## OPEN CLASS HORTICULTURE

### BUILDING 1

**SUPERINTENDENT: FAIR OFFICE**

**CONTACT: (509) 222-3749**

- ❖ Before entering please review the [Open Class Still-life Rules](#)
- ❖ Please see [Registration Dates, Entry Days, Times & Locations](#)

Pre-registration is mandatory: [Register Here!](#)

1. **Fair theme contest for decorated trays.** Trays furnished by the Fair at the time of entering OR exhibitor may use their own STURDY tray or creative piece. Produce is displayed to be seen easily. Decorate the extra spaces as you like but use only required amount of fruits and veggies per class. Fair theme: "The Best Week of Summer!"
2. **EDUCATIONAL TRAYS must be labeled.** Toothpicks & popsicle sticks work great in your displays to label each item (you are teaching people what you have grown). Trays furnished by the fair at the time of entering OR exhibitor may use their own STURDY tray or creative piece where produce is displayed to be seen easily, with each item labeled as to what it is. You may include a small information sheet/poster, no larger than 8.5" x 11".
3. All entries must be grown by exhibitor. NO PRODUCT SHOULD BE OILED OR WAXED.
4. Root crops, including sugar beets, table beets, carrots, rutabagas, radishes, parsnips and turnips, should be washed and the tops trimmed to one - inch above the crown. Cabbage should have the root cut. Potatoes should be of average size (8 to 10 oz.).
5. Judges are allowed to taste and/or cut open entries to verify that produce looks and/or tastes correct to award accordingly. Due to this and space limitations, the full number of required entries per class may not be displayed.
6. During fair week, if produce goes bad (moldy, buggy, etc.) items will be discarded and name tag and ribbon will remain on display.
