Types of Fair Judging

What is Face-to-Face Judging? Face-to-Face Judging of certain fair projects is performed to help exhibitors learn the strengths and suggestions for improvements for their project directly from the judge.

Exhibitors report to the judge with their projects at the designated time. They meet “face-to-face” with the judge, who learns more about the work the exhibitor put into the entry while it is evaluated. Exhibitors then receive a ribbon for the quality of the exhibit and knowledge of their project, as well as new information they can use for improvements.

What is Danish Judging? The Danish System of judging provides more exhibitors a chance to get a ribbon for their entries. Instead of placing only the best four exhibits and giving them a blue, red, white, or pink ribbon (like in Open Class) all entries are placed.

The number of blue, red, white or pink ribbons a judge hands out in any color group depends on the number of entries in the class. For example, if there are 8 entries in a Class, up to 2 can receive a blue rating, up to 4 red ratings, up to 6 white ratings, and up to 8 pink ratings. Exhibitors may observe the judging but do not participate in the process. Only the exhibit is evaluated.

What is Conference Judging? It is a combination of Face-to-Face and Danish Judging. In Conference Style Judging, the exhibitors and exhibits come before the judge by Class.

The judge may ask youth questions about their project and use the knowledge as well as the quality of the exhibit to place the entries according to the Danish method of placing.

IF EXHIBITS ARE NOT PICKED UP BY 6:30 PM ON SUNDAY, AUGUST 26, THEY MAY BE PICKED UP AT THE EXTENSION OFFICE IN THE COURTHOUSE IN WISCONSIN RAPIDS OR THE FAIR OFFICE IN MARSHFIELD. PREMIUMS WILL BE FORFEITED FOR THESE EXHIBITS.

EXHIBITS NOT PICKED UP AT THE EXTENSION OFFICE BY OCTOBER 1 WILL BE DISPOSED OF.

JUNIOR FAIR RULES & WHO MAY EXHIBIT

All exhibitors in the junior fair division shall be members of 4-H, FFA, FCCLA, Scouting programs, breed groups, or any other recognized youth organization under adult leadership and with an educational program approved by the local fair. (Members of other youth organizations not listed above or previously approved, by the Junior Fair Board must submit an application by March 1 to be considered for approval by the Junior Fair Board at their March meeting. Application materials for recognition as a recognized youth organization can be obtained by calling the CWSF Office or at www.centralwisconsinstatefair.com). Junior Fair exhibitors must be affiliated with a Wood County organization, be in grades K-13 and under 20 years of age as of January 1 of the current year. Youth

may only exhibit entries that reflect that program of their youth organization. In the junior division, the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish subgroups within a junior fair entry class based on the exhibitor's grade level in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair. (See ATCP 160.04(2).)

All fair entry blanks must be approved by the parent or guardian, leader or advisor, and the junior exhibitor before being accepted by the Wood County UW-Extension Office in Wisconsin Rapids.

4-H exhibitors or any other recognized youth organization that allows membership transfers from other counties must present to the Wood County Extension Office signed statements from their 4-H agent, or adult leader, at the time of entry that their exhibits are a result of their personal work and not previously exhibited for premium. All exhibitors must be enrolled in the project that they are exhibiting and have

curriculum or approved evaluation of the exhibits by the organizational leader. Failure to comply with these requirements will prohibit entry and payment of premium money.

Families have until July 15th to acquire this number, the date that all junior fair forms are due at the UWEX office.

