Missoula Children's Theatre– Aladdin

For Aladdin, it's not easy to find a magic lamp but it's even harder to get a date! It's a swirling sandstorm of famous Arabian Tales from Ali Baba to Scheherazade, and even Sinbad the Sailor, as Aladdin journeys to find a magic lamp in a Cave of (not-so-great) Wonders. Along his way, Aladdin seeks answers and advice from wise Genies, a powerful Sultan, and his own Mother to find a way to meet the Princess. However, even with the lamp in hand, Aladdin will have to learn that it takes more than a wish to make a good impression. Full of memorable characters, from lost Penguins to talking Palm Trees, this is an adventure worthy of 1001 laughs.

Theater Etiquette

Please review this information with students prior to visiting the theater.

- No food, drink, candy, or gum is allowed in the theater.
- Do not swing or play on the handrails. They are used to help patrons climb the stairs and are not toys.
- Visit the restroom before the performance begins.
- Talk quietly before and after the performance. Once the performance has started, **please do not talk**. Remember that the people around you and on stage can hear you.
- Keep your hands and feet to yourself. Please do not put your feet on the seat in front of you.
- When music begins to play or an announcer steps on stage, please stop talking and give them your full attention. Remain seated quietly while the show is in progress. If a performer asks for audience participation, please feel free to do so.
- Always be respectful of teachers, ushers, performers, and audience members. Stay with your teacher and classmates.
