give the proper commands and follow the patterns before moving to higher levels.

2. A dog with any other rally or obedience title is disqualified from entering the class for which the degree was awarded or any lower class, except if that title was won less than four months before the Fair. In that case, the dog is eligible for entry in the same class.

3. In all classes points will be deducted in the Rally classes for the following: strong correcting, disciplining, fouling the ring, excessive barking, leaving the ring, rules violation or showing fear.
4. Handlers entered in B classes will be judged at a higher skill level (handler errors) than handlers entered in A classes.

ARAPAHOE COUNTY FAIR CODE OF CONDUCT
Adopted by Arapahoe County Fair Planning Committee

The Arapahoe County Fair Planning Committee has a long-standing set of expectations for conduct and behavior at the Arapahoe County Fair events and activities. These expectations are based upon principles of caring, citizenship, fairness, respect, responsibility and trustworthiness. The following Code of Conduct is the basis of these expectations for fair volunteers, parents, leaders and youth.

- Adhere to the COLORADO 4-H CODE OF CONDUCT which is signed by all 4-H members, parents and leaders when enrolling in 4-H. Copies available in the 4-H fair office and on-line.

- Adhere to the ARAPAHOE COUNTY FAIRGROUNDS MANAGEMENT RULES AND REGULATIONS found in the Arapahoe County Fairgrounds Emergency Operation Plan. Copies available in the fair offices and in Superintendents’ notebooks.

- Abstain from the use of alcohol, marijuana or any illegal drugs while participating in youth events/programs. Leaders, parents and volunteers should limit their tobacco use to areas designated as smoking areas.

- Provide a safe learning environment, free of physical abuse, verbal abuse, mental abuse, ethnic, racial and sexual harassment or exploitation of youth.

- When transporting youth, have a valid Colorado driver’s license and insurance as prescribed by Colorado law and maintain the vehicle so that it is safe and reliable for the conditions, weather, and distance for which it will be driven.

- Respect the rights and authority of the Fair Grounds Management, Fair Planning Committee, leaders, parents and CSU Extension staff in Arapahoe County.

- All animals are to be treated in a humane manner. Adequate feed, water and shelter are to be provided at all times.

- Physically abusing an animal is unacceptable at all times and the maltreatment of animals will not be tolerated. Striking an animal is absolutely prohibited.

Violation of items listed above will result in consequences to the offender. Law enforcement may be called and illegal behaviors may result in citations or arrest. All actions deemed necessary by the Fair Planning Committee, CSU Extension in Arapahoe County, and Fairgrounds Management will be final.
Display Board Guidelines for State Fair 4-H Exhibits

Display boards are a great way to share information, but when viewers walk by, they spend only 60-90 seconds looking at each display board. Make yours stand out by highlighting the main points of your project in a fun, interesting way.

Follow these guidelines to create a display board for the state fair.

**SHAPE**
Design your exhibit so information fits on the display. Remember, you have 1 large surface, and 2 smaller side wings.

**TEXT**
Make sure that all the text on your display is easy to read. Use a large font for the title, and smaller fonts for the headings and body text. Text must be readable from 3-5 feet away. Use large bold letters. Dark letters on a light background works best.

**SPACE**
Your display should only discuss one main topic. This will help it look neat and uncrowded.

**ATTACHMENTS**
When attaching pictures or objects to your board make sure they are secure. Use glue for pictures and paper, and consider wires, zip ties or staples to attach bulkier items. Do not attach items that are so heavy that your board can’t stand or fold.

**SIZE**
Display boards for the state fair must measure 4 ft. wide x 3 ft. tall. They should be made of lightweight cardboard, but not poster board. Pre-cut boards are available at most craft and shopping centers. No part of your display may extend beyond these boundaries.

**DISPLAY BOOKS**
Your e-record book should accompany your board. You may use 3-ring binders or other notebooks that will keep the pages securely inside. You may not use slider-type binders.

Please place a label with the following information in the upper right-hand corner of the front cover:
