"Bandit" is a handsome 15 hand buckskin gelding that's the whole package! He is a "been there-done that" type of gelding that's as gentle as can be. He's been used all over the ranch his whole life, he's drug calves at brandings and roped bulls out in the pasture. Bandit has been roping the machine throughout the winter and is ready to take to the roping pen. He'll go where he is pointed outside, is sure footed, and doesn't look for the boogey man around every corner. Bandit has a great handle, moves off leg pressure, and is soft in the face. Reining-bred sire crossed with a solid ranch bred mare giving him the perfect mix for any discipline you choose to go with him, beautiful buckskin color, and in the prime of his life. You'll be sure to like this guy when you get him home! Sound, current on deworming, shoes, and Coggins. Shorty is well versed on all phases of ranch work from a favorite at branding time to sorting in the alleys to trailing down the roads. I team rope on the heel side all summer and fall on this fancy bay gelding and he was better at it than me! I sent him to Travis Lange, a professional horse trainer and he keeps excelling at a rapid pace. Shorty is well on his way to being "wicked good" in the arena. He is very broke and stays that way.