The Wisconsin Livestock Premises Registration Act requires anyone who keeps, houses, or co-mingles livestock to register their premises. Premises that are not currently licensed by the DATCP are **required to register ASAP.**

 - \$0.50 – Rabbits and poultry
19. The Central WI Junior Fair Association will continue to enforce the rules in regards to bedding. 6” bedding pack is suggested with 10” bedding pack maximum. If this is not followed, clubs will be marked down on Herdsmanship and the individual may be charged for disposal of the bedding. Any extra feed/hay must be removed or premium for the exhibitor will be withheld. These rules are being made as the cost of disposal keeps going up and up.
20. Animals (Breeding Stock) purchased after June 1 of exhibit year may not be exhibited at this year’s fair. Only breeds not listed in classes will show as “any other breed”.
 - All calves and yearlings must be registered or transferred on or before June 1 to be considered as ownership.
 - All animals that show as two years old or older and purchased must have been purchased on or before January 1st of the fair year.
21. Grade animals are under the same jurisdiction.
22. All dairy, horse & pony, poultry, exotic, beef, goats, sheep & swine exhibits shall be brought in from 1:00-8:00 pm on Monday. If a problem occurs, arrangements must be made with the superintendent of the department. No purebred animal may be exhibited if papers are not presented for verification at any given time. Registration papers will be checked.
23. Animals will be subject to veterinary inspection. All livestock coming from out of state must be accompanied by a Certificate of Veterinary Inspection **to be presented at the initial weigh-in and at the final weigh-in. This is effective as of January 1, 2007.**
24. All Junior Fair livestock will be released at 2:00 pm on Thursday to make room for open class exhibits.
25. All livestock (except poultry and rabbits) must be fed and properly taken care of by the exhibitor at their expense during the total time the animal is on the fairgrounds. If there is proof of an animal welfare issue or animal neglect, the Junior Fair Board reserves the right to ban that exhibitor from future showing or selling at the Central WI State Fair. The number of years banned will be determined by the severity of each incident.
26. All barns will be cleaned before open class entries arrive. A \$25.00 barn-cleaning/animal fee will be charged to each exhibitor for failing to clean stalls after animals leave the fairgrounds. Exhibitor’s fair premium check will be withheld until fee is paid.
27. Manure must be removed and disposed of properly in the proper containers that are provided so barns are clean at all times.
28. Animal grooming: Responsibility for grooming animals for show is the responsibility of the exhibitor. In keeping with this fact, the following rules will be observed:
If the Junior Fair exhibitor is not fitting their animal themselves, they must be present when the animal is being fitted and the person doing the fitting must be an immediate family member, a club/chapter leader or another exhibitor of the CWSF. Violation of the above guidelines is grounds for disqualification and forfeiture of any eligible premium money or ribbons.
29. Water hoses in all areas must have nozzles.
30. No preparation or serving of food in the barns. **No cooking devices allowed in the barn.**

31. All animal changes will be at the discretion of the superintendents.
32. All animal stalls, pens, cage, etc. must be labeled with the exhibitor's name, club and animal name. Failure to do so will result in the exhibitor's premium being withheld and forfeiture of their right to exhibit in the next year's fair.

Animal exhibitors must furnish bedding.
Shavings will be available for purchase.

ATCP 160.02 Premium requirements.

(1) GENERAL.

(a) The state aid authorized by s. [93.23 \(1\)](#), Stats., may be paid on net premiums paid by a county or district fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. [ATCP 10](#) that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.

(b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.

(c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.

(d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.

(e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.

(f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.

(2) PREMIUM LISTS.

(a) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. [ATCP 160.92 \(3\) \(c\)](#).

(b) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.

(c) Sections [ATCP 160.01](#) through [160.07](#) and [160.91](#) shall be published in premium books used by a fair for which state aid is requested.

(3) ENTRY FEES.

(a) A county or district fair may charge an exhibitor an entry fee. The entry fee may not exceed 10% of the sum of all premiums offered to exhibitors in the same class for which the entry fee is charged. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits or pets.

(b) Exhibitors in department 35 shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.

(4) SPLIT FAIR DATES.

(a) For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.

(b) Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split fair dates only if the fair organization justifies the split dates based on extreme hardship. If the department approves split dates, all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or an educational display to repeat a demonstration or exhibit.

