## **NEW WEBSITE FOR STATE FAIR PARK**

State Fair Park – Home of the Central Washington State Fair and the Yakima Valley SunDome has a new website! Residents and visitors can now access tickets, book events, and find information from one consolidated website.

“Having a relevant, user-friendly website is a critical component of marketing and reaching broad audiences.” said Greg Stewart, General Manager and President at State Fair Park. All three original domains [www.fairfun.com](http://www.fairfun.com), [www.yakimasundome.com](http://www.yakimasundome.com), and [www.statefairpark.org](http://www.statefairpark.org) will automatically link to the new website.

State Fair Park worked with Yakima Valley Tourism for assistance on this project.

For more information contact Anne Moneymaker at 509-248-7160.
