### **FACILITY USE FEES**

Fees will be charged for the entire time you require access to the facility, including time for setting up the event, decorating, and cleaning. If Event Center staff assist with all or part of your set-up and tear down, additional charges will apply. For large scale events requiring extensive set-up and tear down time, the client may add a pre or post non-event day at a discounted price. Half-day rentals are 4 hours or less: Full day rentals are over 4 hours.

All rental fees, insurance forms, alcohol permits and set-up schematics are due **45** days prior to event date. Access to the rental space will be denied without full payment of all rental fees and security deposit. Rentals being executed less than 45 days before the event require full payment at the time the rental agreement is signed.

For cancellations 45 days or more from scheduled event, renters will receive a full refund, less a \$100 cancellation processing fee. Cancellations made less than 45 days prior to the event will result in the loss of the full facility use fee paid to date (security deposit will be refunded). A change of event date will result in a \$100 administrative fee.

### **FACILITY USE FEE REDUCTIONS/WAIVERS**

The Event Center Manager makes the determination on all requests for fee waivers or fee reductions. Generally, these requests will not be granted for facility use on weekends or holidays. If a waiver or reduction is granted, your rental dates will be accommodated on a space-available basis. To request a fee waiver or reduction, you must contact the Event Center Office.

Nonprofit organizations receive a 30% discount on facility rentals only (add-ons are not discounted). The nonprofit discount requires submission of the 501(c) IRS determination letter.

### **EQUIPMENT RENTAL**

Benton County Event Center & Fairgrounds offers a variety of equipment for rent. Rental rates are based on per event usage. Extra tables and chairs above the ones included in the base rental, as well as other useful items, can be added-on to your rental. [CLICK HERE](#) for a pricing list. Clients are responsible for providing their own ladders, extension cords and dollies, if needed.

### **HOURS OF USAGE**

Buildings are available for use from 7:30 a.m. to midnight, unless special arrangements have been made with the Event Center Office. Use of additional time, outside of the contracted hours of usage, will be billed at a prorated rate.

## **FOOD AND CATERING**

Some rental spaces have access to kitchens, but there are no commercial facilities available at the Event Center. For private events, you are welcome to provide your own food or contract with a caterer of your choice. When serving food during public events, you or your food concessionaire will be required to secure a license through the [Benton County Environmental Health Department](#).

## **ALCOHOLIC BEVERAGE SERVICES**

All events selling or serving alcohol must select a business from the Event Center [approved alcohol provider list](#) to serve and monitor consumption during the facility use period. If you prefer to use an alcohol provider that is not on the approved list, you must contact the Event Center Office at least 90 days prior to your rental date to have the business complete an application to be considered to be placed on the approved alcohol provider list. Only commercial businesses with a current valid liquor license through the Oregon Liquor Control Commission (OLCC) will be considered. All alcohol is required to stay in the designated rental area and service must terminate ½ hour before the end of the event.

Any event found to have alcohol not authorized by the Event Center, or not being served by an Event Center approved alcohol provider, will be shut down immediately, and all monies will be forfeited.

Security will be required at all events serving alcohol and any events scheduled past 9:00 pm. The Event Center Manager reserves the right to require security at other events as deemed necessary. The Event Center Office will schedule the security company based on the rental times and the cost of security is the responsibility of the renter and will be payable with the final facility use payment.

Benton County Event Center & Fairgrounds will receive a percentage of the gross alcohol sales for public events where alcohol is being sold. This does not apply to private events.

## **SERVICE CONTRACTORS**

With the exception of alcohol services, you are free to work with the event service contractors of your choice. If you contract with a decorating company, that company must provide all “similar” equipment needs. For example, we will not mix the decorator’s tables and chairs with those of the Fairgrounds. All event service contractors must work within the contracted facility use dates and times.

## **INSURANCE**

Benton County Event Center & Fairgrounds requires that all events be covered by general liability insurance in the amount of \$2,000,000 per occurrence/\$2,000,000 general aggregate, including bodily injury and property damage. The Event Center Office **must** receive a copy of the endorsement adding Benton County, its officers, agents and employees as additional insured at least 45 days prior to the rental date. Liquor liability insurance is required for events serving or selling alcohol; this will come from your approved alcohol provider.

