

2019 CARROLL COUNTY JR. FAIR MARKET DAIRY STEER RULES

1. Dairy market steers must be 100% dairy breeding (Holstein, Jersey, Guernsey, Brown Swiss, Ayrshire, Milking Shorthorn, or other accepted dairy breed). Dairy market steers may be crosses of the above breeds, but may not be crossed with beef breeds.
2. Dairy market steer tag-in date is November 17, 2018, during market steer tag-in.
3. Dairy market steers must be dehorned and properly castrated prior to tag-in.
4. Previously tagged Carroll County dairy beef feeders must come back at market steer tag-in to be identified to the respective exhibitor. The 840 tag that was used for the March tag-in CANNOT be removed, and is to remain in the animal's ear.
5. The dairy market steer class will award a grand and reserve champion. A minimum of five (5) steer entries must be shown for a grand and reserve champion to be selected.
6. Dairy market steers will be shown by weight.
7. Dairy market steers must weight a minimum of 1,050 pounds and maximum of 1,650 pounds to be eligible for the Large Animal Sale. Steers not meeting the weight requirements will be eligible for show in fair classes but not for sale.
8. Exhibitor may tag-in and show two (2) market dairy steers.
9. Dairy market steers may sell in the Large Animal Sale, in accordance with existing sale rules.
10. Dairy market steers will be shown following the dairy beef feeders. Dairy market steers shall be fitted in the same manner as a beef animal. The use of a show stick is recommended.
11. Rate of gain will be calculated for dairy steers, provided they weigh-in at tag-in.
12. Initial booster vaccinations for BVD I & II, IBR, P13, and Pasteurella are recommended before the November tag-in.
13. All Jr. Fair beef livestock, dairy market steers, and dairy beef feeders are required to have neck ropes.
14. Dairy market steer projects will compete with dairy beef feeders for the purposes of showmanship and Outstanding Market Exhibitor.
15. Dairy market steer projects must be born on or after December 1st of the year proceeding tag-in.
