items will not be sold in 2020\*\**

**MASKS ARE STRONGLY RECOMMENDED**

**CARROLL  
COUNTY FAIRGROUNDS  
CARROLLTON, OHIO**

Hello!

As 4-H and FFA members, we would like to extend a cordial invitation to you to attend our 2020 Carroll County Junior Fair Sales. Throughout the years, you, the buyers, have helped to make our sales successful by supporting our sales and organizations.

Our 2020 auction will be held on **Friday, July 24, at 4:00PM SHARP** in the Metal Barn. With the cancelation of the fair, all three of the regular auctions will be consolidated into one sale. The sale order will be still projects, dairy steers, beef steers, hogs, dairy beef feeders, lambs, rabbits, chickens, turkeys, goats, and ducks. Due to COVID-19, there will not be a buyer appreciation dinner this year; however, attempts are being made to have one or two food concession stands available with food and drink for purchase.

New for 2020 is the ability to bid and purchase online – without coming to the fairgrounds. If you are interested, please visit [www.carrollcountyfairhio.com/auction](http://www.carrollcountyfairhio.com/auction) for more information. There is **NO** buyer premium for making purchases on the online auction site. The only buyer premium charged is for using a credit card to pay – both online and in person. Also available on this site will be information concerning safety protocols for those attending the live auction. Understand that bidding will be simultaneous between online bidders and in person bidders. A YouTube live stream will be available for those who wish to watch the auction remotely.

So, why not support the Junior Fair Sales and purchase quality still projects (furniture, paintings, and many more) and/or high quality, wholesome, and nutritious beef, pork, lamb, dairy products, rabbit, poultry, and goat for your freezer. We would appreciate your support, and you will enjoy your purchased item(s). If you have any questions about the sale, please contact Ray Rummell at 740-269-0661, Laurel Lucas at 330-704-9187, or Wes Frew at 234-521-3909.

### **WHY SHOULD I PARTICIPATE IN THE SALES?**

Purchasing a still project item or an animal at the Carroll County Junior Fair Sales will provide you with advertising for your business. Your business name will appear in the newspaper advertisements and articles after the fair, next year’s Jr. Fair Book, in newspaper advertisements before next year’s fair, and on large, printed vinyl banners at next year’s fair. You will also receive a support placard/photograph to display at your place of business so the entire community knows that you are supporting their youth. Most importantly, however, you will be helping 4-H and FFA youth grow and learn through the completion of their projects.

### **WHAT DO I DO WITH THE LIVESTOCK?**

Most sale participants have the animals sent to local processors who prepare and wrap the meat for your freezer. If you do not need the high quality, wholesome, and nutritious meat, the purchased animal(s) can be resold on the Monday following the fair at the Carrollton Livestock Auction, across from the fairgrounds. By doing this, you would be supporting Carroll County Youth, even if you did not need the meat. You need not even take “possession” of the animal(s) you buy. If you wish to have your purchase sold in this manner, we will transport it for you to the Carrollton Livestock Auction and you will receive a check from the sale barn in the mail. **You may also donate your purchase to the Carroll County Golden Age Retreat.** *Another excellent option for steers, hogs, & dairy beef feeders ONLY, is to DONATE your purchase to Farmers And Hunters Feeding The Hungry ([www.fhfh.org](http://www.fhfh.org)).* They will take your animal and have it processed free of charge to you, the buyer. They will then distribute the meat locally at Loaves and Fishes & Atwood Angels for those in need. The following packers are available for custom processing of sale animals. If you need help with any aspect of the Carroll County Jr. Fair Sales, please contact Ray Rummell at 740-269-0661, Laurel Lucas at 330-704-9187, or Wes Frew at 234-521-3909.
