2019 Boulder County Fair Junior Livestock Market Sale

This livestock sale benefits 4-H and FFA youth who raise beef, pigs, sheep, goats, dairy, rabbits and poultry for their annual projects. Youth ages 8 – 18 enrolled in 4-H or FFA learn animal husbandry skills of proper care and feeding livestock. Their finished projects are then auctioned at the livestock sale. These market animals are sold per head at a live auction with the highest bidder purchasing the animal. The proceeds go to the 4-H or FFA youth who in turn use this money to pay for project expenses and to further their education.

You can purchase an animal at the sale. If you are unable to attend the sale, the committee will have someone do your bidding for you - just call (720) 864-6460 and specify what 4-H/FFA member or animal you want, and the price you are willing to pay. The terms of the sale are cash or check at end of sale or billing to you or your business with preapproval. The Boulder County Fair is a non-profit 501(C)3 organization (Federal Tax ID# 84-1496078) and your donation may be tax deductible.

You may elect to have your purchase custom processed for your personnel use. The Committee has a list of custom processors in the area. Or you may consign your purchase back to the Boulder County Junior Market Livestock Sale Committee for resale at the stated market price on the sale day. If you use the resale option you only pay the difference between resale price and what your final bid was.
