2019 Cass County Fair Pure Stock Demolition Rules

Pure Stock Feature

1st Place - \$1000

2nd Place - \$600

3rd Place - \$300

- 1) Pure stock class, open to any year, make or model excluding the following: *Imperials, Imperial sub frame cars, Checkers, & Hearse type vehicles.*
- 2) *All glass, chrome, trash, upholstery (except driver's seat), knobs, handles and other protruding items must be removed from vehicle.*
- 3) *Battery and Gas tank must be moved inside of the car and secured properly. The Gas tank needs to be in front of the rear axle Single 12V battery and aftermarket or boat fuel tank.. Can use factory tank. Battery and Gas tank must be covered with a fireproof shield and require all fittings and lines to be leak-proof.*
- 4) *Seat belts are required and should be secured to the frame of the car.*
- 5) *All vehicles will need a chain, heavy strap, or strong wire and must be run from the center of the roof to the dash to help prevent entry of the hood into the driver's compartment.*
- 6) Breaching of the barrier will be cause for disqualification.
- 7) Minimum age of drivers is 16 years. Waivers will be required from all persons allowed access to restricted areas—to include minor waivers signed by parents/guardians.
- 8) Helmets (minimum 2000 Snell specifications) required with goggles if no full-face shield; drivers should wear long pants and long sleeve shirts with heavy boots that go over the ankles. (a fire-retardant driver's suit is recommended).
- 9) *Fenders and Bumpers may be trimmed. Bumper shocks can be chained for safety (loosely).*
- 10) *Late model Aluminum Bumpers may be changed but must be from same make (gm/gm, ford/ford).*
- 11) *Floor shift and hand throttle are allowed.*
- 12) Fire safety hole in hood is required - minimum 15 square inches of area.
- 13) Front doors may be welded for safety, Dash bar and behind seat bar allowed.
- 14) Frames from 1980 and newer may be notched.
- 15) Stock suspension front and rear. OEM rear end and drive line only. No pto style drive shafts.
- 16) Motor and Transmission may be welded or chained in place.
- 17) Hood, Trunk and Rear doors may have 2 six inch welds or 6 (six) points of contact. Must pass through or attach sheet metal only. Bolts not to exceed 5/8" x 4" long with maximum washer size 2". Cable and Chain maximum is 3/8" and 3 wraps of #9 wire.

Continued.....

- 18) Body mounts must be stock. Only the back two body mounts may be removed and bolted tight. OEM size.
- 19) DOT tires only, Max; LT - 15" with 6 ply. Tubes optional. Must meet judges' approval.
- 20) Stock size motors only - No built motors. Drive train must be GM/GM or Ford/Ford etc.
- 21) Electric fuel pumps must have a red switch within drivers reach.
- 22) Repair weld up to thirty inches total length (single pass) and must be PRE-approved by officials. (paint weld a bright color after welding) No paint, No pass inspection.
- 23) If you are driving in the stock class, you may drive in any other class the same night.
- 24) Do not read between the lines or look for gray areas in these rules. These rules tell you what you can do and everything else is illegal. Judges decision is final, no ifs, ands or buts!
