HEALTH REQUIREMENTS

For Exhibition of Livestock, Poultry and Birds at a County 4H/FFA Fair:
Any evidence of Warts, Ringworm, Foot Rot, Pink Eye, Draining Abscesses or any other contagious or infectious condition will eliminate the animal from the show. No individual Certificate of Veterinary Inspection will be required on animals or poultry exhibited at County 4-H/FFA Fair, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Each show must have an official veterinarian. Quarantined animals or animals from quarantined herds cannot be exhibited.

Swine
Swine exhibitors at county fairs that do not require a Certificate of Veterinary Inspection, must sign and present an owner affidavit that the animals being exhibited did not originate from a quarantined herd and to the best of their knowledge; swine dysentery has not been in evidence in their herd for the past 12 months. The site the swine originate from must have a current monitored status in order for the swine to be transported to the fair- grounds (statistical testing completed within the last 12 months or originate from a site in Stage III or higher area).

Poultry and Birds
All poultry exhibited must come from U .S Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot high solid partition.

Dogs and Cats
All dogs and cats exhibited must have a current rabies vaccination certificate.

Sheep and Goats
All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag or by an official registered tattoo. Call IDALS at 866-USDA-TAG.

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL

HERDSMANSHIP CONTEST

Qualified judges will inspect the club exhibits in each club. Species included in the Herdsmanship Contest are: Beef, Dairy, Horse, Swine and Sheep. This contest will start when a species is entered, and end when they are released.

Exhibits will be scored on the following basis:

- Condition and cleanliness of all exhibits
- Neatness, cleanliness, courtesy and actions by club members
- Cleanliness of stalls and alleys
- Methods of keeping feed and equipment

Certificates will be awarded at the annual 4-H Banquet to the 4-H Club or FFA Chapter with outstanding herdsmanship at the fair. The names will be added to the plaques to be displayed in the Bremer County Extension Office.

SHOWMANSHIP CONTEST

1. Beef, dairy, dairy goats, swine, sheep, horse, rabbits and poultry exhibitors will be considered in showmanship contests in their respective divisions.
2. Contestants may exhibit the animal of their choice in the contest, but it must be their own animal and have been shown in regular classes at the current year Bremer County Fair.
3. While exhibiting animals, exhibitors should appear clean and presentable at all times. The dress should be a clean white or light colored shirt or blouse or 4-H/FFA T-shirt and dark colored jeans or slacks. Sturdy leather shoes or boots are preferred. Exception: dairy exhibitors are required to wear white pants and white shirt.
4. In each project (sheep, beef, etc.) there will be 3 divisions:
   Junior: 4, 5, 6th Grade
   Intermediate: 7, 8th Grade
   Senior: 9, 10, 11, 12th Grade
5. Members must participate in their respective division. Seniors will show first, Intermediates, second and juniors, last.

COMPETITION RULES - LIVESTOCK

IOWA YOUTH CODE OF ETHICS

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. All food animals that may be harvested immediately following the show shall be safe for consumers, and shall have met all withdrawal times for all medications, and be free of violate drug residue .
6. If any animal requires medical treatment while at fair or exhibition, only a licensed veterinarian may administer the treatment. All medications that are administered shall be done according to the label instructions of the medication used.
7. My animal's appearance or performance shall not be altered by any means, including medications, external applications and surgical procedures. Any animal that is found to have changed its appearance or its performance shall be disqualified from the show, and have penalties assessed against the exhibitor, parent and/or guardian, by the management of the fair or exhibition.
8. I will follow all ownership and possession rules and, if requested, will provide the necessary documentation.
9. I will follow all livestock health requirements for this fair or exhibition, according to the state health requirements as printed in the book of the fair exhibition. I will provide animal health certificates from a licensed veterinarian upon request from the management of the fair or exhibition.
10. By my entering an animal in this fair or exhibition, I am giving consent to the management of the fair or exhibition to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of any sample indicates a presence of forbidden drugs, this shall be evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor, parent and/or guardian to prove otherwise .
11. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair/exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use. I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in its fair book.
14. Ownership – All animals and birds must be owned by the 4-H'er, or in partnership with a family member, and identified to an individual 4-H'er. When registration papers are involved (e .g. purebred beef heifer) the papers must be in the 4-H'ers name or show a logical family relationship. In classes where the primary emphasis of evaluation is the skill level of the

4-H'er, ownership of the animal is not required; however, the 4-H'er should take an active role in the care of the animal (e .g. horse classes, and the dog obedience classes when the 4-H'er is the trainer). Animals in this category still must be identified on the appropriate form. If a family includes more 4-H'ers than horses, more than one 4-H'er may identify a horse; however, in this situation a 4-H'er cannot identify more than one horse.

