This cherry red bull is deep, thick and sound. He is low birth, growthy and still attractive. He will impress you on sale day.
Big ribbed, super stout son of BHR Durango. Calving ease with tons of growth and soundness.

---

Since 998 was high seller at the 2019 BHSS. He has lots of power and will put pounds on your calves.

---

A dark red heavy weaning weight bull here with a total outcross pedigree! He will definitely add pounds to your calves at weaning without sacrificing maternal capabilities if saving replacement females.

A very exciting herd bull prospect. This is packed with loads of power from end to end. He starts at the ground with an awesome foot and is more than exceptional in his structural make-up.

Here is nice smooth made moderate frame bull. He is a nice calving ease bull.

A unique pedigree bull out of Kanto and a phenomenal cow that never misses. If you are looking for a growth bull yet a maternal pedigre here he is! A very stylish complete attractive bull.
