ATTRACTIONS

PRESENTED BY

SEA LION SPLASH With non-stop tricks like balancing balls, shooting hoops, performing handstands and dancing, these talented sea lion entertainers keep crowds cheering and laughing! This is the only show in the U.S. that features both California and South American sea lions.

WILDLIFE WENDY & HER TROPICAL BIRDS Wendy and her precocious parrots put on an entertaining show that mixes fun with fact, bringing awareness and appreciation of these intelligent creatures. The fast-paced act includes clever tricks, mimicking and free-flight demonstrations.

THE MOOGICIAN If you're a fan of magic, comedy, juggling or music, you'll love this family friendly act. The Moogician developed his entire show while living on a dairy farm. He keeps crowds "udderly" entertained with all of his dairy related material. Careful, though, he's been known to "milk" the applause.

ARKANSAS CIRCUS ARTS Professional acrobats, stilt walkers, jugglers and other performers will have you on the edge of your seat with their gravity-defying feats. After you see this high energy act, you just might want to run away with the circus!

THE EXOTIC ANIMAL PETTING ZOO

is an educational, "hands on" experience for children and adults, and is located in the Electric Cooperatives of Arkansas' Family Land. The attraction features exotic animals from around the world and pony rides for the children.

BARTON ROCK AND ROLL MUSEUM

Relive some of Barton Coliseum's most famous rock concerts. Located inside the northeast concourse of Barton Coliseum, the Rock and Roll Museum features concert memorabilia from 25 classic rock bands that played here.
