

JUNIOR BREEDING BEEF

Superintendent: Kevin & Michelle Rieff

SPECIAL RULES

JUNIOR BREEDING BEEF

JUDGES: Jake Franke & Chris Sankey

GENERAL RULES: All General Rules and Regulations and Junior Department specific rules listed for Arkansas State Fair Livestock Competition apply.

JUNIOR COMPETITION ELIGIBILITY: See Exhibitor Eligibility section of General Rules

REGISTRATION PAPERS & OWNERSHIP: See Junior Division Special Rules

BREED SHOW REQUIREMENTS: A breed show must have a minimum of ten animals shown by at least two exhibitors in order to qualify for an official show. Any breed listed in the current premium list that has less than ten head will show in AOB. If a breed in AOB has ten head or more shown by at least two exhibitors they will qualify for a breed show.

CARE AND CUSTODY: See Junior Division Special Rules.

FITTING/GROOMING AND ANIMAL CARE: See Junior Division Special Rules

ANIMAL MOVEMENT & HOUSING: See General Rules

SHOWING ANIMALS: See Junior Division Special Rules

PREMIUMS: Premiums offered by Breed Associations and Special Groups will be in addition to those premiums and awards listed by the Arkansas State Fair.

ANIMAL IDENTIFICATION & AGE: Tattoo numbers or brands of all breeding animals shown may be checked by a Livestock Office assistant or an official of the National or State Breed Association at any time. If an animal's tattoo is not legible or cannot be read upon initial processing, it will be ineligible to show and not be allowed to return with a new or corrected tattoo. All animals entered in the breeding classes are subject to mouthing. Any animal found to be over age for its class will be banned from competition and the exhibitor may suffer penalties.

GROUP CLASS ENTRY: Exhibitors who are entering a group class or bred and owned class must do so by normal entry deadline. THERE WILL BE ON SITE ENTRIES IN 2019 for a fee. Animals shown in group classes must have been entered and shown in individual classes. No County Group classes are offered.

JUNIOR BEEF SHOWMANSHIP: See Showmanship Information under Special Shows

BREED SHOWMANSHIP COMPETITIONS: Breed showmanship contests are the responsibility of the Breed Association. Breed associations may select someone to judge showmanship while breed show is in progress OR at the end of the day after all judging is completed. **Time will not be allowed during specific breed shows for showmanship.**

ANIMAL HEALTH: Animals demonstrating signs of warts or other disease will be disqualified and will be required to leave the Fairgrounds.

Breeding of animals in purebred and composite classes must meet applicable breed standards.

Charolais-----15/16 or Greater
Charolais Plus-----50% to 15/16
Chianina-----6.25% or Greater
Limousin-----7/8 or Greater
Lim Flex-----25% to 75%
Maine Anjou-----75% or Greater
Maintainer-----25% to 74%
Shorthorn-----15/16 or Greater
ShorthornPlus-----Atleast 50%
Simmental-----7/8 or Greater
Percentage Simmental-----1/2 to 7/8

Attention County Extension Agents and Vo-Ag Instructors:

You must fill out a stalling information form on all Beef Exhibitors from your County or Chapter. All Beef Exhibitors from your County or Chapter **MUST** be listed in order to assure space. Also, any Open Exhibitors that are to be stalled with your Jr. Exhibitors **MUST** be listed.

(Exhibitor must present the dam’s registration papers with exhibitor listed as the owner at check in, or be listed as Breeder and Owner on Registration papers)

There **will** be onsite entries in Bred and Owned Classes for a fee

JUNIOR ANGUS SHOW – SPECIAL INFORMATION

THE AMERICAN ANGUS ASSOCIATION, 3201 Frederick Avenue, St. Joseph, MO. will participate in premiums offered in individual classes for Junior Angus heifers, bred and owned heifers, bred and owned bulls, cow/calf pairs and registered Angus Steers as included in its standard show classifications, according to the premium schedule based on the number of head shown. The Association contributions will be included in the premium checks issued by the show.

A minimum of fifteen (15) head must be shown in the Junior Angus classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.

Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.

Only bred and owned bulls may be counted in the numbers report for premium participation.

To be eligible for Association premiums, the entries must be recorded in the sole name of the Junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.

The animals must be judged by the **American system of judging** (they must be placed numerically and the ribbons and premiums awarded in the same manner.) The American Angus Association does not offer financial assistance or awards on any show judged under the Danish or group system of judging.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in championship classes. An animal may be counted one time toward the total count for premium participation by the Association.

Exhibitors must have the original registration certificate on each animal available for inspection at the show.

Any animal, upon check-in, which does not have a legible tattoo corresponding to its registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible tattoo, animals cannot be re-tattooed and rechecked at the show.

Any female shown with calf at side, calf must be the cow's most recent natural calf and the calf must be registered by show date and have the original registration certificate at check in.

Only one person at a time shall lead animals into the show ring.

Any product administered internally or used externally to alter the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), use of graphite, powders, hemp or other similar substances externally and steroids, growth stimulants or artificial filling internally. Any animal found to be in violation will be barred from showing. The exhibition of cattle displaying false hair will not be allowed, with the exception of false tail switches.

For an exhibitor to be eligible at shows for premium monies contributed by the American Angus Association, each exhibitor is subject to Part 3, Section IX of the Association's rules entitled "Eligibility Conformation and Structure of Animals Presented for Exhibition." Included in this is rule 11: "Effective July 1, 2004, at any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, and individuals assisting exhibitors or member owners at such show be allowed to use any coloring agents, on any animal exhibited." The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make up areas."

DNA MARKER OR BLOOD TYPE FOR PARENTAGE VERIFICATION -- Under the Association Rules, each animal for which entry application (registration) is received, may be subjected to a DNA marker type or blood type test to verify ACCURACY OF PARENTAGE as covered under Association Rules. Staff of the American Angus Association must supervise the collection of DNA or blood samples. Animals are often sampled at shows, fairs, or events where the American Angus Association contributes premiums or where Association personnel participate.

If a recorded parent is excluded (as a parent) as a result of DNA or blood type, the owner may request, at his own expense, the Association to determine the actual parent. Failure to determine the sire and dam disqualifies the animal's eligibility in the Angus Herd Book, and the registration certificate becomes null and void.