(c) The department may pay state aid for the following exhibits or contests in a fair having split dates, regardless of whether the department approves those split dates in advance:

- Clothing revue.
- Demonstrations.
- Favorite foods revue.
- Dogs.
- Small animals.
- Rocketry.
- Shooting sports.

8. Other exhibits and contests that are similar to those identified in subds. [1](#) to [7](#).

- **History:** Cr. [Register, November, 1990, No. 419](#), eff. 12-1-90; r. and recr. (1) (e) and am. (3) (a), [Register, July, 1995, No. 475](#), eff. 8-1-95; r. and recr. (4), [Register, November, 2000, No. 539](#), eff. 12-1-00; correction in (2) (a) made under s. 13.93 (2m) (b)

ATCP 160.03 Exhibition requirements. A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

(1) No fair society or other organization sponsoring a county or district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society, or require an exhibitor in any other way to make a donation to the society.

(2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.

(3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under s. [ATCP 160.02 \(4\)](#). A county or district fair board may establish subgroups within a junior fair entry class based on the exhibitor's grade in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.

(2) All exhibitors in the junior fair division shall be members of 4-H, FFA, a scouting program, a breed group, or another recognized youth organization under adult leadership that has an education program appropriate to that organization and is approved by the fair board.

(4) State aid may not be used to award more than one premium to any exhibitor in any department in the junior fair division, except that:

- A premium may be awarded to each member of a group that collectively owns and enters a livestock exhibit in departments one to 5 of subch. [IV](#).

Entry classes are open to 4-H members enrolled in a designated 4-H project or an alternative project that follows 4-H project guidelines, and to members of other youth organizations that do equivalent work and apply equivalent guidelines. Exhibits may be judged using the regular or Danish judging system. For each entry class, a fair board may pay first-place to fourth-place premiums at any of the following levels designated by the board:

- Premium level one: \$2.00, \$1.75, \$1.50, \$1.25.

They may change if animal diseases occur in Wisconsin or elsewhere, so you should always check our website or contact us for current information. Ref. s. ATCP 10.87, Wis. Admin. Code

Sale Standards for Market Animal Sale Animals are:

MARKET BEEF:

To qualify for the Market Animal Sale, all market beef must weigh a minimum of 1050 lbs. and a maximum of 1600 lbs. regardless of breed.

In addition, all market beef types must grade low choice or higher (live grade) to qualify for the Market Animal Sale. The final weigh-in will

be held on entry day from 6:00 pm to 8:30 pm in the beef barn.

MARKET HOG:

The final weigh-in will be held on entry day from 4:00 pm to 8:30 pm in the swine barn.

To qualify for the Market Animal Sale, all market hogs must weigh a minimum of 235 lbs and a max of 290 lbs. A certified technician will scan all eligible Market Animal Sale hogs. A formula will be used that measures the percent of fat free lean. The components of this formula are: back fat measurement, loin eye measurement & loin eye measurement and the live weight of the animal.

To be eligible for the market animal sale pigs must be equal or greater than 50.5% fat free lean, based on the following formula:

$$\text{Percent Fat Free Lean} = \frac{\left[\frac{\text{Fat Free Pounds}}{\text{Final Pig Weight}} \right] \times 100}{.73}$$

where Fat Free Pounds =

- (.833 x gender factor*)
- (16.498 x scanned back fat on 10th rib)
- + (5.425 x scanned loin area)
- + (.291 x final weight)
- 0.533

**gender factor equals 1 if barrow and 2 if gait*

A minimum of **.4 back fat** to sell at the Market Animal Sale is also required.

Exhibitors can scan up to 3 animals. The cost of the 2nd and 3rd scan will be deducted from your sale check.

MARKET LAMBS:

To qualify for the Market Animal Sale, any purebred or crossbred wether or ewe must weigh a minimum of 120 lbs. and a maximum of 160 lbs. and must grade choice or higher (live grade). Animals must be shorn to ¼ inch or less at the final weigh in.

