

Brackenridge Recreation Complex

Nature Camp

Experience and learn about team building, the outdoors and nature through one of our day camps held at the BRC Nature Center in Texana Park.

Sign up for one of our Nature Camp Adventures

Session 1:

June 10-13

Session 2:

June 24-27

Session 3:

July 8-11

Session 2 is limited to kids ages 9-12 who will be able to participate in a kayaking field trip. The other two sessions are available for kids ages 8-12. There will only be 10 spots available for each camp session.

First Session:

“Wilderness Camp”

This camp is designed as an introduction to all things outdoors. Our campers will learn about wildlife specific to the area along with the basics of fishing, canoeing, birding and a lot of other great outdoor experiences!

Children who sign up will have the opportunity to meet new friends and learn from the experts about camping, trapping, navigation, Leave No Trace and so much more! The campers will also take a field trip to visit the Janak Alligator Farm in El Campo before their week of adventure ends!

Second Session:

“Survivor Camp”

This camp is designed to teach the keys to survival outdoors. Our campers will have a week of adventure based games and competitions that develop outdoor living skills while exploring and learning about nature. Campers will learn to navigate the great outdoors, build shelters, go on treasure hunts, learn to fish and build fires, learn archery, and experience all types of “Survivor” type outdoor activities. The Campers will end their week with a trip to the Matagorda Nature Center Kayaking Trail!

*Limited to ages 9-12 years old

Third Session:

“Fishing Camp”

Campers will be able to experience a week full of fishing and water based fun. From casting to tying lines, campers will learn the basics of different types of freshwater and saltwater fishing.

Campers will also explore the types of fish and other organisms in Lake Texana while learning about ecology. They will become a JR Angler, make fishing poles & traps, tie knots, set jug lines and of course, catch and clean their own fish!

The Campers will also take a trip to Indianola Pier to fish and attend a Salt Water Clinic before camp ends!

Registration forms will be available at the school office.