## **ADVERTISING & PROMOTION**

Upon submission of the signed contract and payment of required fees, your event will be posted on the Events Calendar of the Benton County Event Center website at [www.bceventcentercorvallis.net](http://www.bceventcentercorvallis.net). The Event Center Office reserves the right to highlight certain public events on the website home page, digital marquee sign, social media, and monthly e-newsletter. If you want to guarantee that your public event is posted on any of these media, you may pay additional fees.

Clients may mount one public event banner on the Fairgrounds fence along 53<sup>rd</sup> Street up to 14 days prior to the rental date. Banners must be removed within 24 hours after the completion of the rental period. Additional banner locations at the Event Center can be arranged with the Office for a fee.

### **PARKING**

You will be advised which parking areas are allocated to your facility rental, and you will be responsible for the parking and traffic flow in those areas. Use of the parking lots for any purpose other than event parking, such as activities/displays, will be billed at the current rental rate. Parking will be permitted in assigned areas only. No parking is allowed at any time in designated fire lanes.

If you will be charging a parking fee during your rental event, unless you are renting the full facility, you will be required to designate an entrance and mark it with appropriate signage, leaving other areas of the parking lot free for access by other renters.

### **ELECTRICAL SERVICE**

Basic 110 volt outlets are included with your rental fee. If your event requires 220 volts, California plugs, spider boxes, or other specialty electrical needs additional fees will apply. Discuss your electrical needs with the Event Center Office when booking your rental.

### **SOUND SYSTEMS & AUDIO/VISUAL**

Public address systems are available to rent in the Auditorium and Guerber Hall and should be requested with your equipment order. A portable PA system is available to rent for use in other areas of the Event Center. The Auditorium has a ceiling mounted projector and screen and the Event Center Office has a portable projector that can be rented for a fee. Screens in the Auditorium and Guerber Hall can be rented individually. Flat screen televisions on a rolling stand are also available for rent.

### **GATES & ACCESS**

For security purposes, Event Center gates are locked along the South Parking Lot unless they are requested to be opened by the renter. Please advise the Event Center Office regarding your access needs for move-in, event and move-out dates.

### **FORKLIFT SERVICES**

Forklift service can be ordered through the Event Center Office no later than 14 days prior to your rental date. Forklifts operated by Benton County personnel will be billed at an hourly rate with a half-hour minimum order. Additional charges may apply to services requested less than 14 days prior to your rental date.

### **CLEAN UP & GARBAGE SERVICES**

Clients are responsible for leaving the rental facility in the same condition as when they arrived or they will be charged a cleaning fee, which shall be no less than \$100.

Regular garbage and recycling service is included in the facility rental fee. Trash bags should be pulled from containers, tied securely and left inside the rental area for staff pick up.

Events with attendance of 350 or more are required to bring in a dedicated dumpster at the renters' expense. Event Center staff will place the order with Republic Services and any fees will be due with other rental fees 45 days prior to the rental date. If the renter has a dedicated dumpster, all trash should be deposited in that container at the conclusion of the rental.

### **SECURITY & SAFETY**

Security will be required at all events serving alcohol and any event scheduled past 9:00 pm, whether alcohol will be served or not. The Event Center Manager reserves the right to require security at other non-alcohol events, as deemed necessary. The cost is the responsibility of the client. Security will be scheduled from 15 minutes prior to the time the renter starts serving alcohol until all guests depart the premises (4 hour minimum). The Event Center Office will contract with the security company. Security costs are due at final payment. Video surveillance is in use on the Fairgrounds.

Rodeos and high-risk athletic events held at the Event Center are required to arrange for stand-by Emergency Medical Technicians (EMTs) during the event. The Event Center Manager reserves the right to require EMTs, or other emergency personnel, be placed on stand-by for other high-risk events. The cost is the responsibility of the client.

### **ACCIDENTS & INJURIES**

Clients are responsible for cleaning up after all animals participating in the event.

Pets must be kept on leash, unless they are contained within the rental space and monitored by the client. Clients may designate their event as “no pets,” and are responsible for monitoring their rental space and facility entrances for compliance. Service animals are always welcome in any facility area.
