## Photo Tips and Tricks

1. Photos are not required but help in the selection process  
and may help sell your horse, IF IT IS A GOOD PHOTO!  
Full color photos will be used at the discretion of the Horse  
Sale Committee but are not guaranteed to be printed in the  
catalog.

2. All photos submitted with consignments are at the risk and  
liability of the consignor. The Black Hills Stock Show® shall not  
be liable for any copyright infringements.

3. Photos must be submitted by email to blackhillsstock-  
show@gmail.com with horse's name in the subject. It is not  
the responsibility of the Horse Committee to make sure it is  
compatible with our system. When in doubt send both email  
and disc. Also, when submitting photos on a disc make sure  
it is a jpg or tif file and the pictures are clearly marked with  
the horse's name matching the registration and entry forms.

4. Recommendations for submitting photos:

- Email blackhillsstockshow@gmail.com – use jpg or tif  
format, clearly mark the email with the **horse's registered  
name and consignor's name**. If we can't match the picture  
to an entry if won't be used.

- First impressions are everything, so only the highest  
quality, most flattering photos will be used.

- Professional quality pictures of the sale horses are  
encouraged and may be used at the discretion of the Sale  
Committee and in future publications.

- Helpful hints: Horses can be saddled or at halter, but be  
mindful to have your horse standing square, with ears alert  
and forward. Try to stand your horse where the background  
is free of any object if possible. We will accept working shots  
of horses as well.

5. Video Tip

- A video of each entry is required and must be submitted  
with a YouTube link. If no video the horse will be moved  
to bottom of the pile.
