

Bremer County Fair Tuff Truck Madness results 2019

Another fun filled night night at the fair is in the books, and some vehicles are on their way to the salvage yard. We had a record high, 55 entries in the event, and we had to turn some vehicles away at the gate. The results of the car class are: first place Preston Seible, in a Pontiac Grand Am, Second place Bryce Ackerman, also in a Grand Am, Third place Trae Jordan, in a Subaru Impreza, and fourth place is Thomas Crane in a Pontiac Grand Prix. Short wheelbase first place is Jonah Light in a Jeep Cherokee, second place is Ethan Gasch in a cherokee, third place is Bryce Ackerman also in a Cherokee, and fourth place is Terry Reicks driving an S10 Blazer. Long wheelbase first place goes to Brandon Ackerman in a Dodge Ram, second place is Evan Schmidthe in an F150, third place is Tanner Ragsdale in a Dodge Dakota, and fourth place is Mitchell Engelkes driving a Chevy S10 pickup.

Thank you to all of the Sponsors, competitors, spectators, and event helpers that made it a great night at the fair. We hope to see everyone again next year.
