# PRE-FAIR EXHIBIT ENTRY DEPARTMENTS & CLASSES

*\*Please note that the classes and departments listed below will match the departments and classes for the 2020 Bonner County Fair's Fairbook. We encourage students to use these same entries from Pre-Fair and enter them again to the Fair in August!*

## Department 1A - Coloring Contest

The Bonner County Fair will provide a 4-page coloring book that will be posted on the Fair Website (under Events -> Pre-Fair) and on the Google Drive (link to the Pre-Fair Google Drive will be sent to all teachers). The first two pages are for ages K-2nd graders, and the last two pages are for 3-6th graders. Only the two pages that apply to the student's age need to be colored. On the back cover, all students must write the name of school, classroom, and student's name. The coloring books will be judged and displayed at Pre-Fair.

## Department 1B - Recycled Farm Animal Frenzy

Farm Animal Frenzy pits classes against each other to use at least 80% recycled or recyclable material to create a life-sized farm animal. Examples: Cow made entirely from milk cartons, goat made from tire scraps, a chicken with a body of plastic bags woven through chicken wire, and so on. Ribbons and Premiums will be awarded per project, to go towards the classroom (not per student). A list of names will be required from teachers for students that participate. Legos are not allowed.

## Department 10 - Junior Farmer Poster Contest

Celebrate agriculture and enter your poster or display at Pre-Fair. Poster should be mounted on construction paper for display (holes will be punched in top corners for hanging). Student entry must focus on one central theme:

Class 45 - Farm Life

Class 46 - Cowboys & Cowgirls

Class 47 - Ranching

Class 48 - Gardens: Vegetables, Herbs & Flowers

Class 50 - Livestock

Class 51 - Agricultural History in Bonner County

Class 52 - "Oink, Moo, Ewe!" Fair Theme for 2020

Class 53 - Misc. Junior Farmer Poster

## Department 23 - Fiber Arts

For Pre-Fair, this department includes knitting, crocheting, needlework, handspun yarn and weaving. Please note that this is slightly different than the 2020 Fairbook, because we are combining all of these categories into one. In the Fairbook and during 2020 Fair, each of these categories will be a separate Department. All knitting entries must be made by exhibitor, clean and blocked (if necessary), ready for show.

Class 39 - Knitting (General)

Class 40 - Crocheting

Class 41 - Needlework (Embroidery, Cross-Stitch, etc)

Class 42 - Handspun Yarn & Weaving

**Class 45 - Rocket**

**Class 46 - Airplane**

## **STEM & STEAM PROJECTS**

In addition to the exhibit itself, these must include either a poster educational display, equipment, photography or a scrapbook. Labels and descriptions are encouraged. Ribbons and Premiums will be awarded per STEM/STEAM project, to go towards the classroom (not per student). A list of names will be required from teachers for students that participate (if not the whole class). If this is a whole classroom project, the teacher should write 'WHOLE CLASS' on the online entry form where it asks for the participant names.

**Class 47 - STEM Project**

**Class 48 - STEAM Project**

# 2020 PARENT'S NIGHT!

This year, we want to invite all of our students and parents to Pre-Fair "Parent's Night," where parents can come out to the fairgrounds and see the incredible work on display from their children and other students in their schools. Exhibits on display will include art pieces, technology, fiber arts, photography, hobbies & crafts, creative writing, agriculture and science, and more! No need to RSVP, just come! We'll see you there! Refreshments will be served. Invites will be given to teachers to pass along to their students in early spring.

## 2020 PRE FAIR PARENT'S NIGHT THURSDAY, MAY 28, 2020 - 5:30 to 7:00 PM

---

### 2020 Online Entry

Online Entry will be available for teachers earlier this year. We want to allow our classrooms to begin entering their student's pieces much earlier, so we will have online entry available in February 2020 this year.

Online Entry is easy. You'll just go online to [www.bonnercountyfair.com](http://www.bonnercountyfair.com), and under the Events tab, you'll click on the "Pre-Fair 2020" link. From there, it will take you to our online entry page. Please note, each student's entry will need to be submitted separately.

You will receive an email confirmation for each exhibit entry submitted. No need to print them. Once submitted, all entries will be received and prepared by the Fair Office for judging.

Entry tags must be filled out and attached to each student's exhibit entry before arriving to the Fairgrounds for Pre-Fair (pre-fillable PDF exhibit tags will be available online as well). Entry tags must be attached to each entry before they arrive to the fairgrounds, so nothing gets lost or misplaced.

All entries must be delivered to the Fairground's 4-H Food Building on Friday, May 15th, 2020, between 3-5pm. If you have questions or need help, please call the Fair Office at 208-263-8414.
