All applications will be accepted on Official Brazoria County Fair Association Application Form only submitted through the respective Brazoria County FFA Chapter Leader or Brazoria County 4-H Leader. Absolutely no substitutions will be made in the participant lists after entry forms are received by the Brazoria County Fair Association. **No changes will be made in the schedule, once you have been assigned a rodeo performance.** The 2019 Scramble Committee has the final approval of all applicants and those selected will be notified of their acceptance as a participant prior to Fair week. **No refunds will be made to applicants that do not run in the scramble.**

Any contestant appearing with broken limbs, etc. will automatically be disqualified and an alternate will be put in his/her place. Arena Rules

5. No one under the age of 12 years will be allowed in the arena during any of the three calf scramble events.

6. Contestants and calves will be placed in the Arena as directed by the Chairman of the Committee.

7. The Fair Association will supply each contestant with a rope halter to be used in the calf scramble. Halter must be placed on the head of the animal in the usual way, which is behind the calf's ears, over the bridge of the nose, and under the chin. For the safety of the animal, no halter can be placed around the neck of the animal.

8. At no time will a contestant be permitted to tie the rope to his/her body or belt.

9. Each contestant will attempt to catch and halter one of the calves released. The contestant catching a calf is required to lead it across the finish line without aid.

10. If a contestant has hold of a calf, no other contestant will be allowed to touch the calf unless it breaks away.

11. If a contestant catches a calf by the tail, he/she will be given a reasonable amount of time to work around to its head; otherwise, the referee will order them to let the calf go.

12. If a contestant successfully secures and halters a calf within the designated "Winners Square", he/she must lead the calf completely outside the boundary of the square and then back into the square to be declared a winner.

13. If two or more contestants catch the same calf, a committee member can determine who had the calf first and will ask the other contestant to let go. If no committee member can make the determination the calf will be turned loose.

15. A contestant who secures and properly halters a calf and leads it across the finish line will be declared a winner when so indicated by the referee.

16. Undue roughness by the contestant will not be tolerated. Poor sportsmanship automatically disqualifies any contestant.

Duties After Winning A Calf

17. Winners must exhibit their calves at the 2020 Brazoria County Fair in the Scramble Calf Shows.

18. Should any contestant participating in the Calf Scramble fail to catch because of unusual or extenuating circumstances and is then awarded a calf by some sponsor, said contestant will participate in all special awards offered to the scramble winners. The contestant must care for the calf under the Calf Scramble Rules, and the donor will become a Calf Scramble Sponsor.

19. A contestant catching a calf in the Calf Scramble, or otherwise being declared a winner, will receive a purchase certificate with which to purchase a calf of his/her own choice.

20. To enable each individual winner to make the decision as to the breed of calf they desire to purchase, substitute calves will be used in the arena for the Calf Scramble.

21. If all rules are not complied with, the committee may disqualify the participant and request a refund. Disciplinary action may be taken according to General Livestock Rule #1.
