In the Arena & Event Center we have permanent concessions stands which can be made available for ticketed (box office) shows and expositions which are open to the public. The concession stand(s) will be open on show days during show hour and close approximately one hour prior to the show end time. SAVOR...Cabarrus reserves the right to approve locations and hours of all cash sales operations in addition to the right to close or open additional concession locations as business conditions warrant. If the client requires additional outlets beyond what is considered necessary to adequately service a group, a guarantee of minimum sales will be required at the additional outlets.

Permanent and/or Portable concession stands can be made available for any show day at a setup fee of \$300.00 per day. This fee will be waived if sales meet or exceed \$1,000.00 during each day of operation. Each "day of operation" for permanent concession operations is defined as any period up to four consecutive hours that the location is open for business.