The final weigh-in will be held on entry day from 6:00pm-8:30pm in the beef section in Pat's Barn.

GENERAL RULES OF THE MARKET ANIMAL SALE

In addition to the general rules listed below, each exhibitor and his/her family are given rule sheets entitled “Everything You Need To Know” and “Central Wisconsin State Fair Market Animal Sale Animal Tagging & DNA Guide”. All information published in these handouts is in addition to the following:

1. Each exhibitor is entitled to weigh-in three (3) animals per specie. An exhibitor may only sell one (1) animal in the Market Animal Sale. All exhibitors must choose which animal they want to sell by 8:30 p.m. on entry day. All non-sale market animals that are weighed-in on entry day are to remain on the fair grounds for exhibit until all Junior Fair animals are officially released.
2. **Animals overweight at the final weigh-in are allowed one more time across the scale. Underweight animals will not be re-weighed.**
3. Exhibitors must enter their animal in the Junior Fair for premium. Failure to turn in your fair entry forms or failure to enter your animal in the following departments: 2J(Beef), 3J(Swine), 4J(Sheep) will result in not participating in the Market Animal Sale.
4. Final determination of sale eligibility for Market Steer and Market Lambs will be determined by weight upon final weigh-in on entry day. Grade determination will be made by the judge at the time of placing during the Market Steer and Market Lamb Show. In the Market Hog division, the results of the scanning process and the final weigh-in weight will determine the grade of the Market Hog and eligibility for the Market Animal Sale. If your animal does not make all of the predetermined qualifications, you will not be able to sell at the sale.

32

5. In order to sell a Reserve Champion Dairy Steer in the “Sale of Champions” group in the Market Animal Sale, there must be a minimum of six (6) Dairy Steers participating in Lot 3 (Dairy Beef) at the Central Wisconsin State Fair Junior Beef Show.
6. **All Market Steer, Market Hog and Market Lamb Exhibitors shall forfeit the opportunity to sell in the Market Animal Sale if they fail to be in the sale ring when their number is called.**
7. Exhibitors are required to sell their own animal. Failure to be in the ring to sell your own animal will result in a deduction of 25% from your Market Animal Sale check. If an exhibitor is unable to be in the ring to sell their animal, permission for another **Market Sale Exhibitor** to do so may only be given by the Market Animal Sale President.
8. Exhibitors must attend three (3) educational meetings. The Market Animal Sale Committee will sponsor several educational meetings. Meeting dates will be published in the 4-H Youth Connection and also will be distributed to exhibitors at all Market Sale activities. Failure to attend three (3) educational meetings will result in not being able to sell at the sale. **No Exceptions will be made.**
9. **Exhibitors must return two (2) signed Bidder Commitment Forms from potential bidders by August 1st. Failure to do so will result in not being able to sell your animal in the sale.**
10. **No animal shall be tranquilized or show any sign of any drug use prior to the sale.** Any evidence of tranquilizer or drug use will prohibit the animal from selling in the sale. If evidence of drug use is found in the slaughtered carcass, the exhibitor will forfeit the sale money.

11. The exhibitor and his/her family of an animal that is condemned at the time of slaughter by a State/Federal Meat Inspector will stand the loss. This means that the exhibitor will reimburse the Market Animal Sale Committee for the cost to replace the condemned animal's meat for the buyer.
12. Your market animal is to be properly cared for until it leaves the fairgrounds. Once the animal is sold, it becomes the property of the buyer. However, the exhibitor or his/her representative will care for the animal unit it leaves the fairgrounds. The penalty for not properly caring for your animal is a \$50.00 deduction from your Market Animal Sale Check.
13. Each exhibitor will get their picture taken at the appropriate backdrop with their Market Sale Animal after their respective show. All exhibitors who sell their animal in the Market Animal Sale are required to give a photograph to their buyer. Any exhibitor not forwarding a photograph will be disqualified from participating in next year's Market Animal Sale.
14. A 5% sale commission will be withheld by the Market Animal Sale Committee to offset costs incidental to conducting the sale and other Market Animal Sale Activities throughout the year.
15. Exhibitors must keep a record book issued by the Market Animal Sale Committee. **The Drug History Sheet must be completed and turned in at the time that your animal is weighed on entry day.** Exhibitors must turn in a completed Market Animal Record Book and also their Thank You note in an unsealed, stamped and properly addressed envelope (**forward and return address**) by Friday at 5:00 p.m. These two items are turned in to the Junior Fair Office located in the Youth Building. A \$25.00 deduction from your Market Animal

