### Share-A-Pig

If you would like the opportunity to show pigs at the fair, the Bremer County Fair Board is once again sponsoring the Share-A-Pig Program for Bremer County 4-H and FFA members. Pigs will be required to be exhibited at the 2020 Bremer County Fair following fair rules. The Fair Board will pay half the cost of the pig - all financed until fair. You will be required to bring your pig and show your pig at the fair for them to pay half. No money paid until fair. Price of the pig will be deducted from the check when the pig is sold after the 2020 fair. Feed costs, vet bills, and other costs associated with raising the pig will be the member's expense. This is a great opportunity to start a swine project or extend one you currently have.
