Thank you for choosing the Central Wisconsin State Fair.

By signing the 2020 Central Wisconsin State Fair (CWSF) Merchandise Vendor Contract, you are hereby acknowledging that you have read and agree to all stated policies set fourth by the CWSF. Violation or non-compliance of these policies will result in the CWSF's decision to request your immediate removal from the fairgrounds. Such removal will result in the loss of all the vendor payments made to the CWSF, and may result in your inability to return in future years.

GENERAL INFORMATION

These conditions established minimum standards and criteria under which a concessionaire will be offered a contract to participate at the Central Wisconsin State Fair (CWSF). These standards apply, not only to new applicants for concessions, but also to those who may be requesting an extension of a contract for continued participation. Any concessionaire failing to satisfy these criteria, place their contract to participate at the Fair in jeopardy. Vendors will be required to fill out a new Vendor Contract each year. Contracts and forms will be emailed or mailed out after January of the New Year. Old contracts will not be accepted.

The CWSF will continually seek to present the best quality, professionalism, customer service oriented exhibits, and concessions offered by as wide a variety of qualified business enterprises.

All applicants are given equal consideration based on the applicant's ability to:

1. Meet the criteria specified herein and on the Vendor Contract.
2. Present an attractive and professional display.
3. Offer unique products/services of high quality.
4. Meet financial responsibilities and all contract obligations by specified dates.
5. Conduct business in an ethical and professional manner.
6. Provide proof of liability insurance with a minimum of \$1,000,000 in coverage.

Major factors in considering for a contract shall be demonstrated experience, documented management expertise, references and a record of serving events of comparable size, duration, and quality in the concession and exhibit field as well as quality of proposed presentation.

The CWSF shall exercise their best judgment in determining which new concessionaires will best serve the interest of its patrons. Among the factors to be considered in this process are:

1. Availability of appropriate commercial space
2. Health and safety of Fair patrons
3. Extent to which the proposed product/service duplicates those of other commercial exhibits and concessions.
4. Appropriate mixture and balance of products and services available throughout the fairgrounds.
5. Experience and financial stability.
6. Quality of presentation and professionalism demonstrated.
7. Other factors, as the CWSF deems appropriate in determining its best interest and those of its patrons.

COMMERCIAL EXHIBITS

Commercial vendors are placed on the fairgrounds to educate, inform, evoke public interest and create business opportunities. Vendors are placed to provide hospitality, shopping opportunities, and entertainment to serve the needs and wishes of a large, diverse audience.

It is the policy and goal of the CWSF to seek out and grant Commercial Vendor Contracts for the presentation of best quality commercial exhibits. It is further the policy and goal of the CWSF that available commercial space is occupied by as wide a variety of business enterprises as possible and practical.

Placement and management of commercial vendors at the fairgrounds are the proprietary rights of the CWSF to be exercised exclusively on behalf of its audience. This right may be accomplished by operating its own commercial exhibit or as an alternative, issuing contracts which allow qualified independent parties to so operate.

VENDORS GUIDELINES & POLICIES

1. Adequate insurance coverage shall be required for all commercial vendor operations. A Certificate of Liability Insurance with a minimum of \$1,000,000 liability coverage is required with the commercial vendor owner listed as the primary insured and **Central Wisconsin State Fair, City of Marshfield, and the Wood County Board** listed as additionally insured. This Certificate must be received by CWSF office by the first day of the Fair before set-up. The Fair office will not give out any packets until all required forms and full payment is received.

2. Central Wisconsin State Fair and all of their respective officers, directors, and employees (collectively, "CWSF") shall not be held responsible for any loss, damage, theft, or injury or deaths by disease or from any other cause of any character, to any property while any such property is on the fairgrounds. CWSF hereby assumes no responsibility for any accident, injury or mishap, which may befall you, your property or members of the fair-going public.

The risk of loss occasioned by all of the operations, installations, acts, errors and omissions of the contracted or the employees and agents of the contracted on the fairgrounds shall be that of the contractor, not CWSF. Contractors shall not seek contribution, damages or indemnification from CWSF for any such loss.
5. Commercial vendors shall assume all liability for injury to persons, including death, and for damage to property arising from movement, set-up, tear-down and operation of their exhibit on the fairgrounds. Commercial vendors shall release CWSF from any liability, including, but not limited to, liability for commercial vendor's employees and to its workers' compensation insurance carrier for injuries sustained by contractor's employees in the course and scope of their employment occurring on the fairgrounds.
6. Commercial vendors shall indemnify and hold harmless CWSF, with counsel acceptable to CWSF, from any and all damages, claims, costs, liabilities, obligations, fines, penalties, and expenses, including but not limited to attorney's fees, accountant's fees and court costs arising out of the actions, errors, omission, movement, set-up, tear-down and operation of the contractor's exhibit, concession, support equipment, and/or provision of service(s) on the fairgrounds.

ELECTRICITY

All vendors must supply the correct size extension cord(s) and plug(s) for all stands at the Fair. Please note on your application the size circuit you need.

Contracts are valid for a designated period of time as agreed in writing.