Sale check will be made if you fail to fulfill these requirements on time.

- 33 16. Exhibitors selling at any other county sale in the same year will not be able to sell in the Central Wisconsin State Fair Market Animal Sale. This does not include the Wisconsin State Fair Governor's Auction.
17. An exhibitor may switch animals within their chosen species in the event that the judge selects that exhibitor's non-sale designated animal as Grand or Reserve Champion. The winning Champion Animal must have met all the requirements for the Market Animal Sale.
18. **The Grand Champion and Reserve Grand Champion animal of each species will stay the duration of the Central Wisconsin State Fair. These animals must be cared for by each exhibitor and his/her family members. Failure to care for your animal when it is showcased in the Pen of Champions will result in a \$250.00 deduction from your Market Animal Sale check.**
19. Due to limited slaughter facilities, the Market Animal Sale Committee together with the representatives of the processing facilities will determine the number of animals that will be in the carcass show.
20. The Carcass Show will be held the Thursday following the conclusion of the Central Wisconsin State Fair at Custom Meats of Marathon. The Carcass Show will begin a 6:30 p.m.
21. **To be eligible for the 2018 Central Wisconsin State Fair Market Animal Sale, animals must have an official CWSF or State Fair RFID tag and must have collected DNA on file under the exhibitors name with the WLIC.**
22. **If the DNA does not match on an animal, the exhibitors and his/her parents (guardian) will be contacted by phone and letter by the**

Market Animal Sale President informing them of the ruling.

23. The exhibitor has the right to appeal the ruling to the Market Sale Committee Executive Board. It is the responsibility of the exhibitor to contact the Market Animal Sale Committee President to request a meeting and set up a date. The exhibitor must appeal no later than one (1) week (7 days) after notification by the market Animal Sale President.
24. Any exhibitor that has an animal which has a DNA check that does not match may be banned from selling in the Market Animal Sale for up to three (3) years. In addition, the exhibitor will only receive the current market price per pound as determined on the day of sale at Equity Livestock at Stratford, WI. The balance of the original sale price will be refunded back to the buyer. The Central Wisconsin State Fair Junior Fair Board and/or the Central Wisconsin State Fair Board may take additional disciplinary action.

Check General Rules and Judging Schedule found in the front of the book.

Sponsorship of a trophy for the most innovative entry by Folklore Jerseys. Although the fair tries to keep all plants watered, exhibitors are encouraged to check/water their own plants during the fair.

So that plant material will hold up throughout exhibition period, we suggest cutting flowers in the late afternoon or evening, when leaves contain the greatest amount of sugar. Plunge stems into warm water immediately, and place in a cool dark

room overnight. Flowers will take up enough water to overcome any apparent temporary wilting. No plastic or silk flowers or weeds may be used unless specified. All entries shall be raised by exhibitor.

ALL ENTRIES MUST BE IDENTIFIED BY SPECIES AND COMMON NAME ON AN INDEX CARD.

Diseased or bug infested plants will be judged and marked down and sent home.

African violets should not be entered in flowering class. African violets must be only entered in African violet class.

Do not wax leaves; but wipe with water.

Dish gardens are not baskets.

Plastic wrap is not a suitable cover for terrariums.

Cut flowers are to be brought in on Entry Day.
