Dear Arkansas State Fair Livestock Supporter,

The Arkansas State Fair is quickly approaching and we are excited! First, I want to introduce myself. I am Dawn Mabry, the newly hired Arkansas State Fair Livestock Chairman. I am looking forward to working with you and doing my part to make an impact on the livestock youth of our great state.

I am writing today to ask you to be a part of the 2019 Blue Ribbon Campaign. As in the past, in order to make the Sale of Champions a success we need your support. We value and appreciate the support you've shown the youth of Arkansas in the past and we hope you will consider continuing to give to such a great cause.

Each year with your generosity we are able to make an even better experience for all of those involved and we will continue to increase that positive impact for many years to come.

Please reach out to me or either of the Blue Ribbon Campaign Co-Chairs that you have worked with in the past with any questions you may have.

Thank you in advance for your help. We greatly appreciate you.

Sincerely,

Dawn Mabry