15. All 4-H exhibitors, parents/guardians must read and e-sign the Code of Ethics on 4HOnline.com and all FFA exhibitors must turn in form with Bremer County Fair entry form by June 15th in order to exhibit at current year fairs.
16. Failure to abide by the Code of Ethics at the Bremer County Fair will result in a 2-year suspension from showing livestock in Bremer County, AND, the violation will be reported to the IAFE and the Association of Iowa Fairs which will result in exhibitor being prohibited from all livestock shows in the US and Canada .

6. Each youth must show his/her own exhibits/livestock except in the case of sickness, injury, or military service. If more than one livestock entry is in the same class, he/she may substitute another 4-H or FFA member, holding membership in a Bremer County 4-H or FFA club, to show his/her animal/project. The substitute must be approved by the superintendent before the show. Conference judging is used for all judging with the exception of dog, sheep, dairy, goat, beef, horse, rabbit, poultry and swine. Exhibitors who remove entries before the designated release will not be eligible to show in the next year's fair unless specifically authorized by the Bremer County 4-H/Youth Committee and the Bremer County Fair Board.
9. The Fair Board reserves the right to pro-rate premiums.
10. The decisions of the judges will be final in every instance. Exhibits which do not comply with Rules 9, 10, 11, and 12 will not be accepted for Entry, Evaluation, or Display at the Iowa State Fair.
11. Any project entered in the Bremer County Fair shall not have been shown in any other 4-H or FFA county show, excluding open shows.
12. The Bremer County Fair Board will not consider a protest, complaint or appeal based upon the statement that judge or judges are incompetent. When a protest is made as to the eligibility of an animal or article to compete in any class, it must be made in writing and filed with the Fair Board President before noon of the day following the one on which the class was shown or in the case of drug testing within 24 hours following receipt of the results, accompanied by a $100 cash deposit. The deposit will be forfeited if the protest is not sustained. All expenses of proof must be paid by the party filing the protest. This money will not be refunded.

13. TAMPERING AND/OR MISREPRESENTATION as to breeding, age, owner- ship and any other irregularity in showing will be considered fraud and deception. For more information about the process for filing a protest, see the fair board president. To maintain a high degree of confidence and integrity in the livestock shows, the Bremer County Fair Board reserves the right to disqualify any animal fitted in an unethical manner and the exhibitor and the exhibitors' assistants who fitted the animal involved. Unethical fitting shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development; dyeing or coloring hair; adding artificial tail heads, switches, polls, hair and heels; as well as any attempt to change the conformation and degree of firmness by administration of fluids internally or externally in a liquid or solid state. The use of Clenbuterol and other illegal drugs is prohibited. All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing of an animal will be barred from exhibiting or showing at the Bremer County Fair according to the Code of Ethics.
14. All decisions of the Fair Board are final. Youth found breaking the Code of Ethics outside of a 4-H/FFA exhibition show during the Bremer County Fair may be asked to leave and forfeit awards and premiums by the Bremer County Fair General Manager.
15. Stalls, pens, or exhibition space will be assigned to all exhibitors by the superintendent.
16. FFA members beyond fair after their graduation year can no longer exhibit at the fair or help fit other 4-H/FFA member's animals unless they are an immediate family member.
17. Any artificial means of removing or remedying physical defects of conformation in animals exhibited will be considered as fraud and deception. No unnatural means of providing an animal feed, water or other fluid (i.e. stomach pump, drench guns, or IV) will be allowed. Painting, dyeing and use of color agents on animals are not allowed. Projects which show evidence of this will not be permitted into the show ring. If a color or coloring agent rubs off an animal rubbed with either a towel or hand, that animal will be disqualified. Transparent grooming material may only be used, including on hooves. All animals giving evidence of such treatment will be barred from exhibition at the Bremer County Fair.
18. No drugs or medication of any kind may be administered except by the order of a licensed veterinarian. All animals are subject to drug testing. All animals giving evidence of being medicated without prior approval will be barred from exhibition.
19. All exhibits must meet state health requirements as stated elsewhere in this booklet. A veterinarian will check animals at the fair.
20. Animals that have become injured or sick on the fairgrounds during the fair must have the superintendent of that department and fair manager permission to be removed from fairgrounds. The superintendent and fair manager may require a veterinary inspection.
21. While exhibiting animals, exhibitors should appear clean and presentable at all times. The dress should be a clean white or light colored shirt or blouse or 4-H/FFA t-shirt and dark colored jeans or slacks. Sturdy leather shoes or boots are preferred. The exception is: All dairy exhibitors must wear white pants and white shirt. Proper dress is considered to be part of the showmanship judging criteria. All horse exhibitors must wear a 4-H/FFA arm band.
22. Hay may not be stored above alleys or animals. Arrangements should be made to bring additional hay during the fair. Limited tack space will be provided.
23. The superintendent may divide or combine any class he/she feels is too large or small for proper judging. Breeding classes are to be divided by age and market classes by weight.
24. All classes within each division will be judged in numerical order by class number, except when the superintendent deems it necessary to change.
25. See also specific rules listed under each department.
26. For public safety: all fans must have protective screen and safe wiring; no fans allowed in aisles; NO BUTT FANS, only overhead hanging fans allowed in front half of stalling area; one fan per exhibit.
27. Exhibitors must be prepared to have Livestock ID checked by superintendent at time of check in.
28. Common bedding material will be provided for beef, swine, horse, sheep, goat, and dairy barns in an effort to minimize manure removal expense. Wood product bedding material will be used in the barns and straw is not allowed.
29. All livestock exhibitors must perform barn duty and are responsible for prompt removal of manure from the stalls during and at the end of the fair.

