The Art of Gardens

Join the Jackson County Master Gardeners for a program to help children appreciate the art of gardening and understand the importance of gardens for us and wildlife. Students will be able to create and take home their own unique mini-garden. Basic planting container, potting and plant materials are provided, along with some whimsical accessories.

June 19

Outdoor Cooking

In this Outdoor Cooking adventure, Scout Master William Reeves & Girl Scout leader Elizabeth Sommerfeld will teach the kids how to cook around a campfire. Students will learn several different methods used when cooking outdoors such as open flame, foil packets, box ovens, and Dutch oven. Join us for a yummy good time!

July 17 **Party in the Park**

Don't miss out on some summer fun at the last Adventure Day! What better way to celebrate the last Adventure of the summer than with paint and Nerf gun wars along with a water day party! This year we will have the field set up for water gun paint wars as well as Nerf gun wars! Students will need to bring their own Nerf gun equipment. Don't forget to bring clothes that you can get wet in. Lunch will be also be provided before we say goodbye to the kids for another summer.

June 26

Fishing Frenzy

During the Fishing Frenzy Adventure, you will be able to enter a fishing derby challenging all who participate to see who will catch the biggest, smallest, or the most fish. Medals will be awarded to the winners!

July 10

An Alarming Idea

The Children's Discovery Museum of Victoria will be presenting their Electrical Engineering program. Students will explore the world of circuitry as they learn to read simple circuit diagrams and work as a team to build a complete alarm circuit with light and buzzer!
