BINGO in Bandera County: American Legion Post 157 & Pipe Creek VFD Bingos are Cancelled Until Further Notice							

Thunder in the Hill Country Update from CEO of Biker Rallies of Texas, Bill Taber – “After many discussions with Bandera County and City Officials and the opinions and feedback from the local Bandera community, businesses and our valued customers we have made the decision to postpone Thunder in the Hill Country 2020 Rally. We plan, based on the progression of the Covid-19 Virus crisis, to re-schedule the rally sometime in early to mid-May 2020.”

We are blessed to live in the Texas Hill Country surrounded with wide-open spaces and a landscape awash with the beauty of spring. We provide plenty of open space to practice “distancing”.

Be advised that as of now, there has been no reported case of the coronavirus in Bandera County. Also be assured that our county is diligently monitoring the situation. Residents, and visitors, are encouraged to follow the guidelines outlined by the CDC. If you are feeling sick, running a fever, or are experiencing respiratory distress contact your physician.

If not, and you have reservations to visit and/ or feel you would like to come to Bandera, we welcome your visit.

Our businesses are truly small businesses and they, like the rest of the nation, are feeling the impact of COVID-19. Please view our website, www.banderacowboycapital.com, frequently for updates. We are listing events that have been postponed or cancelled and attractions that might be temporarily closed to an abundance of caution concerning COVID-19.

Hang in there as we all “experience the longest, toughest 8 second ride imaginable” and remember that in ten years this will be as a minute in time. LIFE GOES ON.