30. Direct criticism or interference with the judge, fair officials, show coordinators, superintendents, volunteers, staff, or other exhibitors before, during or after the competitive event is prohibited. Parents shall not enter the show ring during the event unless it involves the health and safety of the exhibitor. In furtherance of their official duty, these officials, volunteers, and staff shall be treated with courtesy, cooperation, and respect. If this rule is broken the parent will be asked to leave the fairgrounds and the exhibitor will be disqualified from the rest of that show. If the confrontation continues, the exhibitor may be disqualified from the fair and asked to leave the fairgrounds and forfeit all premiums. This will be determined by Youth Committee, Extension & Outreach staff, Extension Council and Fairboard. This could result in the family being banned from exhibiting at other state and interstate exhibitions as well.

**Immediate family members include guardian, siblings, parents, grandparents, and/or step parents.*

COMPETITION RULES

IOWA YOUTH CODE OF ETHICS

Youth are expected to be sincere, honest and act in sportsmanlike ways at all times. Youth represent the entire program and their behavior reflects on their parents, leaders, club and the entire youth program. All adults involved with the youth program, leaders as well as parents, are expected to set positive examples and serve as positive role models by what they say and do. Any youth who breaks the code of ethics or allows another person (adult or peer) to talk them into violating the code of ethics agrees to forfeit all prizes, awards and premiums. The youth may also be prohibited from exhibiting at this and future exhibitions including the Iowa State Fair and other county, state or regional exhibitions.

Youth agree to follow these guidelines:

1. I will do my own work, appropriate for my age and physical and mental development. This includes research and writing of exhibit explanations, preparing exhibits (such as sewing, cooking, refinishing, etc.), care and grooming of animals, etc. Adult assistance should help guide and support me, not do it for me.
2. All exhibits will be a true representation of my work. Any attempt to take credit for other's work, alter the conformation of animals, or alter their performance is prohibited. Copyright violation or allowing others to complete your exhibit is considered misrepresentation and is prohibited.
3. I will treat all people and animals with respect. I will provide appropriate care for animals.
4. I will present exhibits that are safe for consumption. All food exhibits will be safe to exhibit and for judges to evaluate. Other exhibits will be safe for judges to evaluate and for exhibition. The use of alcoholic beverages or alcoholic material in the preparation or production of 4-H exhibits is NOT permitted.
5. I am responsible for my exhibit and I will not allow others to violate this code on my behalf. By my entering an exhibit in this fair or exhibition I will accept any disciplinary action taken by the management of this fair or exhibition for any violation of this code of ethics and any other rules of competition of the fair/exhibition without recourse against the fair or exhibition.
12. I want my exhibit to be an example of how to accept what life has to offer, both good and not so good, and how to live with and learn from the outcome.
13. I will not be involved in any illegal activities while participating in 4-H and FFA events, including but not limited to alcohol, tobacco or drug use. I agree to conduct myself in an honest, ethical, and upstanding manner and I understand that disciplinary actions will result if these rules are violated. I understand that I am expected to represent the program in a positive manner. I have read, understand and agree to follow this code of ethics, and any other rules of competition of the fair or exhibition as printed in its fair book.
14. All 4-H exhibitors, parents/guardians must read and e-sign the Code of Ethics on 4HOnline.com and all FFA exhibitors must turn in form with Bremer County Fair entry form by July 15th in order to exhibit at current year fairs.

If more than one livestock entry is in the same class, he/she may substitute another 4-H or FFA member, holding membership in a Bremer County 4-H or FFA club, to show his/her animal/project. The substitute must be approved by the superintendent before the show. Members not present for conference judging cannot receive higher ribbon rating than considered for state.

Some project manuals include specific exhibit suggestions and procedures. An exhibit can represent a part of or all that has been learned in a project or program. The County Extension Office has more information on exhibiting.

All judging will take place from noon – 4:00 pm, Sunday July 29th. Clubs are assigned times for judging. Leaders and parents are welcome to observe the conference; however, the conference is between the judge and the exhibitor only.
