

HERDSMANSHIP

SUPERINTENDENT: STACEY OTTLEY

CONTACT: (509) 551-1477

There will be a Herdsmanship competition in each Open Class, 4-H and FFA livestock department. The purpose of the Herdsmanship contest is to encourage exhibitors to care for livestock, pens and equipment properly; to display their exhibits in a showmanship manner, keeping stalls and animals clean and attractive at all times, and to educate the public. The educational display should show or tell some skill or information related to the project which would increase the knowledge of the general public and incorporate the Fair theme. Inspection will be done twice daily between 8 a.m. and 6 p.m.
